## City of Gunnison

December 8, 2015

Dear Council,

The 2016 City of Gunnison Budget was presented to City Council at the October 13, 2015 regular session. Our staff is pleased to present a balanced budget, with a few exceptions in the use of cash reserves. Economic conditions continue with a positive trend. Based on sales tax returns through October 2015 we project a 5% sales tax revenue increase for 2015 and forecast revenues with a 2.5% increase for 2016. Use tax has gone up for a third year with continued commercial development taking place. The 2014 adoption of the Fund Balance/Cash Reserve Policy provides clear direction on cash flow management and defines a process for fund designation.

The budget focuses on ongoing operations, full implementation of the staff compensation plan, and support for the City's Strategic Plan. The primary objective with the strategic plan is to fund Council's top priorities with actions include planning, operational support and capital expenditures. The top three priorities identified in the recent strategic planning process are highway corridor improvements, downtown area enhancements, and connectivity for multimodal and recreational uses. In support of these goals there is a designated fund of \$500,000 for the purpose of strategic plan implementation. The use of these funds will be refined during the year as opportunities arise. Projects that are included in the budget as appropriations include \$250,000 for land acquisition for downtown parking, \$66,000 for planning and design of multimodal safe streets, and \$20,000 for redesign of the City's website.

Another area of particular interest in 2016 is the use of revenues derived from the 5% Special Marijuana Sale Tax. We have based our estimates loosely on the 2014 market base in Crested Butte. That level will generate approximately \$50,000, but could differ greatly depending upon the actual market. The 2016 budget utilizes these extra funds by hiring a new police officer to assist with random checks and enforcement, enhancing recreation program scholarships, increasing educational material purchases in the Police Department, growing grants available for educational programming, and provision of teen programming to provide alternatives to drug abuse.

The most significant proposal on the expense side for the coming fiscal year is the proposal to continue implementation of the compensation plan for employees. We were able to achieve 90% movement toward that goal in 2015 and in 2016 full implementation is proposed. There are dollars allocated in personnel expenses in each department for the purpose of providing this proposed compensation increase. Health insurance premiums will increase 16.5% in 2016 and the minimum wage increase, even for those employees at the top of their pay range, is proposed to be \$804 to accommodate the premium increase. It is important to preserve the employees' purchasing power. A new department is established for Information Technology to handle these services in-house.

The 2016 General Fund revenues are estimated to be \$6,989,642 and projected expenditures at \$7,637,257 which includes \$233,418 for Grants and Contracts for Service. We continue to move toward compliance with the Fund Balance (Cash Reserve) Policy with a

2015 year end projection of 41%. This will allow further investments to be made as opportunities arise in the future. Looking at the planning currently underway, there will be associated capital projects that may be grant eligible. Having matching dollars in the future will allow these funds to be leveraged for larger undertakings.

The City's Sales Tax Compliance ordinance allocates 10% of General Fund Sales and Use Tax revenue to capital improvements equaling \$693,418. Proposed expenses in capital include equipment for our computer system upgrade, some rolling stock for Fleet, Police and Fire along with a thermal imaging camera. Parks propose adding some maintenance equipment, lighting for the Skate Park and Dog Park amenities. Street Improvements utilize 41% of sales tax revenues which equates to \$1,866,440. Within this allocation there is \$655,000 for street improvement projects that will be determined prior to 2016 construction. The net of capital improvements and street improvements comply with the sales tax allocation set by voters in 2009.

Electric rates were increased by 5% in 2015 and a further 5% rate adjustment is required in 2016. Water and Sewer rates have been adjusted in 2015 with a 5% rate increase included for Water and 3% increase for Sewer. The proposal is to make the same adjustment once again in 2016. The Refuse account remains healthy and continues to accumulate reserves. The franchise fee remains at five percent in the Electric, Water, and Sewer Departments for 2015. The Ditch Fund includes \$470,292 for a River Restoration project involving the improvement of the Piloni Ditch diversion. A major portion of those dollars come from a Colorado Water Conservation Board grant in partnership with Upper Gunnison River Conservancy District and Trout Unlimited

The Park & Recreation Fund sales tax revenues are projected on the same basis as the General Fund. There is a capital expense for pool covers anticipated for 2015 in the Pool. The Pool Fund is not in balance, so reserve funds were utilized for 2015 with a plan to complete a rate analysis in 2015. The result is to provide a greater subsidy for pool operations in order to provide reasonable wage for pool staff. Once these adjustments were made, the 2016 budget is balanced except for the use of fund balance for the replacement of pool covers. Other Recreation Improvements division was added to the budget in 2015 and will support the aforementioned dog park amenities. This is where excess revenue will accumulate and be dispersed for Park & Recreation projects.

The budget will appear on Council agendas until final adoption on December 8, 2015. Our employees are dedicated to providing a high level of service for our community in very positive ways. They are the heart and soul of this organization and enhance the lives of our citizens on a daily basis. Our management staff works hard to ensure we present a balanced budget that reflects the interests of our citizens. Ben Cowan and the Finance Department crew put their best energy into refining the details presented in this document. This is truly a team effort and Council is congratulated for their leadership in developing this guide for the City of Gunnison.

Sincerely,

Ken Coleman  
City Manager

A public hearing on the proposed budget was held on November 10, 2015. The proposed budget was adopted by the City of Gunnison City Council on December 8, 2015. Copies of the budget documents are available in the City of Gunnison Finance Department, 201 W. Virginia Ave., Gunnison, Colorado and can also be found on our website at <http://www.cityofgunnison-co.gov/>

This budget includes 14 separate and distinct funds, each with revenues to support the anticipated expenditures. Funds fit into two broad categories, governmental and proprietary. Governmental funds include the General Fund and Special Revenue Funds. Proprietary Funds include Enterprise and Internal Service Funds. Revenue sources for the various services the City of Gunnison provides determine where those services reside in this budget. For example, the Conservation Trust fund is supported by the portion of Lottery proceeds constitutionally mandated to be distributed directly to local governments, based on population, for acquiring and maintaining parks, open space and recreational facilities. Revenues and expenses are reported in the special revenue fund category, Conservation Trust Fund. Enterprise funds are supported by fees charged to users such as Electric, Water, Wastewater, etc. Each is a separate fund with its own set of self-balancing general ledger accounts.

## **Strategic Direction**

---

### **Mission Statement**

The people of Gunnison have a special responsibility to the uniqueness of the Gunnison Valley. We the City, as representatives of the people, will strive to conduct our affairs and plan our growth in a manner that respects our environment and preserves our community as our home.

Through the ethical, effective and efficient stewardship of our human, natural, and fiscal resources, the City of Gunnison will provide public services and facilities that will enhance the quality of life for our residents, neighbors, and visitors.

The City's elected officials and staff shall create a positive climate in which all people flourish. Freedom of thought, expression, and participation shall be solicited from individuals, employees, the public and visitors.

*Adopted by City Council on March 10, 1992*

### **Strategic Plan**

The 2016 Budget was built around the City of Gunnison Strategic Plan, which was adopted on December 8, 2015. The three primary priorities set by the Council in that plan are:

- Priority 1: Plan for the City's Future
- Priority 2: Develop a vibrant and attractive community that is inviting to visitors and residents
- Priority 3: Create a walkable, bikeable, driveable community that is safe and accessible for all types of users

In addition, the plan sets out a variety of other priorities to be accomplished over the long term:

- Priority 4: Invest in capital projects
- Priority 5: Make employment with the City attractive to current and future employees
- Priority 6: Improve delivery and efficiency of City services
- Priority 7: Increase community engagement efforts and strengthen local regional partnerships
- Priority 8: Support on-going economic development efforts within the community

The entire Plan can be found on our website at <http://www.cityofgunnison-co.gov/>

The Table I depicts appropriations related to the implementation of the strategic plan.

# Budget Overview

Table I

In addition to the appropriation of the above funds, \$223,013 has been set aside in a Strategic Plan Implementation Reserve for potential implementation of the following projects:

- Design standards for buildings under 50,000 sq. ft.
- Sidewalk improvements in the non-motorized plan
- Broadband middle mile/anchor institutions cash match
- Downtown/highway corridor tree evaluation and inventory by certified arborist
- Downtown signage replacement
- I.O.O.F. Park redevelopment
- Grant match for safe streets construction

## Revenue Summary

The following chart shows where the money comes from in broad categories and will be detailed further in the pages that follow.

**Table II**

### Where the Money Comes From

The largest revenue area continues to be charges for services. This area consists of electric, wastewater, water, refuse sales, etc. The 2016 budget has a total of \$9,052,861 from these charges. In 2015 that number was \$8,701,996.

Table III, Revenue Sources, details major revenue categories.

## Revenue Sources

### Sales Tax

The 2015 projection for City of Gunnison Sales Tax collections estimate that sales tax revenues will show growth at 5.5% from 2014. The 2016 amount is budgeted with a 2.5% increase over the 2015 projection, along with an increase due to a reduction of the allowable vendor fee from 5% to 4%. The excess revenue generated from this modification will be passed through to the Gunnison Country Chamber of Commerce to support the operation of the Visitor Center. The 2016 budget expects sales tax revenue to comprise nearly 31% of total revenue, and 57% of General Fund specific revenues. Table IV represents the change in this major revenue stream over the last nine years.

## Fund Balances

The City Council has established a policy of maintaining between a 33% and 40% ending available resource balance in the General Fund. Other funds require a variety of fund balances, as detailed in the Appendix. However, the overall ending available resources balance is 59%. The term "available resources" is defined as current assets less current liabilities.

The General Fund ending balance is necessary to accommodate additional expenditures in the event of a disaster or an unforeseen opportunity that might arise from time to time.

Budgeted ending fund balances may be found in the Consolidated Budget Summary as well as on each page in the Fund Summaries section. Table X below illustrates the amount each fund comprises of the total fund balance of \$11,438,116.

Some available resource balances have a 10% or more change from 2015 projections to the 2016 budget. Following is a list of those funds and a detail of the changes.

**General Fund** – decrease of 17.07%, (\$647,615)

The General Fund has decreased due to a modification of the fund balance policy two years ago. The City Council felt resources should be deployed for use, rather than allowed to build fund balances greater than 40% of expenditures.

**Conservation Trust Fund** – decrease of 14.97%, (\$3,450)

While the budget includes a significant decrease by percentage, the actual dollars are immaterial.

**Ditch Fund** – decrease of 19.73%, (\$58,969)

Mineral leasing funds, which are used to support the ditch operations, can be volatile. The budget includes a conservative amount for 2016 revenues that is 58% less than the actual received in 2015. The fund also expects a grant match of \$16,000 to complete a river restoration project.

**Water Fund** – decrease of 23.89%, (\$204,874)

A significant outlay of \$175,000 for a new jet vac truck is included in the budget, which is a planned use of fund balance. The revenues are budgeted tentatively due to a structural change in the water rates to recapture more of the fixed costs of operating the water system with increased base service charges.

**Wastewater Fund** – decrease of 26.03%, (\$300,170)

A significant outlay of \$175,000 for a new jet vac truck and \$100,000 for slip lining is included in the budget, which is a planned use of fund balance. Tap fees are budgeted conservatively at 49% less (\$34,000) than the actual amount received in 2013 (\$66,400).

## Budget Overview

**Refuse Fund** – decrease of 45.35%, (\$380,380)

A significant outlay of \$425,000 for a refuse truck and storage building is included in the budget, which is a planned use of fund balance.

**Recreation Funds** – increase of 32.10%, \$531,201

Excess funds from the Parks and Recreation sales tax are being accumulated in the Other Recreation Improvements Fund. A Master Plan was completed in 2015 to identify the uses for the funds.

## General Information

The City of Gunnison was founded February 28, 1880. The City was named for John W. Gunnison, a United States Army officer and captain in the Army Topographical Engineers, who surveyed for the transcontinental railroad in 1853. The City of Gunnison is the county seat of the "unspoiled heart of Colorado."

The City of Gunnison is the county seat and brands itself as the Base Camp of the Rocky Mountains. The existing city boundary encompasses approximately four and three-quarter square miles, with 5,367 residents. The City provides water, sewer, trash removal and electrical services which

are operated as an enterprise fund. The city electrical utility has the lowest residential and commercial rates in the state, and water and sewer service rates are very reasonable. Additionally, the city holds abundant senior water rights to support anticipated future development demands. Sanitary sewer facilities include a waste water treatment plant with ample capacity to accommodate future growth.

City park facilities are superb and offer an incredible 110 acres of park land/1000 people in relation to the national average of 10 acres/1000. Additionally, the City owns a 465 acre working ranch with developed trails. The Park and Recreation Department operates the Community Center which is a 45,000 square foot facility with an indoor aquatics area, climbing wall and other recreation facilities. Jorgensen Park is a multi-use complex with an indoor ice rink, numerous ball field, and skate-board facility. Hartman Rocks, located approximately two miles south of the City, includes base area trail head facilities, and a 8,300 acre recreation area managed by the Bureau of Land Management. Development of a non-motorized urban trail system is underway. The trail system, when complete will link urban places such as the schools, Western State Colorado University campus and retail areas, and an 11 mile outer loop will provide connectivity to Hartman Rocks, the city ranch, and the urban core.

Activities abound within and around the City of Gunnison. Winter activities for Gunnison include skiing at Crested Butte Mountain Resort, skiing at Monarch Ski Area, snowmobiling, cross country skiing, back country skiing, ice fishing Blue Mesa, ice skating, hunting, and snowshoeing. Activities during the summer in Gunnison include fishing on the Gunnison River, Tomichi Creek and Blue Mesa Reservoir. Hiking opportunities are available within a short distance like Curecanti National Recreation Area and variety of state wildlife viewing areas. Biking activities include road biking and mountain biking; Hartman's Rocks has many bike

# City Profile

trails for mountain biking as well as motocross and rock climbing. The Cattlemen’s Days PCRA rodeo takes place over a 10-day period in July.

Other City services include police, fire, finance, city clerk/municipal court, and building and planning. The City is within the Gunnison Fire Protection District and the City and Gunnison County Fire Districts jointly operate a hazardous materials response team. A City operated dispatch center provides communication services for all critical services in Gunnison and Hinsdale counties.

The City of Gunnison is organized under the Council-Manager form of government. The five-member City Council is responsible for the legislative function of the municipality such as establishing policy, passing ordinances, appropriating funds, and developing an overall vision. The Manager’s role is to implement the policies and course that has been established by the Council. The City is also a Colorado home rule municipality, and has adopted a home rule charter that acts as the City’s basic governing document over local issues; however, State law continues to prevail over statewide concerns.

**Comments:**

Revenues for the general fund are typically based on a 2% increase over the prior year end projections. Exceptions are listed below. The City will be applying for various grants throughout the year. Until the grants are awarded, (or in special circumstances there is a high probability in receiving the grant) grant amounts will not be included in the budget. If a grant is awarded, an additional appropriation will be requested to allow for the corresponding expenses.

3101 Assessed valuations for property tax reflect a .6% increase over the previous year's valuation. Because the City has "debruced" and is not restricted by the 5.5% statutory limitations, the mill levy will remain the same. 2016 revenue is based on \$73,039,200 preliminary certification of property valuation from County Assessor and 3.868 mill levy.

3104 2015 year end projections are based on typically being 54% collected through August. 2016 revenue is based on a 2.5% increase of 2015 projected year-end revenues.

3105 2015 year end projections based on the County typically being 15.87% of City revenue in 3104. 2016 revenue is based on a 2.5% increase of 2015 projected year-end revenues.

3106 2015 projected amount is based on actual collections through August "grossed up" by the most conservative percentage collected through August for the last three years. 2016 revenues are budgeted at a 2.5% increase from the 2015 projection.

3110 Based on 5% franchise fee of cable franchise services

3111 Based on 5% franchise fee of natural gas revenues

3112 Based on 5% franchise fee of electric revenues.

3113 Based on 5% franchise fee of water revenues.

3114 Based on 5% franchise fee of wastewater revenues.

3116 New special marijuana taxes at 5% of gross sales on retails and medical marijuana

**2015** - A slight amount has been projected due to businesses not likely opening until November

**2016** - Crested Butte gross sales totaled approximately \$1,400,000 in 2014. This amount is roughly based on that market.

vehicle repairs. Included are annual Ladder Truck and SCBA inspections. During the past five years, this line item has been exceeded each year and has averaged over \$8,000. Additional appropriations of \$10,000 and \$12,000 have been made for Ladder Truck repairs in two of those years. Due to the aging fleet (ages of 38 years, 30 years, 26 years, and 23 years) this should not be expected to change any time soon.

4351 Fees for dispatch services.

4355 This account is used for firehouse maintenance and utilities. District shares this cost with the City.

4360 See 4652

4370 Account used for firefighter training when they travel (Fire Department Instructor's Conference in Indianapolis -the largest fire training event in the world, Fire Leadership Challenge in Keystone-the annual conference for the Colorado State Fire Chiefs Association, Colorado Fire Fighters Academy - a school put on by the Four Corners Firefighters' Association, National Fire Academy Outreach Weeks, Auto-X in Arvada - the best extrication training around). It is also used when instructors come to Gunnison for training. Account covers the cost of out of town meetings and Fire Marshal training (Colorado Chapter of International Code Council at Denver Tech Center, Fire Investigation, Colorado Fire Training Officer Association Meetings, where state certification rules are established).

4401 Fire Department share of property/liability insurance premium.

4403 \$250,000 life insurance policy for each of 40 volunteers and life insurance for 10 retirees.

4421 Annual allocation of fleet service expenses for fleet rental, repairs, storage and use of the shop facility.

4650 Phone costs moved to 4320

4652 Account is used for reimbursement for volunteer firefighters.

**Comments:**

The City has an Intergovernmental Agreement (IGA) with Gunnison County regarding expenses associated with Haz Mat

- 4102 Practice: If employee assigned to Haz Mat responds to Haz Mat call during regular hours, employee is paid regular wages. If Haz Mat response results in employee working overtime, then employee's overtime (to extent of Haz Mat time) is charged to the Haz Mat Department. Regular time is also charged to the Haz Mat Department.
- 4201 The line item is used to purchase replacement pagers. Pagers are not an eligible grant item under the Homeland Security grants. This account is also used for replacement of tools, batteries, and parts replacement on all portable equipment.
- 4202 Account is used to replace all four levels of hazardous materials suits.
- 4203 Used for fuel and lubricant for the hazardous material vehicle. City pays for fuel and County pays for repair/maintenance.
- 4310 Used to pay tuition for training of all hazardous material team members. Also used for Haz Mat out of town meetings.
- 4340 Covers the cost of repair and maintenance items done by other than fleet.
- 4350 Volunteer reimbursements charged by Gunnison County as a shared cost
- 4351 Fees paid to Gunnison Valley Communications to cover the cost of dispatch service. City pays 1/2 of total cost. Gunnison County pays the other 1/2.
- 4650 Combination of expenditures for subscriptions and literature; and travel/mileage/meals and lodging. These line items have been combined into one line item because of minimal expenditures in the individual line items.

## 01-4090 GRANTS & CONTRACTS FOR SERVICE

The Challenge Grant program has two categories, one which is open to applications annually on an on going basis. Grant requests are reviewed by a citizen committee and awarded by the City Council. The Continuing Category of this program is earmarked for those Challenge Grants which receive annual contributions based on program updates from the applicants. This distinction has resulted in a more streamlined process for those on-going events which generate strong visitor participation.

- 8101 Challenge grant requests received throughout year and reviewed by Challenge Grant Committee
- 8102 Grant program to assist with funding of youth activities throughout the community.
- 8103 Grant program to assist with landscaping City rights-of ways next to private property.

Contracts for Service are those budgeted amounts which are given to organizations within the community which provide services to residents and businesses which the City organization does not. Contracts for Service are decided upon by the City Council.

- 8301 Requests must be for a specific contracted service that directly affects the City of Gunnison.  
Funding amount to be determined by council.  
2013 Expenses - \$250 Preventative Advocacy Safety Awareness; \$2,000 Six Points Building  
2014 Expenses - \$1,650 Region 10 Broadband
- 8404 Bike Safety Event - \$803 from Additional Contracts for Service; \$2,000 from other sponsors
- 8405 Public Farm Plan-City \$1,500; County \$1,500; WSCU \$1,000; Mountain Roots \$500; Region 10 Grant \$4,500
- 8801 2013 Expenses - Chamber-Spring Greenback Exchange \$2,000; WSCU Food Growers/Restaurants \$1,000; I Bar Gunny Fest \$5,000; GCB Tourism Assoc Grant Match \$8,334; Region 10 Ag Incubator Grant Match \$1,500 (Transferred to Triathlon \$4,500; Carvin Up Colorado \$1,650)  
2014 Expenses - \$2,000 Chamber Spring Greenback Exchange; \$3,000 Whitewater Park-Grant Match  
2015 Expenses - Late Night RTD Bus Service-\$4,859
- 8802 The Intergovernmental Agreement for the Gunnison Housing Authority has been funded out of Grants and Contracts for Service in past years.
- 8805 Intergovernmental agreement with GVAWL and Gunnison County to construct new shelter-postponed from 2013
- 8807 Assistance with marketing plan previously funded by WSCU Foundation

**Comments:**

Funding for the irrigation ditch operations is funded by mineral leasing funds, as the City does not charge a fee for using ditch water, even though there is a cost to operate and maintain the ditch system. Because the mineral lease funding distributions are under constant review by the State, and therefore a volatile revenue source, personnel and most operational costs have been moved with a 50/50 split between the water and waste water collection operations.

	2016
3302 CWCB Grant	\$ 402,752
Colorado River Basin	\$ 45,540
Trout Unlimited	\$ 6,000
	\$ 454,292

3304 40% of mineral leasing funds are directed to support ditch projects

**Comments:**

Reserved fund balance target of \$1,000,000 for contingency funds. Balance will fluctuate up or down from target number. Reserve funds have been utilized in past years to negate or minimize any electric rate increases. Staff is proposing a rate increase for City of Gunnison Electric rates beginning January 1, 2016. The rate increase is necessary due to rising cost which includes Purchased power cost.

- 4421 Annual allocation of fleet service expenses for fleet rental, repairs, storage and use of the shop facility.
- 4500 Purchased power costs continue to rise. Power costs are increasing annually from the Municipal Energy Agency of Nebraska (MEAN) as well as minor increases from WAPA. Staff has been working for two years toward lowering support energy costs from MEAN. Progress is being made and the hope is to reduce the support energy cost by \$225,000 per year beginning in February, 2015. Support energy savings will offset some of the upcoming MEAN increases.

**Comments:**

Fund balance policy recommends \$300,000 cash reserves be maintained for emergency replacement of one refuse truck if needed. \$275,000 is earmarked for replacement of Unit #102 in 2016.

3423 Refuse rates reflect pay as you throw rates. Rates for the 38 gallon trash cans are proposed to decrease \$2 per month, which will equate to a 5% reduction in overall refuse collection revenues

3620 Tree chipping costs will be paid by the Wastewater Treatment Plant since they utilize all of the chipped material

3621 The City accepts electronics for recycled disposal and charges per weight of the item to cover the expenses incurred with recycling

**Comments:**

Park and Recreation Sales Tax proceeds are split between pool, rink, trails, and other recreation improvements. Revenues over annual amounts necessary to fund debt service, and operations and maintenance are directed to department 54 "Parks and Recreation Other Improvements" per Ordinance #7, 2007:  
Original allocations, until funding obligations met were:

Comm. Center 51-1000	64.91%
Rink 52-1000	22.81%
Trails 53-1000	12.28%
Total	<u>100.00%</u>

- 3404 Triathlon revenues have been moved to Events
- 3650 Contributions for free swim lessons, lake swim, free swim; World swim, teen nights
- 3999 \$99,290 transfer from General Fund to cover a portion of community center expense - will be adjusted at year-end
  - 9% of expenses depending on actual needs
  - \$7,500 for facility use fee charged to program enrollments
  - 50% of front desk clerks are charged to the General Fund to account for the labor to enroll participants
  - \$14,167 CTF metro rec for bldg maintenance, number varies according to lottery proceeds
  - \$37,000 - portion of Other Recreation Improvements funds to support facility maintenance until 2007 bonds may be called to save an equivalent amount of interest annually

**Comments:**

This cost center has been moved to the operating account for 2016.

- 9931 Resurface the main traffic areas in the pool facility that accumulate considerable water creating safety issues.
- 9932 Replace existing carpet in W Mountain Room and game room with VCT tile. Existing carpet is 7 years old and quite worn in high traffic areas. Tile will allow higher level of sanitation in food areas.
- 9933 Slack lines are a new emerging sport which can be set up in the pool area or gym area and may appease a new demographic population that does not currently use the pool/gym facility.
- 9934 Resurface gym floor every 3 years
- 9935 Low sun in entryway causes glare on computer screens, making it difficult to see screen
- 9936 Existing surveillance system software no longer supported
- 9952 Chlorine monitoring system

Park and Recreation Sales Tax proceeds are split between pool, rink, trails, and other recreation improvements. Revenues over annual amounts necessary to fund debt service, and operations and maintenance are directed to department 54 "Parks and Recreation Other Improvements" per Ordinance #7, 2007.

3631 Recreation Membership Rate based on season figures for season passes - a 10% increase is proposed for 2016

3634 The 2016 concessions charges are proposed to increase by 5%

3636 Advertising based on sale of rights to WEHA for \$15,000

3638 Recreation Daily Fees are proposed to be increased by 20% in 2016

3643 A 20% increase is proposed for 2016, with fees increasing from \$80 to \$100/hr

3999 Transfer from parks based on \$17,000 historical budget for rink facilities. This includes \$2,000 for operations and maintenance; \$4,500 for Fuel; and \$10,500 for Utilities

3999 Refinancing the 2007 bonds will likely save \$13,000 per year in interest expense. Until the bonds are callable in 2017, the anticipated savings will be transferred from the Other Recreation Improvements Fund to support more aggressive maintenance efforts

Park and Recreation Sales Tax proceeds are split between pool, rink, trails, and other recreation improvements. Revenues over annual amounts necessary to fund debt service, and operations and maintenance are directed to department 54 "Parks and Recreation Other Improvements" per Ordinance #7, 2007:

Original allocations, until funding obligations met were:

Pool	51-1000	64.91%
Rink	52-1000	22.81%
Trails	53-1000	12.28%
	Total	<u>100.00%</u>

In lieu of debt service requirements for trails, \$80,000 will be committed on an annual basis for capital improvements, \$20,000 will be committed for operations and management costs, until \$1,000,000 commitment has been reached. This obligation has been met as of 2015. New projects will compete for Other Recreation Improvements dollars, as priority dictates.

**Comments:**

Due to potential fluctuations in operating costs for fuel and unexpected repairs, etc., the desired minimum cash reserve level should be eight percent (8%) of operating expenditures and the maximum should not exceed ten percent (10%). Excess cash reserves will be transferred to the General Fund as the General Fund purchases all fleet equipment and will be used for the replacement of a CAT dozer and a TYMCO street sweeper

**Compensation Philosophy**

The City of Gunnison recognizes that employees are critical to the success of our mission and goals. We must attract and retain competent, professional and results-oriented staff. Therefore, our total compensation system matches, within our ability to pay, other comparable governmental employers.

**Minimum Wage Increase:** The 2016 minimum wage increase for full-time regular employees is \$804. An attempt is made to offset any health insurance cost increases with this minimum increase. Any wage increases for employees who exceed their maximum salary range will be treated as a bonus wage (paid over the full year) and will not be added to their base wage for future wage calculations.

**Relevant Labor Market:** The City of Gunnison bases its relevant labor market on criteria that includes jurisdiction population, organization size (number of full-time equivalents), and budget size. This ensures the City is able to attract and retain quality employees by maintaining competitiveness with communities with whom the City competes with. For 2016, there are 37 comparable communities based on the above criteria. In addition, Gunnison County and Crested Butte data is utilized due to their proximity to the City of Gunnison. Salary survey data, gathered by the Colorado Municipal League, is used in most positions unless there are too few comparables. In which case, additional data may be gathered such as using all-Colorado data or other entities. All relevant salary data is used to determine the midpoint of the salary range for each position.

**Part-Time Wage Adjustments:** Part-time wage adjustments will be made annually, based on the overall market adjustment for regular employees (not including step increases based on merit).

**Years of Service:** Wage increases are determined by targeting the step that correlates to the years of service for the current position. Employees that are hired at steps above entry level are credited for those years of service when calculating the appropriate step. The difference between the minimum step and the maximum step is a 35% spread.

## Changes in Staffing Levels

In 2016, the budget includes an overall increase in Full-Time Equivalents (FTEs). The budget includes 4.74 more FTEs than the previous year's budget. An increase of 1.25 FTE was approved during the year in 2015, after adoption of the 2015 budget. The 4.41 FTE increase comes from the following departments in alphabetical order.

### **City Manager: -0.5**

Formerly, the City Manager employed interns with the "Best and the Brightest" internship program. This program, through University of Colorado Denver's Center for New Directions in Politics and Public Policy, partners small and/or rural governmental jurisdictions in Colorado with students seeking a Master's Degree in Political Science. The intern was budgeted for 1,040 hours annually, so the removal of this cost is a reduction of 0.5 FTE.

### **Information Technology: 1.0**

During 2015, a new System Administrator was hired to assist the City with the ever growing technology needs formerly provided through a contract for service.

### **Police Department: 2.25**

The 2015 budget originally contemplated combining the Parking Attendant with the new Victim Advocate position for a total of 0.75 FTE (0.5 FTE Victim Advocate and 0.25 Parking). That opportunity did not materialize as expected, so the Parking Attendant position was increased to 0.5 FTE to make the position marketable.

Additionally, the 2016 Budget includes a new position for a full-time Police Officer. This position was lost due to the recession in 2009 and the proposed duties will include the typical shift work and allow for departmental enforcement of new marijuana regulations including random walkthroughs of establishments.

Finally, a new full-time position for a Neighborhood Service Officer has been added to assist with animal violations, nuisance complaints, and parking violations. Currently, one officer is often consumed with the duties of evidence custodian and this additional FTE will allow for greater attention to these duties.

## **Public Works: 1.25**

The 2016 budget includes replacement of an electric lineman that was lost to attrition during the recessionary years. In addition to typical duties, anytime a lineman is on duty working energized voltages there must be at least one qualified person to assist. This is not possible on many occasions and safety for personnel and the public is a major concern.

Also, a part-time (0.75 FTE) Water Operator will be replaced with a full-time position. Several years of downsized staff makes scheduling very difficult. Appropriate staffing allows for proper response time and more immediate repairs to failed lines.

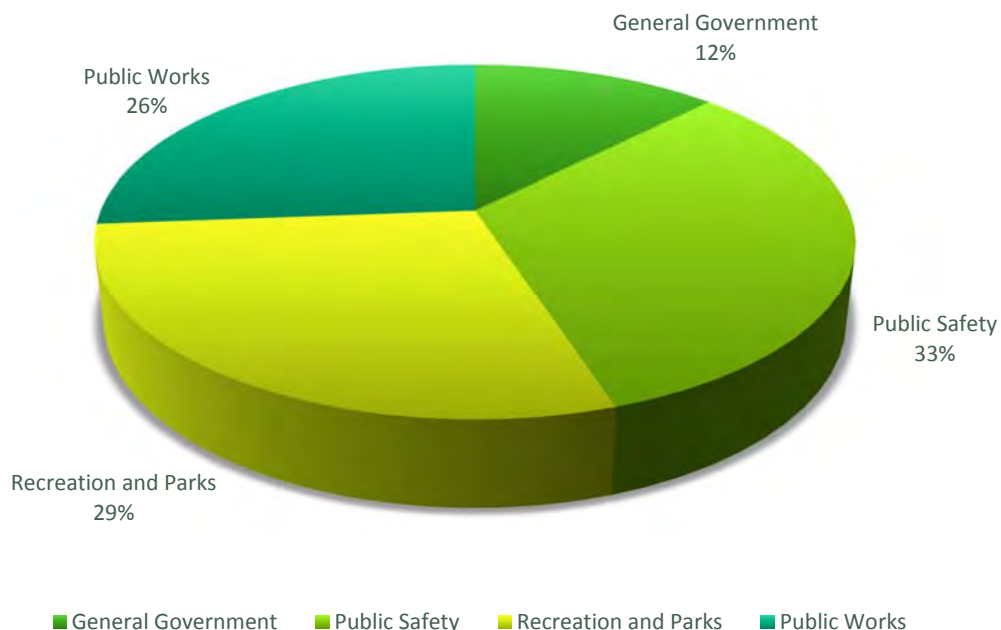

## **Parks and Recreation: 0.39**

The 2016 budget includes an increase of 0.25 FTE for the creation of a full-time Senior Lifeguard position, using existing life-guard hours. Hiring quality lifeguards and swim instructors who have certifications and possess teaching skills on a part time basis has been a challenge. Offering full-time status will increase the likelihood of retaining a quality guard and instructor. This also allows us to provide weekend and evening coverage from an employee who can provide management authority and leadership for our lifeguard and instructor crew.

50 hours have also been added to the Lazy K cost center to provide a minimal level of maintenance including weed control on the newly acquired property. This change is equivalent to a .02 FTE increase.

Finally, 300 hours were added to Parks temporary workers to allow for weekend pickup of trash in citywide parks. That change is an increase of .14 FTE.

## **Personnel Distribution**

## Capital Improvement Plan (CIP)

Each year, the City of Gunnison updates its Capital Improvement Plan (CIP), which identifies the City's capital needs for the next five years. The capital improvement process provides for the identification, reviewing, planning and budgeting of capital expenditures. The entire plan is available on the City's website at <http://www.cityofgunnison-co.gov/>

For the purposes of the Capital Improvement Plan process, capital is defined as follows: items that have a single acquisition cost of \$10,000 or more and a usable life of five (5) or more years. Project request forms are prepared for those items that can be clearly classified as major improvements, whereas routine maintenance or equipment replacements are included in the plan for resource planning purposes.

The Capital Improvement Plan is presented annually to the City Council. The first year of the package is referred to as the Capital Improvement Budget and is a list of projects for recommended implementation during the next fiscal year, while the subsequent four year period is referred to as the Capital Improvement Plan, which will be approved by the City Council in concept only. By adopting a CIP, the City adopts a statement of intent, not an appropriation of funding for projects contained within the plan. The CIP lists are updated annually as new needs become known and as priorities are changed. Therefore, it is entirely possible that a project with a low priority will remain in the Capital Improvement Plan longer than four years, as more important projects appear and move ahead for quick implementation. On the other hand, a project may be implemented sooner than originally planned due to changing priorities or funding availability.

This section includes the projects from the Capital Improvement Budget or projects from the Capital Improvement Plan that have been moved ahead for quick implementation or have been approved for appropriation in the current budget.

---

## Other Capital Expenditures Budget Requests

During the annual budget process, department directors are also afforded the opportunity to request additional capital expenditures for projects not included in the annual Capital Improvement Plan. These requests are intended for projects that cost more than \$5,000 and have a useful life of greater than one year. Requests for projects under \$10,000 do not need to be examined as thoroughly as those included in the CIP, as they often are for equipment replacement or routine maintenance. These requests may also include projects over \$10,000 that have become necessary since the adoption of the most recent Capital Improvement Plan.

## Capital Expenditures Summary

## Capital Expenditures by Fund

The following section discusses each project included in the current budget. The total cost is included as well as a list of funding sources. The narrative for each project discusses any significant impacts that capital improvements make on the annual operating budget.

### General Fund - \$641,869

#### City Council Strategic Plan Implementation - \$270,000

##### WEBSITE OVERHAUL - \$20,000

The current website is not enhanced for use on a mobile device. It also lacks the ability to search site content. A new website may allow for enhancements so that customers can subscribe to emergency notifications and updated content such as agendas and minutes. Other site enhancements may include online filling of forms, online citizen requests, etc.

**Funding Source(s):** General Fund

**Impact on Operating Budget:** Savings of \$500 per year when comparing support with existing Dreamweaver license

## Capital Expenditures

### **DOWNTOWN PARKING - \$250,000**

Two potential properties have been identified for potential acquisition to be used for downtown parking. The parcels are located within one block of the central business district and could be paved to allow for a greater amount of public parking.

**Funding Source(s):** *General Fund*

**Impact on Operating Budget:** *Annual maintenance with crack seal, etc. is expected to be around \$2,000 per year*

### **Information Technology - \$82,250**

#### **ANNUAL DESKTOP COMPUTER REPLACEMENT - \$9,750**

Purchase security and antivirus software and equipment to maintain security and reliability of the city computer network. The remaining money would be for the purchase of security software and hardware to maintain security and reliability of the City computer network. 2016 includes equipment for Community Development (6) and Public Works (5). The City practice has been to replace desktops and laptops at 4 years, which corresponds with most warranty programs. Key servers are replaced on a 4-year rotation again to meet warranty lengths. Used servers and computers in general are moved to less critical function and used until no longer serviceable. Beginning in 2008 the replacement schedule was modified to replace all desktop computers in a department at one time to prevent software conflicts.

**Funding Source(s):** *General Fund*

**Impact on Operating Budget:** *None, this request is a replacement of existing equipment.*

#### **EMAIL ARCHIVE - \$9,800**

This device captures all emails for archive and public records requests. System as priced includes 5-year replacement/support/software updates and cloud storage for backup.

**Funding Source(s):** *General Fund*

**Impact on Operating Budget:** *The 2016 purchase cost includes 5 years' hardware, software and mirrored cloud storage.*

#### **SECURITY AND PATCHING EQUIPMENT - \$12,250**

Lumension endpoint Management and Security Suite includes anti-virus, application white listing, and software update/patching including windows, adobe, chrome, etc. This will replace the current TrendMicro anti-virus software.

Email spam/virus filter: This system (hardware/software) is a device installed in our network to check e-mail for virus and if it is spam. this would replace the current TrendMicro cloud based system. System as priced includes 5-year replacement/support/software updates.

**Funding Source(s):** *General Fund*

**Impact on Operating Budget:** *Recurring annual maintenance costs \$3,250. This price is based on 80 computers and 10 servers.*

## Capital Expenditures

Application white listing is the best way to protect computers from zero day virus attacks that typical anti-virus software cannot respond to quick enough. Keeping computers current with security patches is critical to safe and secure computing. This system will give the IT Department insight into the patch status of every computer on the network and scheduled installation of third party software that currently requires someone to install; software included in this category include Adobe reader, flash player, Java, Chrome, and many others.

### **MICROSOFT LICENSING - \$27,000**

This is to bring our Microsoft licensing current as required by Microsoft. This will reduce software and services costs with rights to new software releases and cost-efficient upgrades. It will also improve operational efficiency through access to unique technologies and licensing rights, increase overall user productivity with instructor-led technical training and online end-user training, and maintain an available and responsive IT infrastructure with around-the-clock support.

**Funding Source(s):** General Fund

**Impact on Operating Budget:**  
*This is a 3-year contract (\$27,000/year), at the end of this contract we would go to a Software Assurance contract at a lower annual cost.*

### **NETWORK UPGRADE - \$23,450**

This project will include replacement of most network switches that are not HP, retaining the most recent HP switches purchased in the last couple of years and standardizing on the HP switch. During the replacement/installation the City network will be broken into segments (vLans) to partition network traffic to better manage how the traffic flows through the network. This would also segment off the public/guests from internal traffic and increase the number of physical devices we can put on the network.

**Funding Source(s):** General Fund

**Impact on Operating Budget:**  
*\$2,500 in annual maintenance costs.*

### **Police Department - \$75,500**

#### **PATROL VEHICLE - \$43,500**

Coupled with the approval of the request for a fifteenth uniformed patrol officer, this project includes the purchase of a sport utility vehicle for use in the patrol activity. The overall cost includes the installation of associated equipment including lights, cages, cameras, radar, etc.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:**  
*Since this is a new vehicle, annual charges to the Fleet Maintenance Fund will increase by approximately \$1,000 per year.*

## Capital Expenditures

### NEIGHBORHOOD SERVICES VEHICLE - \$32,000

This project is a scheduled replacement of a 2006 vehicle and includes the purchase of a compact pickup for use in the Neighborhood Services activity. The overall cost includes the installation of associated equipment including radio, decals, lights, etc.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

### Fire Department - \$62,000

#### FIRE MARSHAL TRUCK REPLACEMENT - \$50,000

This project is the scheduled replacement of Unit #25, a 2003 Chevrolet 1/2 ton 4x4. The request is for an F150 EcoBoost Ford Truck crew cab with a camper shell for hauling equipment. The truck should be able to haul the hazmat or equipment trailer.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

#### THERMAL IMAGING CAMERA - \$12,000

A thermal imaging camera is the way firefighters see inside a burning building. Our current thermal imager is 10 years old and no longer functioning reliably. Without a thermal imager firefighters are forced to function by sound and feel. With current fire loads of both residential and commercial occupancies, this translates to added seconds or minutes that victims would be without breathable air and which could lead to flashover which is not survivable by firefighters or victims.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** Replacement should be expected every 10 years.

There needs to be a thermal imager on each engine, ladder, rescue and officer vehicle. With the current GVFD fleet, this translates to 3.5 thermal imagers in the city and 4.5 in the district. Engine and ladder imagers will need to be top of the line as they will be operating in a high heat, low visibility environment. All other imagers will be able to be a lesser model as they will be used mostly for exterior functions. With the current agreement allowing city and district departments to work as one and share equipment, this should lower the needs by one imager each.

# Capital Expenditures

## Parks - \$152,119

### SNOWBLOWER ATTACHMENT - \$7,782

This request is for a snowblower to fit the Bobcat skid-steer 185. The specifications are for a SBX 240 72" snowblower, hydraulic driven with horizontal auger and power secondary. The old blower is worn out and must be fixed constantly. This piece of equipment is one of the most important items in the winter.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** There is no significant impact to the operating budget.

### TRENCHER ATTACHMENT - \$6,277

This request is for trencher to fit THE Bobcat skid-steer 185. The specifications are for a LT313 chain style trencher with side auger and 3ft "arm". The old trencher is almost completely worn out and throws the chain off consistently, which is unsafe to the operator. It is also bent and doesn't function properly. This is one of our most used pieces of equipment and one of our most valued, when working properly. The trencher is used in all park areas for irrigation and electric installations, breaking ice drainages in winter etc.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** There is no significant impact to the operating budget.

### SKATE PARK LIGHTING - \$80,000

The Skateboard Park currently does not have a lighting system. The proposed lighting system will be delivered in five pieces which are: Pre-Cast concrete bases, galvanized steel poles, UL listed remote electrical component enclosures, pole length wire harnesses, and factory-aimed and assembled luminaries. This system also includes energy saving, decreased lighting spill/pollution, and a warranty that eliminates 100% of our maintenance costs for 25 years including labor and materials. The newly renovated skate park has been extremely well utilized and we have heard from community members that they would like to see a lighting system for the park so they can skate at night. Having a lit skate park will also make it safer for users especially in the early evening.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** \$1,500 annually in utility costs

### SOFTBALL COMPLEX CHAIN LINK FENCE - \$26,060

This project involves replacing the chain link from the backstop to the foul poles on all three fields at the Jorgensen Softball Complex.

**Funding Source(s):** General Fund – Capital Requirement

**Impact on Operating Budget:** There is no significant impact to the operating budget.

- 360' of 6' fence @ \$17/ft =	\$6,120
- 920' of 4' fence @ \$14.50/ft =	\$13,340
- 6 walk gates @ \$200 each =	\$1,200
- 6 drive gates @ \$400 each =	\$2,400
- 6 dugout enclosures @ \$500 each =	<u>\$3,000</u>
- Total Fencing =	\$26,060

The existing chain link is the original fencing from 1983. The fabric is bent and bowed to a point where balls can roll under the fence. The softball complex is heavily utilized by locals,

## Capital Expenditures

Western State Colorado University Intramurals, and plays host to many games with out of town teams and annual tournaments.

### **UNIT #81-2006 JOHN DEERE 1200A- \$12,000**

This request is for the scheduled replacement of a 2006 John Deere that is on a 10-year replacement cycle.

**Funding Source(s):** *General Fund – Capital Requirement*

**Impact on Operating Budget:**  
*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

### **UNIT #149-2000 JOHN DEERE ZERO TURN MOWER- \$20,000**

This request is for the scheduled replacement of a 2000 John Deere that is on an 8-year replacement cycle.

**Funding Source(s):** *General Fund – Capital Requirement*

**Impact on Operating Budget:**  
*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

---

### **Fleet Maintenance Fund - \$40,000**

### **UNIT #10-1992 CHEVROLET 3/4 T 4X4 REPLACEMENT - \$40,000**

This request is for the scheduled replacement of a 1992 vehicle used for plowing and parks.

**Funding Source(s):** *General Fund (transfer) – Capital Requirement*

**Impact on Operating Budget:**  
*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

### Electric Fund - \$136,000

---

#### **BUCKET TRUCK REPLACEMENT - \$125,000**

The 2007 Ford F550 Small Bucket Truck (Unit 90) needs to be replaced as it is on a 9-year replacement cycle.

***Funding Source(s):***

*\$100,000 electric user fees  
\$25,000 sale of fixed assets*

***Impact on Operating Budget:***

*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

#### **GUNNISON MAIN SUB-STATION INSULATORS - \$11,000**

The insulators on the Gunnison main substation need to be replaced.

***Funding Source(s):***

*Electric user fees*

***Impact on Operating Budget:***

*None*

### Water Fund - \$175,000

---

#### **VAC TRUCK REPLACEMENT - \$175,000**

The cost of this replacement is shared with the sewer fund 50%. The current jet-vac truck is 10 years old and is reaching the end of its useful life.

***Funding Source(s):***

*50% water user fees  
50% sewer user fees*

***Impact on Operating Budget:***

*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

## Ditch Fund - \$470,292

### RIVER RESTORATION PROJECT - \$470,292

This project focuses on improvement of riparian and fishery habitat; improvement of agricultural water rights diversion structures; improvement of recreational opportunities; and protection of the municipal aquifer recharge area on a 3.59-mile reach of the Gunnison River adjacent to the city of Gunnison. The six segments in the project each have specific impairments related to agricultural diversions; recreation uses; fisheries and riparian habitat; and, flood attenuation.

Any proposed alterations of the fluvial system will be critically assessed to ensure that flood hazards to adjacent properties do not increase. According to the Upper Gunnison River Riparian Assessment, 2010, "The primary impact to riparian zones [in agriculturally dominated areas] is from maintenance of diversion structures." The project will have no adverse effect on any existing water rights as recognized by the State Constitution and will assist water right owners with improvements and in some cases, relocation, of water diversion structures to reduce maintenance and the impact to the habitat.

#### **Funding Source(s):**

*\$402,752 Colorado Water Conservation Board*

*\$45,540 Colorado River Basin Roundtable*

*\$16,000 Mineral Leasing*

*\$6,000 Trout Unlimited*

#### **Impact on Operating Budget:**

*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

---

## Sewer Fund - \$275,000

### VAC TRUCK REPLACEMENT - \$175,000

The cost of this replacement is shared with the sewer fund 50%. The current jet-vac truck is 10 years old and is reaching the end of its useful life.

#### **Funding Source(s):**

*50% water user fees*

*50% sewer user fees*

#### **Impact on Operating Budget:**

*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

### INFLOW/INFILTRATION REDUCTION - \$100,000

Slip lining is being performed on many collection lines to extend the useful life of the mains and connectors. Tree roots, decay and other damage causes irrigation water, storm water and other sources of infiltration to increase the effluent that has to be treated at the wastewater treatment plant.

#### **Funding Source(s):**

*Sewer user fees*

#### **Impact on Operating Budget:**

*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

## Refuse Fund - \$425,000

### RECYCLING STORAGE BUILDING - \$150,000

Once the old City shop building has been demolished, a storage area is required to contain electronics recycling products. If televisions and similar equipment are broken, they contain hazardous materials which must be properly stored. The building would also provide storage for the recycle truck (which is currently stored in the old shop which is scheduled for demolition) and refuse trucks.

#### **Funding Source(s):**

*Refuse user fees*

#### **Impact on Operating Budget:**

*The building will be constructed in a manner to minimize annual maintenance and will not be heated.*

### REFUSE TRUCK - \$275,000

This request is for the purchase of a replacement of the current automated refuse truck, which was purchased in 2001 and is now reaching fifteen years old.

#### **Funding Source(s):**

*\$270,000 refuse user fees  
\$5,000 sale of fixed assets*

#### **Impact on Operating Budget:**

*None-this request is to replace the vehicle for a similar vehicle that performs a similar function.*

## Community Center Fund - \$16,832

### POOL COVERS - \$16,832

Both lap and leisure pool covers need to be replaced within the next year or two as our current covers are aging and approaching the 4-6 year expected life limit for indoor pool covers. Due to constant use, the pool's corrosive environment and their age, our 5-year-old covers are falling apart and difficult to manage when putting on and taking off of the pools. We have purchased replacement straps and handles, but the covers integrity is diminishing with time.

#### **Funding Source(s):**

*Recreation memberships*

#### **Impact on Operating Budget:**

*Covering a pool when it is not in use is the single most effective means of reducing pool heating costs and helps reduce chemical costs. Savings of 50%–70% are possible. It is estimated that the payback of the pool covers would be within 18-24 months.*

### **DOG PARK - \$60,000**

The property south of Jorgenson Park was acquired in 2014. Fencing improvements totaling \$25,000 are planned for 2015. Other improvements include various features common to dog parks, include a pavilion, play structures and a bridge to access the southern portion of the park from the ball fields. Supporting infrastructure amenities include the improvements listed above, to provide a functional space for unleashed dog access.

#### ***Funding Source(s):***

*\$20,000 Parks and Recreation sales tax*

*\$40,000 Great Outdoors Colorado Grant*

#### ***Impact on Operating Budget:***

*Annual maintenance for the park amenities will be approximately \$2,000 per year.*

## City Charter

Article VII of the City of Gunnison Municipal Home Rule Charter contains the following policies related to City Finances:

**Section 7.1 Fiscal Year:** The fiscal year of the City of Gunnison, and all of its agencies, shall begin on the first day of January, and end on the thirty-first day of December of each year.

**Section 7.2 Annual Budget:** The City Manager shall present a proposed budget for the ensuing fiscal year to the Council, together with a budget message, on or before October fifteenth of each year.

**Section 7.3 Budget Hearings:** The Council shall hold a public hearing on the proposed budget on or before November fifteenth of each year. Notice of the time and place of such hearing shall be published at least once five days or more prior to such hearings, and a copy of the proposed budget shall be made available for inspection by the public, by depositing it in the office of the Director of Finance.

The Council may at any time before final adoption of the budget, increase, or decrease, add or strike out any item in it.

**Section 7.4 Scope of Annual Budget:** The budget adopted by the Council shall contain:

- A. An estimate of the anticipated revenue of the city other than the tax levy for the ensuing year;
- B. An estimate of the General Fund cash surplus at the end of the current fiscal year, or of the deficit to be made up by appropriation;
- C. The estimated expenditures necessary for the operation of the several departments, offices, and agencies of the City;
- D. Debt service requirements for the ensuing fiscal year;
- E. The amount to be set aside for the public improvements fund, together with a schedule showing all recommended public improvement expenditures during the ensuing five years.
- F. An estimate of the sum required to be raised by the tax levy for the ensuing fiscal year, and the rate of levy necessary to produce such sum based on the percentage of current levy collection experience during the three preceding fiscal years;
- G. A balance between the total estimated expenditures, including any deficit to be met, and monies set aside for public improvements and total anticipated revenue, plus any surplus. All estimates shall be in detail showing revenues by source, and detailed expenditures by organizational units, activities, character and object.

## Financial Policies

**Section 7.5 Adoption of Budget and Appropriations:** Not later than December fifteenth of each year, the Council shall adopt on final reading an ordinance for the budget and an ordinance of the annual appropriations. When finally adopted, the budget shall become a public record and sufficient copies shall be deposited with the Director of Finance to insure adequate circulation.

**Section 7.6 Certification of Tax Levy:** Not later than December fifteenth of each year, or such other date required by law the Council shall fix the amount of tax levy which shall be assessed upon each dollar of assessed valuation of all taxable property within the corporate limits of the City of Gunnison, and shall cause the same to be certified to the Board of County Commissioners of the County of Gunnison as required by law. If the council should fail in any year to make such levy as above provided, the rate last fixed shall be the rate for the ensuing fiscal year, which rate shall be levied as by law provided.

**Section 7.7 General Fund:** There is hereby established a fund to be known as the General Fund. All revenues not specifically allocated to any other fund shall be placed in the General Fund. All general functions of the City shall be financed by expenditures from the General Fund. The General Fund may contain an item for contingencies. Except in those cases where there is no logical account to which an expenditure can be charged, expenditure shall not be charged directly to contingencies, but instead, the necessary part of the appropriation for contingencies shall be transferred to the logical account and the expenditure charged to such account. No such transfer shall be made without the express approval of the Council, and then only for expenditures which could not be readily foreseen at the time the budget was adopted.

**Section 7.8 Public Improvements Fund:** There is hereby established a fund to be known as the Public Improvements Fund for the purpose of paying the cost of capital improvements not specifically chargeable to other funds. The Council shall have the power to define the rules and regulations pertaining to such funds by ordinance, and shall have power to transfer from time to time monies from the General Fund to the Public Improvements Fund. Appropriations for construction or other permanent Improvements from the Public Improvements Fund shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned; unencumbered balances from projects accomplished or abandoned shall be deposited in any bond sinking fund wherein the faith and credit of the City was pledged, and the same used for payment of such outstanding bond indebtedness of the City, or if none, to any other fund. Any appropriated or unencumbered balance in the Public Improvements Fund may be transferred by the Council to any fund, or used to pay outstanding bonded indebtedness of the City.

**Section 7.9 Special Funds:** Additional funds which shall be known as special funds shall be created by ordinance to provide for monies to be held or used for special purposes such as: depreciation and obsolescence, debt service, equipment and building replacement, special services, local improvements, city-owned utilities, trust funds and endowments, and such other purposes as the Council may determine.

**Section 7.10 Transfer of Funds:** The City Manager may at any time transfer any unencumbered appropriation balance, or portion thereof, from one classification of expenditure to another within the same department, office, or agency. Report of any such transfer shall be made to the Council. The Council may, by resolution, transfer any unencumbered appropriation balance or portion thereof from one department, office, or

## Financial Policies

agency to another. The Council may also by resolution, transfer any excess earnings of any City-owned utility to the General Fund of the City without establishing a liability for the same.

**Section 7.11 Additional Appropriations:** The Council may make additional appropriations by ordinance during the fiscal year for unanticipated expenditures required of the City, but such additional appropriations shall not exceed the amount by which actual and anticipated revenues of the year are exceeding the revenues as estimated in the budget, unless the appropriations are necessary to relieve an emergency endangering the public health, peace or safety.

**Section 7.12 Departmental Appropriations Revert:** Any annual departmental appropriation, or any portion thereof, remaining unexpended and unencumbered at the close of the fiscal year, shall revert to the respective fund.

**Section 7.13 Expenditures Forbidden:** No expenditures shall be made for any charitable or benevolent purposes to any person, corporation, or organization not under the control of the City, nor to any denominational or sectarian institution or association.

**Section 7.14 Audit of Accounts:** An independent audit shall be made annually of all financial affairs of the City, and more frequent audits may be made if deemed necessary by the Council. Such audits shall be made by certified public accountants, experienced in municipal accounting, selected by the Council.

### Purchasing Policy

Chapter 2.2 of Title 2 of the City of Gunnison Code contains the following policies related to purchasing:

**2.20.010 Purpose.** The purpose of these policies and procedures is to provide for the fair and impartial treatment of all persons involved in public purchasing by the city of Gunnison. The intent is to maximize the purchasing value of public funds. It is also intended to encourage effective economic competition while providing safeguards for maintaining a purchasing system with quality and integrity. (Ord. 10-1999 § 1; Code 1997 § 2-2-1).

**2.20.020 Goals and objectives.** The following goals and objectives are intended to be minimum standards which shall apply to the city of Gunnison's purchase of goods and services:

- A. Comply with the State of Colorado Revised Statutes, as amended.
- B. Purchase for the city the best economic advantage, while maintaining the highest quality of services and goods necessary to accomplish the functions of municipal government.
- C. Provide a uniform procedure for the purchase of materials, equipment, and services.
- D. Consolidate purchases to achieve maximum economic benefits, wherever possible.
- E. Purchase goods and services from local vendors, using local preference as stated in GMC 2.20.170, when their goods and services are economically competitive and their quality is comparable to other goods and services.

## Financial Policies

F. Require all vendors and other suppliers to fulfill all terms and conditions of contracts and purchase orders.

G. Secure all applicable federal and state tax exemptions appropriate to purchases or contracts for services.

H. Assure applicability to all city departments, including elected offices. (Ord. 8-2014; Ord. 10-1999 § 1; Code 1997 § 2-2-2).

**2.20.030 Responsibility.** The city manager shall be the purchasing agent for all departments, offices, and divisions of the city, as specified in the City of Gunnison Municipal Home Rule Charter. The city manager may recommend such further written procedures as are necessary to implement the policies stated herein.

Authority to Purchase. The following personnel will have the authority to purchase for the city of Gunnison:

A. The city manager, in cooperation with the director of finance, are hereby designated as the monitoring agents for the acquisition of goods and services, in accordance with the budget approved by the city council. The city manager may choose to further delegate purchasing authority.

B. City council, the city manager, designated department head or their designee must approve and sign the following types of contracts, regardless of the dollar amount:

1. Multi-year contracts of any nature;
2. Challenge grant and continuing challenge grant contracts;
3. Youth challenge grant contracts;
4. Contracts for service;
5. Real estate purchase contracts;
6. Contracts relating to the sale of bulk utilities, other than normal retail transactions;
7. Purchase of goods or services over \$50,000.

C. Notwithstanding the provisions of Section 7.10 of the City of Gunnison Municipal Home Rule Charter, the city manager shall consult with the city council before making a purchase that is beyond the scope and intent of the budget approved by the city council. (Ord. 8-2014; Ord. 7-2006 § 1; Ord. 10-1999 § 1; Code 1997 § 2-2-3).

**2.20.040 Ethical relationships with vendors and suppliers.** All city personnel are obligated to establish and maintain ethical relationships with all vendors or suppliers of city goods and services. Acceptance or solicitation of entertainment, loans, gifts, or special consideration from vendors or suppliers for personal benefit by city personnel is prohibited. (See Section 8.12 of the city of Gunnison employee handbook.) The following are examples of unacceptable city employee relationships with vendors or suppliers. The list is not

## Financial Policies

intended to be all-inclusive. City employees must also consider the appearance of fairness and propriety in their relationships with city vendors or suppliers.

A. Seeking or accepting directly from any persons, partnerships, corporations, or other business entities or representatives which are doing or seeking to do business with the city of Gunnison, services, cash or loans, vacations or pleasure trips, or any gifts exceeding the value of \$50.00.

B. Knowingly over- or underestimating the requirements of this policy and/or bids or failing to disclose the existing requirements in order to avoid doing business with a particular vendor or supplier.

C. Misrepresenting competitors' prices, quality, or services in order to obtain concessions from vendors or suppliers.

D. Having personal investments in any business entity which will create a substantial conflict between private interests and public duties when the city of Gunnison employee is involved in making a particular purchasing decision.

Inexpensive advertising items bearing the name of a vendor, such as pens, pencils, paper weights, cups, caps, candy, calendars, etc., are not considered articles of value or gifts in relation to this policy. (Ord. 8- 2014; Ord. 10-1999 § 1; Code 1997 § 2-2-4).

**2.20.050 Petty cash.** Shipping charges, postage fees, and laundry expenses for the animal shelter are regular allowable purchase reimbursements through petty cash. All other expenses must be reimbursed through the weekly accounts payable voucher system. Specific exceptions may be made with the approval of the finance director only.

The following accounts are provided in order to reduce the need for petty cash:

A. Courier Services.

1. Available to all city departments for air services including next-day and second-day air. Some preprinted forms are available in the City Hall mail room. Packages may be arranged for pickup or taken to a local drop. A current list of local drops is available in the finance department. Some additional charges may apply.
2. Ground service by some vendors must be paid through petty cash.

B. Food purchase charge accounts are available to all city departments at many food-vending businesses within the city limits. A list of businesses with charge accounts is available in the finance department. City employees should call ahead to businesses to verify charging approval. The accounts payable personnel can verify approval when requested. (Ord. 10-1999 § 1; Code 1997 § 2-2-5).

**2.20.060 Purchase orders.** A purchase order is a contract to purchase goods or services from a specific vendor, and should be treated as such. The city of Gunnison does not require a purchase order unless specifically requested by a vendor. Procedure:

A. A purchase order is initiated by a purchase requisition. All purchase requisitions must include the following:

## Financial Policies

1. Requisition date;
2. Item to be purchased (including item number, quantity, and description);
3. Account number to be charged;
4. Amount – projected cost of purchase;
5. Shipping costs; and
6. Authorized signature.

B. After the purchase requisition is completed, approved and signed by the department head or designee, a purchase order will be prepared by the purchasing agent or designee. The city manager and finance director, or their designees, will check the purchase order and attached purchase requisition for completeness and sign the purchase order. The purchase order copies are then distributed to the appropriate departments. One copy is kept in the purchase order file. It is the responsibility of the department to keep the original purchase order documentation and administer the purchase (mail hard copy to vendor, acknowledge receipt, accept invoice and process interim and final payments). (Ord. 10-1999 § 1; Code 1997 § 2-2-6).

**2.20.070 Cooperative purchasing.** This is the process of bidding like requirements with other governmental entities to purchase in quantities. This practice may sometimes be beneficial for all entities involved as it may result in lower per-unit costs, while still assuring bid requirements are met. When cooperative bidding is done, each entity shall supply its own requirements; however, one entity shall be chosen to administer the bid process. Bid awards are to be determined either on an individual basis or as a total, whichever is the most cost-effective to all bidders.

In accordance with Section 11.6 of the City of Gunnison Municipal Home Rule Charter, the council may, by resolution or by ordinance, enter into contracts or agreements with other governmental units or special districts for the use of buildings, equipment, or facilities, and for furnishing or receiving commodities or services. (Ord. 10-1999 § 1; Code 1997 § 2-2-7).

**2.20.080 State bid awards.** State bid awards made by the Purchasing Division of the state of Colorado are available for use by local government agencies to purchase goods and services at a reduced price due to quantity discounts. Using the state bid awards does not require the bidding process by individual entities. (Ord. 10-1999 § 1; Code 1997 § 2-2-8).

**2.20.090 Bulk purchasing.** Whenever feasible, purchasing shall be done in bulk in order to take full advantage of discounts. Departments shall be responsible for anticipating needs in a timely fashion in order to consolidate and expedite purchasing of the same type of supplies or contracts. (Ord. 10-1999 § 1; Code 1997 § 2-2-9).

**2.20.100 Emergency purchasing.** The city manager, or designee, subject to review by the city council, shall have the right to make emergency purchases in excess of the limits of this policy and without using the aforementioned procedures when there exists a threat to public health, welfare, or safety under emergency circumstances. The purchasing agent for the city should still secure, by informal bid procedure, at the "best value," any such

## Financial Policies

materials, supplies, equipment or services. Such informal bid procedures shall, to the extent possible, consist of obtaining quotes either by telephone, in writing, or by electronic transmission from at least three suppliers of the product or service to be purchased. A written determination of the basis for the emergency shall accompany the purchase order or voucher. (Ord. 10-1999 § 1; Code 1997 § 2-2-10).

**2.20.110 Formal purchase procedure.** The city manager, or designee, acting as the purchasing officer for the city of Gunnison, shall follow the procedures set forth in this section to call for competitive bids for all formal purchases of tangible goods, services and supplies for the city of Gunnison.

A. The city manager, or designee, shall require a request for bid be published at least one time in a newspaper of legal record in the city of Gunnison. The publication of the invitation to bid shall not be less than 10 days prior to the date set for the official bid opening. The invitation to bid shall contain the following information:

1. A description of the work to be performed or the product to be purchased;
2. The location where copies of plans, specifications, and other bid documents may be examined and/or obtained;
3. The time and place where bids will be received and opened;
4. A statement that the city reserves the right to reject any and all bids that are not in the best interest of the city of Gunnison.

B. Before submitting a bid, an applicant shall be responsible for the following:

1. A thorough examination of the bid documents and requirements;
2. An inspection of the project site in order to be familiar with the local conditions that may in any manner affect cost, progress, or performance of the work;
3. Familiarization with federal, state, and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, or performance of the work.

C. The city reserves the right to reject any and all bids, and the right to disregard all nonconforming, nonresponsive or conditional bids. If conflicts arise between the provisions of the text and any table, illustration, graphic depiction, or number or calculation, the provisions of the text shall apply. In the event that all bids exceed the funds allocated in the city of Gunnison's budget, the city reserves the right to reduce the scope of work or reject all bids. The city may negotiate with the lowest responsible bidder to reduce the scope of work as required to conform to the funds available. Entering into negotiations does not guarantee the subsequent award of the bid.

D. The city shall conduct such investigations as deemed necessary to assist in the evaluation of any bid and to establish the responsibility, qualifications and financial ability of the bidders, proposed subcontractors and other persons and organizations to do the work in accordance with the contract documents to the city's satisfaction within the contract time. The city reserves the right to reject the bid of any bidder who does not pass any such

## Financial Policies

evaluation to the city's satisfaction. If the contract is awarded, it will be awarded to the bidder who, by evaluation, the city determines will best meet the city's interest.

E. The city may consider the qualifications and experience of the subcontractors and other persons and organizations (including those who are to furnish the principal items of material or equipment) identified for any portion of the work. Operating costs, maintenance considerations, performance data and guarantees of time, materials and equipment may also be considered by the city. (Ord. 8-2014; Ord. 7-2006 §§ 2, 3; Ord. 10-1999 § 1; Code 1997 § 2-2-11).

**2.20.120 Disqualification of bids.** Failure to complete the bid form or to meet the requirements identified in the bid specifications shall constitute grounds for the rejection or disqualification of a bid. A bid will not be accepted from, nor shall a contract be awarded to, any person, firm, or corporation that is in arrears to the city of Gunnison upon debt or contract, or that is a defaulter on surety or otherwise upon any obligation to the city. Bidders may be required to submit satisfactory evidence that they have a practical knowledge of the project and that they have the necessary financial resources to complete the proposed work. (Ord. 10-1999 § 1; Code 1997 § 2-2-12).

**2.20.130 Bid openings.** Bids shall be opened in the presence of one or more witnesses and read aloud at the time and place stated in the invitation to bid. All bid openings shall be open to the public. Bidders, their representatives, and other interested parties are encouraged to attend the bid opening. Bids not submitted by the required deadline are ineligible for consideration and will not be opened. (Ord. 10-1999 § 1; Code 1997 § 2-2-13).

**2.20.140 Award of contract.** The city shall issue a notice of award (verbal or written) to the successful bidder within a reasonable time frame following the bid opening. Failure to enter into a contract with the city within a specified time frame shall be just cause for annulment of the award, and forfeiture of the bid guaranty (if applicable). The award of the contract may then be made to the next higher and qualified bidder in the same manner as previously prescribed. (Ord. 10-1999 § 1; Code 1997 § 2-2-14).

**2.20.150 Bids for construction contracts of \$50,000 and over.** The bid procedure for construction contracts equal to or greater than \$50,000 shall be the same as set forth for purchase of tangible goods, services, and supplies in this chapter except:

A. When contracting with a consulting or engineering firm for construction projects, said consulting or engineering firm shall be responsible for preparation of the invitation to bid and bid specifications and contracts.

B. All invitations to bid for construction contracts in any amount greater than \$100,000 shall include requirements for bid security. Bid security shall be a bond provided by a surety company authorized to do business in the state of Colorado. Bid security shall be in an amount that covers 100 percent of the estimated project cost.

C. Following a sufficient period of time for review and inspection by city staff, all bids for a construction contract of \$50,000 and over shall be awarded by the city council at a regular meeting or at a special meeting called for such approval, authorizing the mayor, mayor pro tem, city manager or designated department head to sign said contract. (Ord. 8-2014; Ord. 7-2006 § 4; Ord. 10-1999 § 1; Code 1997 § 2-2-15).

## Financial Policies

### **2.20.160 Requirements for informal and formal bids per purchase.**

An informal written bid shall be a firm written price or quote for specific goods or services, which is valid for no less than 30 days. Electronically transmitted bids are acceptable.
2. Authorization: department level.
3. Contracts for Service. If the service is being provided on city property, the contract shall include provisions for appropriate insurance coverage.

#### D. Between \$10,000 and \$49,999.

1. Formal Purchase. Formal sealed bids shall be required. Request for bids shall be advertised in a newspaper of legal record a minimum of 10 days prior to the date set forth for bid opening.
2. Authorization: city manager approval.
3. Contracts for Service. If the service is being provided on city property, the contract shall include provisions for appropriate insurance coverage.

#### E. \$50,000 and Over.

1. Formal Purchase. Formal sealed bids are required. Request for bids shall be advertised in a legal newspaper of record a minimum of 10 days prior to the date set forth for bid opening.
2. Authorization: city council approval.

## Financial Policies

3. Contracts for Service. If the service is being provided on city property, the contract shall include provisions for appropriate insurance coverage. (Ord. 7-2006 § 5; Ord. 10-1999 § 1; Code 1997 § 2-2-16).

**2.20.170 Local preference.** It is the intention of the city of Gunnison whenever possible to use, without significant additional cost to the taxpayers, local businesses for the purchase of goods and supplies and all general services. The city intends to give local businesses an advantage in the bidding process so that funds received from such contracts will be spent by the employees of local businesses in the local economy. For the purposes of this policy, a "local business" shall be defined as any business located or based in Gunnison County. If a purchase is equal to or less than \$250,000, a local business shall be awarded a contract if its bid is within 10 percent of the lowest responsible bidder who does not have the local business designation. If a purchase is more than \$250,000, a local business shall be awarded a contract if its bid is within three percent of the lowest responsible bidder who does not have the local business designation. In the event that the two lowest responsible bidders each have a local business designation, the lowest responsible bidder shall be awarded the contract. (Ord. 5-2009; Ord. 10-1999 § 1; Code 1997 § 2-2-17).

**2.20.180 Formal/informal bid exceptions.** The following shall be exempt from formal or informal bidding:

- A. Purchases from federal, state or other local government units;
- B. Purchases made through other governmental entities as may be authorized by ordinance or statute;
- C. Single vendor availability;
- D. Equipment repairs; and
- E. Purchases where use of any other than specific vendors would result in incompatible component parts or would otherwise disrupt or impair services being provided. (Ord. 10-1999 § 1; Code 1997 § 2-2- 18).

**2.20.190 Authority to debar or suspend.** After reasonable notice to the person involved and reasonable opportunity for that person to be heard, the city manager or designee, after the approval of the city council, is authorized to debar a person for cause from consideration for award of contracts. The debarment shall be for a period of not more than three years. After the approval of the city council, the city manager is authorized to suspend a person from consideration for award of contracts if there is probable cause to believe that the person has engaged in any activity which might lead to debarment. The suspension shall be for a period not to exceed three months. The causes for disbarment include:

- A. Conviction or commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract or in the performance of such contract or subcontract;
- B. Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or any other offense indicating a lack of business integrity or business honesty which currently, seriously and directly affects responsibility as a city contractor;

## Financial Policies

C. Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals;

D. Violation of contract provisions, as set forth below, of a character which is regarded by the city manager to be so serious as to justify debarment action:

1. Deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract;
2. A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for debarment.

E. After approval of a debarment or suspension by the city council, the city manager shall issue a written order to debar or suspend, which order shall be immediately mailed, by first class mail, or personally delivered to the debarred or suspended person. The order shall state the reasons for the action taken. (Ord. 10-1999 § 1; Code 1997 § 2-2-19).

### **Fund Balance Policy**

The following Fund Balance (Cash Reserve) Policy was adopted by City Council on January 12, 2016:

#### **Purpose**

It is essential that the City of Gunnison maintain adequate levels of fund balance to mitigate current and future risks (e.g. revenue shortfalls and unanticipated expenditures), meet emergency obligations, avoid interruptions in cash flow, generate interest income, and maintain a sound bond rating. Fund balance levels are an important consideration in long-term financial planning and credit agencies carefully monitor levels of funds to evaluate a government's continued creditworthiness. This policy establishes appropriate levels of reserves, or Fund Balance, for each fund within the City's operations, recognizing the unique needs and differing situations for the various funds.

- Each fund should maintain a fund balance at a level that will provide for a positive cash balance throughout the fiscal year, which will reduce the likelihood of having to enter into short-term debt to pay for current operating expenditures.
- Adequate fund balances will be maintained so major unplanned occurrences will not jeopardize the financial position of the City.
- Fund balance may be used as appropriate (and approved by the City Council) under sound management practices when current revenues are not adequate to cover current expenditures.

#### **Fund Balance**

For the purposes of this policy, Fund Balance is defined as accumulated revenues over expenditures that may be appropriated for use by City Council. More specifically, Fund Balance is associated with the current financial measurement focus as measured during budget development. Available resources (current assets minus current liabilities) will be used to calculate adherence to the below policy statement. Within the Fund Balance, specific reserves have been set aside as prescribed by this Reserve Policy. Excluding the

# Financial Policies

TABOR or other reserves imposed by law or otherwise restricted due to contractual obligations, the reserves may be adjusted depending on current city financial conditions. It is the policy of the City Council to ensure the fiscal health of the community against unforeseen circumstances by maintaining reserves at sufficient levels for operations to continue.

## GOVERNMENTAL FUNDS

### General Fund

- Because of the City's dependence on sales tax revenue in a tourism-based economy, a cautious approach to managing fund balance reserves is warranted.
- **Unrestricted Fund Balance**  
Unrestricted fund balance comprises the committed, assigned, and unassigned fund balance categories. Within the unrestricted fund balance, the unassigned reserves should be a minimum of thirty-three percent (33%) of approved General Fund operating expenditures (excludes capital projects and transfers). Within the unrestricted fund balance, unassigned reserves should not exceed forty percent (40%) of approved General Fund operating expenditures. Council may authorize, through long-term financial planning and budget processes, the transfer of excess unassigned reserves to assigned or committed reserves for a designated future capital expense.
- **Exceptions**  
The City Council may exempt the following expenditures from the above and foregoing minimum and maximum thresholds for unassigned reserves:
  - *Pass-through Expenditures to Another Entity* – Pass-through expenditures for another entity wherein such expenditures are automatically adjusted depending on fluctuations in a specific revenue stream due to legislation or contract terms.
  - *Transfers to Other Funds* – One-time, non-operational transfers to other budgetary funds within the City of Gunnison.
  - *One-Time Expenditures* – Capital expenditures or specific one-time expenditures as identified by the City Council.
- **Restricted Fund Balance - TABOR Reserve**  
Article X, Section 20 of the Colorado Constitution requires a three percent (3%) reserve for emergencies. The use of this reserve is restricted to the purpose for which it was established and can be used solely for declared emergencies, which excludes financial emergencies.

### Special Revenue Funds (Conservation Trust and Ditches)

- In general, no minimum reserve is required.
- The desired minimum reserve should be the subsequent year's annual operating expenditures (unassigned reserves should exceed one-hundred (100%) of approved operating expenditures). This would allow for one budget cycle to determine funding of expenditures if the single revenue source were discontinued.

## PROPRIETARY FUNDS

### Enterprise Fund

- **Electric Division** – due to the critical equipment in the electric substations, the desired reserve level is \$1,000,000.

# Financial Policies

- **Water Division** – due to the critical needs of water storage tanks, the desired reserve level is \$1,000,000.
- **Sewer Division** – due to the critical operations of the wastewater treatment plant, the desired reserve level is \$1,000,000.
- **Refuse Division** – due to the critical operations of collecting trash, the desired reserve level is \$300,000.
- **Communications Division** – due to the critical operations of emergency dispatching, the reserve level is 15% of total expenditures. The desired reserve level is 25% of total expenditures.
- **Recreation Division**
  - **Pool**
    - i. The minimum reserve is the amount required by bond covenants.
    - ii. In addition, it is recommended that \$250,000 also be reserved for equipment replacement and building expansion.
  - **Rink**
    - i. The minimum reserve is the amount required by bond covenants.
    - ii. In addition, it is recommended that \$100,000 also be reserved for equipment replacement.
  - **Trails**
    - i. No minimum reserve is required.
    - ii. It is recommended that \$35,000 be reserved for equipment replacement.
  - **Other Recreation Improvements**
    - i. No minimum reserve is required.

## Internal Service Fund (Fleet)

- In general, no minimum reserve is required.
- Due to potential fluctuations in operating costs for fuel and unexpected repairs, etc., the desired minimum reserve level should be eight percent (8%) of operating expenditures and the maximum should not exceed ten percent (10%).
- These limits should provide adequate funding for emergency replacement of equipment located within the fleet shop.

## **Basis of Budgeting and Accounting**

The basis of accounting for governmental funds is modified accrual. The basis of budgeting for governmental funds is also modified accrual. The basis of accounting for proprietary funds is full accrual, and the basis of budgeting proprietary funds is full accrual. Revenues are recognized in the accounting period in which they become “available and measurable.”

The City budgets on a calendar year, January 1 – December 31 for all funds. Any increase to the adopted budget requires that a supplemental budget and appropriation be approved by second reading of an Ordinance, with prior published notice of the proposed change (C.R.S. 29-1-109). Expenditures must not exceed appropriations approved by the City Council (C.R.S. 29-1-110). The appropriations are established by classification and function.

According to Colorado State Statute (C.R.S. 30-25-202), moneys credited to Capital Funds shall not revert or be transferred to any other fund.

# Financial Policies

## **Definition of a Balanced Budget**

---

The recommended budget presented annually to the City Council of the City of Gunnison shall be balanced by fund. According to C.R.S. 29-1-103 no budget adopted shall provide for expenditures in excess of available revenues and beginning fund balances.

## **Investment Policy**

---

The following Investment Policy was adopted by City Council on January 23, 2014:

### **POLICY**

It is the policy of the City of Gunnison (“the City”) to invest public funds in a manner that will provide preservation of capital, meet the daily liquidity needs of the City, diversify the City’s investments, conform to all local and state statutes governing the investment of public funds, and generate market rates of return.

This Investment Policy addresses the methods, procedures and practices which must be exercised to ensure effective and judicious fiscal and investment management of the City’s funds. It replaces any previous investment policy or investment procedures of the City.

This Investment Policy was adopted by the City Council of the City of Gunnison on January 28th, 2014.

### **SCOPE**

This Investment Policy shall apply to all funds accounted for in the City’s Comprehensive Annual Financial Report.

The City consolidates cash balances from all funds to maximize investment earnings, except for the cash in restricted and special funds. Investment income is allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

### **INVESTMENT OBJECTIVES**

The City’s principal investment objectives are:

- Preservation of capital and protection of investment principal.
- Maintenance of sufficient liquidity to meet anticipated cash flows.
- Attainment of a market rate of return.
- Diversification to avoid incurring unreasonable market risks.
- Conformance with all applicable City policies, State statutes and Federal regulations.

### **INVESTMENT ADVISORY BOARD**

## Financial Policies

An Investment Advisory Board shall be appointed by City Council and shall consist of the City Finance Director, the City Manager, a representative from the City Council and two representatives from the community. The community representatives must either live within the City limits or be primarily employed by a local business within the City limits. The community representatives shall be re-appointed every two years, at the first regular Council meeting in December of odd numbered years. The Investment Advisory Board shall meet semi-annually, during the second and fourth quarters of the year.

### **DELEGATION OF AUTHORITY**

The Finance Director, along with guidance from the Investment Advisory Board, is vested with responsibility for managing the City's investment program and for implementing this Investment Policy. The Finance Director may delegate the authority to conduct investment transactions and to manage the operation of the investment portfolio to other specifically authorized staff members. No person may engage in an investment transaction except as expressly provided under the terms of this Investment Policy.

The Finance Director, along with the Investment Advisory Board, shall establish procedures and internal controls for the operation of the City's investment program, designed to prevent loss of public funds due to fraud, error, misrepresentation and imprudent actions.

The Finance Director, along with the Investment Advisory Board, may engage the support services of outside investment advisors with respect to its investment program, so long as it can be demonstrated that these services produce a net financial advantage or necessary financial protection of the City's financial resources.

### **PRUDENCE**

The standard of prudence to be used for managing the City's investment program is the "prudent investor" standard applicable to a fiduciary, which states that a prudent investor "shall exercise the judgment and care, under circumstances then prevailing, which men of prudence, discretion, and intelligence exercise in the management of the property of another, not in regard to speculation but in regard to the permanent disposition of funds, considering the probable income as well as the probable safety of capital." (Colorado Revised Statutes 15-1-304, Standard for Investments.)

The City's overall investment program shall be designed and managed with a degree of professionalism that is worthy of the public trust. The City recognizes that no investment is totally without risk and that its investment activities are a matter of public record. Accordingly, the City recognizes that occasional measured losses may occur in a diversified portfolio and shall be considered within the context of the overall portfolio's return, provided that adequate diversification has been implemented and that the sale of a security is in the best long-term interest of the City.

The Finance Director and other authorized persons acting in accordance with established procedures and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided appropriate action is taken to control adverse developments and any deviations from expectations are reported to the City Council in the next quarterly financial report.

## **ETHICS AND CONFLICTS OF INTEREST**

City employees and Investment Advisory Board members involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the City's investment program or that could impair or create the appearance of an impairment of their ability to make impartial investment decisions. Employees and investment advisory board members shall disclose to the Finance Director any financial interest they have in financial institutions that conduct business with the City, and they shall subordinate their personal investment transactions to those of the City.

## **AUTHORIZED SECURITIES AND TRANSACTIONS**

All investments will be made in accordance with the Colorado Revised Statutes as follows: C.R.S. 11-10.5-101, et seq. Public Deposit Protection Act; C.R.S. 24-75-601, et. seq. Funds - Legal Investments; C.R.S. 24-75-603, Depositories; and C.R.S. 24-75-702, Local governments – authority to pool surplus funds. Any revisions or extensions of these sections of the statutes will be assumed to be part of this Investment Policy immediately upon being enacted.

This Investment Policy further restricts the investment of City funds to the following types of securities and transactions:

1. Direct obligations of the United States with a maximum maturity of five years from the settlement date, unless the governing body authorizes a longer maturity period.
2. Obligations of U.S. Government Agencies with a maximum maturity of five years from the settlement date, unless the governing body authorizes a longer maturity period. Specifically mentioned in the law are securities issued by FNMA (federal national mortgage association) "Fannie Mae"; by GNMA (government national mortgage association) "Ginnie Mae"; by FHLMC (federal home loan mortgage corporation) "Freddie Mac"; by the federal farm credit bank; by the federal land bank; by the export-import bank; by the Tennessee valley authority; and by the world bank.
3. Securities of entities or organizations not listed above, but created by, or authorized to be created by legislation of, the U.S. congress where the issuing agency is subject to control by the federal government at least as extensive as that which governs the agencies listed above. The period from the settlement date to its maturity shall be no longer than five years, unless the governing body authorizes a longer maturity period.
4. General obligations of any state of the United States, the District of Columbia, the territorial possessions of the U.S., or political subdivision, institution, department, agency, instrumentality, or authority of any of such governmental entities. These securities must be rated in the highest two rating categories by two or more nationally recognized rating agencies. The period from the settlement date to its maturity shall be no longer than three years, unless the governing body authorizes a longer maturity period.
5. Revenue obligations of any state of the United States, the District of Columbia, the territorial possessions of the U.S., or political subdivision, institution, department,

## Financial Policies

agency, instrumentality, or authority of any of such governmental agencies. These securities must be rated in the highest rating category by two or more nationally recognized rating agencies. The period from the settlement date to its maturity shall be no longer than three years.

6. The investing local government's own securities including certificates of participation and lease obligations.

7. Any interest in a local government investment pool pursuant to CRS § 24-75-701, et seq.

8. Repurchase agreements for any of the U.S. Government and agency securities listed in paragraphs one and two above, under certain conditions, including that the securities must be marketable; that the market value of such securities at all times must be at least equal to the funds invested by the investing public entity; and that the title must be transferred and the securities must actually be delivered versus payment. The securities subject to repurchase agreement may have a maturity in excess of five years, however the period from the settlement date of the repurchase agreement to its maturity shall be no longer than five years unless the governing body authorizes a longer maturity period.

9. Reverse repurchase agreements for any of the U.S. Government and agency securities listed in paragraphs one and two above, subject to several conditions, including that necessary transfer documents must be transferred to the investing public entity; cash must be received by the investing public entity in a delivery versus payment settlement; that the market value of such cash received from such reverse repurchase agreement at all times must be at least equal to the funds invested by the investing public entity; that the repurchase agreement is not greater than ninety days in maturity from the date of settlement unless the governing body authorizes a longer maturity period; that the counter-party meets the credit conditions of an issuer that would qualify under paragraph thirteen below; that the value of all securities does not exceed eighty percent of the total deposits and investments of the investing public entity; and that no securities are purchased with the proceeds of the reverse repurchase agreement that are greater in maturity than the term of the reverse repurchase agreement.

10. Securities lending agreement, subject to certain conditions, including that necessary transfer documents must be transferred to the investing public entity; securities must be received by the investing public entity in a simultaneous settlement; that the market value of such securities at all times must be at least equal to the securities lent by the investing public entity; that the counter-party meets the credit conditions of an issuer that would qualify under paragraph thirteen below; and that in the case of a local government, the securities lending agreement shall be approved and designated by written resolution adopted by a majority vote of the governing body and recorded in its minutes.

11. Certain money market funds. Statutes impose several conditions including: registration of the fund under the federal "Investment Company Act of 1940"; that the fund seeks to maintain a constant share price; the fund charges no sale or load fees unless the governing body of the public entity authorizes such a fee at the time of purchase; the securities have maximum maturity as specified in rule 2a-7 of the federal "Investment Company Act of 1940"; the fund has assets of a certain amount; or has the

## Financial Policies

highest current rating from at least one nationally recognized rating agency; and the dollar-weighted average portfolio maturity meets requirements of rule 2a-7 with additional limitations.

12. Certain guaranteed investment contracts rated in one of the two highest rating categories by two or more nationally recognized securities ratings agencies that regularly issue such ratings; with a maturity not greater than three years; contracts with a maturity of greater than three years shall only be purchased with debt, certificates of participation, or lease-purchase agreement proceeds, but no refunding proceeds.

13. U.S. dollar denominated corporate or bank security, issued by a corporation or bank organized and operating within the United States; the debt matures within three years; at the time of purchase the debt must carry at least two ratings from any nationally recognized statistical ratings organizations. If the security is a money market instrument such as commercial paper or bankers' acceptance, then it must not be rated below "A1, P1, or F1"; any other type of security must not be rated below "AA- or AA3" by either of the two ratings used to fulfill the two rating requirements. The book value of the local government's investment in this type of debt shall at no time exceed 50% of the government's investment portfolio, or five percent of the book value if the debt is issued by a single corporation or bank unless the governing body authorizes a greater percent. No subordinated security may be purchased. No corporate or bank security that is not organized outside of the U.S. may be purchased unless the governing body authorizes such investment.

The foregoing list of authorized securities and transactions shall be strictly interpreted. Any deviation from this list must be pre-approved by the City Council.

The City may, from time to time, issue bonds, the proceeds of which must be invested to meet specific cash flow requirements. In such circumstances and notwithstanding the paragraph immediately above, the reinvestment of debt issuance or related reserve funds may, upon the advice of Bond Counsel or financial advisors, deviate from the provisions of this Investment Policy with the written approval of the Finance Director.

### **INVESTMENT DIVERSIFICATION**

The City shall diversify its investments to avoid incurring unreasonable risks inherent in over-investing in specific instruments, individual financial institutions or maturities. Nevertheless, the asset allocation in the investment portfolio should be flexible depending upon the outlook for the economy, the securities markets and the City's anticipated cash flow needs.

### **INVESTMENT MATURITY AND LIQUIDITY**

The investment portfolio shall remain sufficiently liquid to meet all cash requirements that may be reasonably anticipated. To the extent possible, investments shall be matched with anticipated cash flows and known future liabilities. Investments shall be limited to maturities not exceeding five years from the date of trade settlement.

# Financial Policies

## **SELECTION OF BROKER/DEALERS**

The Finance Director shall maintain a list of broker/dealers approved for investment purposes, and it shall be the policy of the City to purchase securities only from those authorized firms.

To be eligible, a firm must meet at least one of the following criteria:

1. Be recognized as a Primary Dealer by the Federal Reserve Bank of New York or have a Primary Dealer within its holding company structure,
2. Report voluntarily to the Federal Reserve Bank of New York,
3. Qualify under Securities and Exchange Commission (SEC) Rule 15c3-1 (Uniform Net Capital Rule).

The Finance Director, along with the Investment Advisory Board, will select broker/dealers on the basis of their expertise in public cash management and their ability to provide service to the City's account. Each authorized broker/dealer shall be required to submit and annually update a City approved Broker/Dealer Information Request form that includes the firm's most recent financial statements.

The City may purchase commercial paper from direct issuers even though they are not on the approved broker/dealer list as long as they meet the criteria outlined in item 5 of the Authorized Securities and Transactions section of this Investment Policy.

## **COMPETITIVE TRANSACTIONS**

All investment transactions shall be conducted competitively with authorized broker/dealers. At least three broker/dealers shall be contacted for each transaction and their bid or offering prices shall be recorded. If the City is offered a security for which there is no other readily available competitive offering, quotations for comparable or alternative securities will be documented.

## **SAFEKEEPING AND CUSTODY**

The Finance Director, along with the Investment Advisory Board, shall approve one or more banks to provide safekeeping and custodial services for the City. A City approved safekeeping agreement shall be executed with each custodian bank. Each financial institution that holds City securities in safekeeping is known as a "custodian" bank. The City's safekeeping banks shall qualify as eligible public depositories as defined in C.R.S. 11-10.5-103.

The purchase and sale of securities and repurchase agreement transactions shall be settled on a delivery versus payment basis. Ownership of all securities shall be perfected in the name of the City. Sufficient evidence to title shall be consistent with modern investment, banking and commercial practices.

All investment securities, except non-negotiable Certificates of Deposit, Local Government Investment Pools and Money Market Mutual Funds, purchased by the City will be delivered by either book entry or physical delivery and will be held in third-party safekeeping by the

# Financial Policies

City approved custodian bank, its correspondent bank or the Depository Trust Company (DTC).

All Federal wireable book entry securities shall be evidenced by a safekeeping receipt or a customer confirmation issued to the City by the custodian bank stating that the securities are held in the Federal Reserve system in a Customer Account for the custodian bank which will name the City as "customer."

All Depository Trust Company (DTC) eligible securities shall be held in the custodian bank's DTC participant account and the custodian bank shall issue a safekeeping receipt evidencing that the securities are held for the City as "customer."

The City's custodian will be required to furnish the City a monthly report of safekeeping activity, including a list of month-end holdings.

## **PERFORMANCE BENCHMARKS**

The investment portfolio shall be designed to attain a market rate of return throughout budgetary and economic cycles, taking into account prevailing market conditions, risk constraints for eligible securities, and cash flow requirements. The performance of the investment portfolio shall be compared to the average yield on the U.S. Treasury security that most closely corresponds to the investment portfolio's weighted average effective maturity. When comparing the performance of the investment portfolio, all fees involved with managing it shall be included in the computation of its rate of return net of fees.

## **REPORTING**

The Finance Director will submit a quarterly report to the City Council and the Investment Advisory Board, listing the investments held by the City, book and market values of the investments and performance results. The report shall include a summary of investment earnings during the period.

## **POLICY REVISIONS**

This Investment Policy shall be reviewed annually by the Finance Director and the Investment Advisory Board and may be amended by the City Council as conditions warrant.

## GREEN TEXT DENOTES CITIZEN INPUT OPPORTUNITIES

It is important to ensure that City Council is getting the public's perspective rather than only that of a small number of highly vocal special interest groups. To this end, the hosts an event called City Fest in July, wherein the City provides informative displays and gathers public input in exchange for a free lunch.

Each August, the City Manager and the Finance Department meet at the budget kick-off to discuss the budget process and key budget priorities. Budget Preparation Manuals are distributed to department directors for use in preparing their budget submittals.

Throughout August and September, the Finance Department conducts several workshops with departments to assist with calculating current year projections; setting user fees; allocating staff costs among departments; and generally completing the various required forms for the budget submittal.

On September 15, each department submits their budget along with any required special requests for staff, capital expenditures, and target enhancements and transfers.

In September, all departments meet with the City Manager and Finance staff to prepare and review the Staff Proposed Budget.

No later than October 15 of each year, the Staff Proposed Budget is presented to the City Council.

Upon receipt of the proposed budget, notice is published within ten days, containing:

1. The date and time of a public hearing at which the adoption of the proposed budget will be considered,
2. The location where the proposed budget may be inspected, and
3. A statement that any interested elector may file objections to the proposed budget at any time prior to the final adoption.

During October and November, the City Council meets to consider input from the public and revises the Staff Proposed Budget with changes they deem necessary. Numerous public work sessions are held to review various aspects of the proposed budget. A final Public Hearing for the budget is scheduled to consider citizen input.

No later than December 10 of each year, the Assessor certifies any changes in the assessed valuation to local jurisdictions and the Colorado Division of Property Taxation.

Final budget adoption is scheduled prior to or on December 15 of each year. The Official City of Gunnison Budget Document is submitted to the State of Colorado Department of Local Affairs by January 31.

# Budget Process and Policies

## **Budgetary Level of Control**

---

The level of budgetary control is at the fund level. No spending agency may expend, or contract to expend, any money in excess of the amount appropriated in the appropriation resolution.

Administratively, operating budgets are controlled at the department level with departments having the authority to transfer appropriations between line items in their department upon approval by the City Manager. Additional appropriations or transfers outside any department are approved by ordinance.

## **Budget Amendments**

---

Throughout the year, the budget may be amended from time to time based unforeseen circumstances. Any department may submit a request to amend their budget due to an increase/decrease in revenues (i.e., receipt of a new grant, change in State or Federal funding, etc.); a request for use of contingency funds; or the transfer of funds between departments. A department is required to submit a budget amendment request form which states why the revision is needed along with the appropriate revenue and/or expenditure account information.

These requests are then reviewed by the City Manager and the Finance Director and submitted for potential approval as a proposed amendment by the City Council.

Proposed Amendments that are approved are then forwarded to the City Council for formal adoption of an ordinance amending the City of Gunnison budget and amending the appropriation ordinance.

## Glossary of Budget-Related Terms

**Accounting Procedures** - All processes which discover, record, classify, and summarize financial information to produce financial reports and to provide internal control.

**Accrual Basis** - The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows.

**Accrual Expenses** - Expenses incurred but not due until a later date.

**Allocate** - To divide a lump-sum appropriation into parts which are designated for expenditure by specific organizational units and/or for specific purposes, activities, or objects.

**Adopted Budget** - Required by Colorado Local Government Budget Law. The budget is an annual financial plan for City operations showing all expected revenues and expenditures to be in balance.

**Appropriation** - Legal authorization granted by the City Council to make expenditures as specified in the appropriating resolution.

**Assessed Valuation** - Total valuation established by the County Assessor on real and personal property within the City, which is used as a basis for levying taxes.

**Available Resources** – Current assets minus the current liabilities.

**Budget Document** - The instrument used by the budget-making authority to present a comprehensive financial program to the appropriating body. The budget document usually consists of three parts. The first part contains a message from the budget-making authority, together with a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the information as to past years' actual revenues, expenditures, and other data used in making the estimates. The third part is composed of drafts of the appropriation, revenue, and borrowing measures necessary to put the budget into effect.

**Budget Preparation Manual** - The set of instructions and forms sent by the Finance Department to the departments/offices of the City for preparation of their budget requests.

**Budgetary Expenditures** - Decreases in net current assets. In contrast to conventional expenditures, budgetary expenditures are limited in amount to exclude amounts represented by non-current liabilities. Due to their spending measurement focus, governmental fund types are concerned with the measurement of budgetary expenditures.

**Capital Improvements** - Public facilities and infrastructure (buildings, bridges, roads) and major share equipment resources (computer systems, telephone systems).

**Capital Outlay** - Expenditures for equipment, vehicles, or machinery that results in the acquisition or addition to fixed assets.

**Charges for Services** - Charges to individuals or organizations for a broad array of services. Examples include user fees, reimbursement charges, and sales of documents.

## Glossary of Budget-Related Terms

**Chart of Accounts** - Numbering system used by Gunnison City to designate funds, organizations, revenue sources, and expense objects.

**Debt Service** - The annual payment of principal and interest on the City's indebtedness.

**Enterprise Fund** - A fund established to finance and account for the acquisition, operation, and maintenance of governmental facilities and services which are entirely or predominantly self-supporting by user charges.

**Estimated Revenue** - The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by the Council.

**Expenditure** - An actual payment made by City check, electronic payment or by inter-fund transfer.

**Fees** - Any charge levied by government associated with providing a service or imposing a fine or penalty. Major types of fees include user charges, building permits and vehicle registrations.

**Fiscal Policy** - The City Government's policies with respect to taxes, spending and debt management as these relate to government services, programs and capital investment. Fiscal policy provides a consistent set of principles for planning and programming government budgets.

**Fiscal Year** - Twelve-month period to which the annual budget applies. The City of Gunnison's fiscal year is the same as the calendar year.

**Fringe Benefits** - City-funded benefits for employees including social security, retirement, group health, life, unemployment insurance and worker's compensation.

**F.T.E. (Full-time Equivalent)** - An employee position is converted to decimal equivalent value (equivalent of 2,080 hours or 52 forty-hour weeks).

**Fund** - Fiscal and accounting entity with self-balancing set of accounts which are segregated usually by financial resources or other special regulations, restrictions, or limitations.

**Fund Balance** - Difference between the assets and liabilities of a fund. Fund balance is terminology that is applicable to "fund level" reporting of individual governmental funds and is based on the modified accrual basis of accounting. It is used as a measure of the amount available to budget or spend in the future.

**GAAFR - (Governmental Accounting, Auditing, and Financial Reporting)** - The "blue book" published by the Government Finance Officers Association to provide detailed guidance for the application of accounting principles for governments.

**GAAP - (Generally Accepted Accounting Principles)** - standards for financial accounting and reporting, which are different for government than for businesses.

## Glossary of Budget-Related Terms

**General Ledger** - Set of accounts, which contain information needed to reflect the financial position and the results of the operations of the City. The debit balances equal the credit balances.

**Grant** - A contribution by a government or other organization to support a particular function.

**Highway User Tax (HUTF)** - Revenue that is derived from the state gasoline tax, and restricted for Road and Bridge activities.

**Indirect Costs** - Costs associated with, but not directly attributable to, the providing of a product or service. These costs are usually incurred by other departments in the support of operating departments.

**Interfund Revenues** – Revenues derived mainly from charges to other City funds (as well as the occasional outside entity) by Internal Service Funds. Examples include computer service fees, repair and maintenance of vehicles, material sales, telephone fees, and equipment rental.

**Interfund Transfer** - Amounts transferred from one fund to another.

**Intergovernmental Agreement** - A concord between two or more governmental units to jointly identify, plan and/or implement a task for their mutual benefit.

**Intergovernmental Revenues** - Revenue from other governments, primarily Federal and State grants, but also other local governments.

**Internal Service Charges** - The charges to user departments for internal services provided by another City agency, such as data processing, or for vehicles and heavy equipment.

**Internal Service Fund** - Funds used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

**Mandate** - Any responsibility, action or procedure that is imposed by one sphere of government on another through constitutional, legislative, administrative, executive, or judicial action as a direct order or that is required as a condition of aid.

**Mill** - The property tax rate, which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of property valuation.

**Miscellaneous Expenses** – This category of expenditures includes classification by objects that don't readily fit into the other reported categories. Generally, these are expenditures that are specific to a particular organization unit that do not correspond to other organizational units within the City government.

**Modified Accrual Basis** - The accrual basis of accounting adapted to the governmental fund type Spending Measurement Focus. Under it, revenues are recognized when they become both "measurable" and "available to finance expenditures of the current period". Expenditures are recognized when the related fund liability is incurred except for:

## Glossary of Budget-Related Terms

- (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used;
- (2) prepaid insurance and similar items which need not be reported;
- (3) accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but for which larger-than-normal accumulations must be disclosed in the notes to the financial statements;
- (4) interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and
- (5) principal and interest on long-term debt which are generally recognized when due.

**Net Assets** - Net assets is defined as the difference between assets and liabilities of the governmental entity as an entire unit.

**Object** - As used in expenditure classification, this term applies to the article purchased or the service obtained (as distinguished from the results obtained from expenditures). Examples are personal services, contractual services, materials, and supplies.

**Operating Budget** - The grouping of all objects for expenditures that are not personal services (wages and benefits).

**Operating Transfer** - Routine and/or recurring transfers of assets between funds.

**Personnel Costs** - This is a basic classification of expenditures by object for services rendered by officers and employees of the government unit, including related salaries, wages, benefits and employer's contributions.

**Proposed Budget** - Next year budgets that are prepared by each department and submitted to the Finance Department for analysis.

**Proprietary Fund** - A fund used to account for business-type activities in government. The activities are usually financed with user fees that are directly related to the services received. There are two types of proprietary funds - enterprise and internal service funds.

**Purchased Services** - This is a basic classification by object for services, other than personal services, which are required by the governmental unit in the administration of its assigned functions. Included are items such as insurance premiums, utilities, auditors, consultants, medical fees, contract labor and professional services.

**Reserve** - (1) An account used to earmark a portion of fund balance to indicate that it is not appropriate for expenditure. (2) An account used to earmark a portion of fund equity as legally segregated for a specific future use.

**Revenue** - Income received by the City Government in support of the government's program of services to the community. It includes such items as property taxes, fees, user charges, grants and fines.

## Glossary of Budget-Related Terms

**Special Revenue Fund** - A fund used to account for revenues legally earmarked for a particular purpose.

**Supplemental Appropriation** - An act by the City Council to transfer budgeted and appropriated monies from one spending agency to another, whether the agencies are in the same or different funds. Also, if the City receives revenues that were not anticipated or assured at the time of budget adoption, those revenues can be used in the current fiscal year only after being approved for use via supplemental appropriation.

**Supplies** - This is a basic classification of expenditures by object for articles and commodities, which are purchased for consumption or resale and are materially altered when used. Examples include office and cleaning supplies, gas, oil, materials, tools and parts.

**Taxes** - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include user charges rendered only to those paying such charges as, for example, sewer service charges.

**User Charges** - The amount the government receives for the provision of services and commodities or the performance of specific services benefiting the person charged. Citizens only pay user charges when a specific service is received.
