Executive Director

GFOA Distinguished Budget Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Gunnison, Colorado for its annual budget for the fiscal year beginning January 1, 2016.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria:

- as a policy document,
- as an operations guide,
- as a financial plan,
- and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Acknowledgements

The Finance Department expresses its gratitude to the City of Gunnison City Council, City Manager, and Departments for their contributions to the 2017 Budget.

With gratitude,

The City of Gunnison Finance Department

BUDGET MESSAGE

December 13, 2016

Dear Council,

The 2017 City of Gunnison Staff Proposed Budget was presented to City Council at the October 11, 2016 regular session. Our staff is pleased to present a balanced budget, with a few exceptions in the use of cash reserves. Over the past couple of months, we trust the various changes, as requested, have been incorporated in this final iteration. This budget message highlights the principal issues facing the City of Gunnison in developing the budget:

Strategic Priorities

With the City's new measured focus on achieving results for our customers, I encourage you to review the section in the Budget Overview that demonstrates the budget's alignment with your strategic priorities. This alignment is characterized by a focus on positive customer results, responsible stewardship of our assets and resources, support for a vibrant local economy and culture consistent with our community values, and sustained community engagement. As a summary, the budget includes nearly \$1,000,000 in appropriations, or 5% of the total budget, directly related to achievement of your strategic priorities:

- | | |
|---|-----------|
| • Infrastructure: | \$846,715 |
| • Vibrant Economy and Community Culture: | \$30,000 |
| • Community Engagement | \$45,000 |
| • Effective and Efficient City Government | \$50,000 |

Policy Issues

The 2016 update to the Fund Balance/Cash Reserve Policy included significant changes to provide clear direction on cash flow management:

- 1) **Greater detail regarding the definition of fund balance and the calculation of the reserves.** Since long-term assets are not in a spendable form, they should not be used to determine whether the City has sufficient reserves to be able to pay its bills and respond to unforeseen circumstances.
- 2) **Exceptions to the expenditures being used to calculate the minimum and maximum thresholds in the General Fund.** In general, every time \$1.00 of cost is added to the general fund, \$0.33 to \$0.40 must be added to the reserve. The Council acknowledged that certain expenditures may not be appropriate for this type of treatment such as, but not limited to, revenues passed through to other organizations.
- 3) **Adjustment of the Communications Fund reserve level.** The Gunnison Regional Communications Board expressed that the \$250,000 level was not necessarily required. Since there are no major capital replacements needed and funding can also be used

from the Gunnison/Hinsdale Combined Emergency Telephone Service Authority, the existing reserve is sufficient (approximately \$125,000).

Other policies that affected the 2017 budget included changes to the Employee Handbook including:

- 1) **Overtime Compensation.** The new policy simplified the calculation of overtime based on the type of leave rather than the timing of leave and simply states, "Vacation, compensatory time used and personal leave will be considered hours worked for overtime calculation purposes".
- 2) **Compensatory Time.** The previous policy only allowed up to 40 hours per week for accrual of comp time. Up to 240 hours is allowed by law and employees engaged in seasonal activities may accrue up to 480. While it is prudent to have a much reduced limit to avoid large liabilities for eventual payouts, the previous policy allowed very little flexibility for employees and supervisors. The new policy allows an employee to carry a maximum of 80 hours and/or carry over 40 hours into a new year, provided there is a specific plan for the use of the extra hours that will avoid paying out the comp time. This will give supervisors another tool to deal with seasonal projects, staff turnover, etc. while reducing the amount of overtime paid out.

Economic Factors

Economic conditions continue with a positive trend. Based on sales tax returns through October 2016, we project a 5% sales tax revenue increase for 2016 and forecast revenues with a 2% increase for 2017.

The non-partisan Legislative Council and the Governor's economists are predicting a small recession in the next two to three years, with only mild economic growth until then. While this is largely not due to the domestic economy, there are strong negative global factors such as the United Kingdom leaving the European Union, the tremendous debt burden in China, continuing trouble in Greece, and political turbulence worldwide. This has caused the recovery cycle to mature, with industrial production weakening, negative net exports and reduced capital investments. Employment growth has also slowed. Tourism and consumer purchases are rising and both are lagging indicators the business cycle. In the State of Colorado, the reduction in energy production due to low price and low demand for oil and gas, as well as the coal mine closures, has greatly dampened employment, especially on the Western Slope.

Regulatory and Legislative Challenges

While there are no current unfunded mandates or other major legislative changes that provided enough clarity to cause changes in the 2017 budget, City staff will continue monitoring a variety of potential legislative changes concerning sales tax simplification for home rule municipalities, regulation of backflow prevention devices for the water system, environmental regulations related to the wastewater treatment facility, and any potential for changes to the healthcare system.

Other Major Budget Highlights

An area of particular interest in 2017 is the use of revenues derived from the 5% Special Marijuana Sales Tax. A new fund has been created to demonstrate the use of these revenues in accordance with the 2014 ballot initiative to defray costs incurred in regulating the marijuana industry, funding social, recreational, and educational programs within the community as may be determined by the city including substance abuse prevention, education and counseling programs. The 2017 budget utilizes these extra funds with support of the fifteenth police officer to assist with random checks and enforcement, enhancing recreation program scholarships, as well as increasing educational material purchases and prevention programming, and overtime in the Police Department. Consequently, over \$100,000 remains to support community based organizations in various prevention services and/or programming related to youth shared spaces to foster positive

relationships and reduce community levels of adolescent risk taking behaviors to improve child and youth well-being.

A second new fund has been added to the City's financial structure for 2017 to account for the city's property and liability insurance, as well as loss prevention activities. This new fund will allow the City to take on larger deductibles to save on the cost of premiums and accumulate those savings to pay future deductibles and enhance various safety and risk programming at the City.

The most significant proposal on the expense side for the coming fiscal year is the proposal to continue full implementation of the compensation plan for employees. Health insurance premiums will increase 8% in 2017 and the minimum wage increase, even for those employees at the top of their pay range, is proposed to be \$477 to accommodate the premium increase. It is important to preserve the employees' purchasing power. The minimum wage increase to \$9.30 also has made a significant impact on part-time wages.

The City's Sales Tax Compliance ordinance allocates 19.7% of General Fund Sales and Use Tax revenue to capital improvements (10% is required) equaling \$931,943. Details regarding these improvements can be found in the Capital Expenditures section of the budget document. Street Improvements utilize 47.6% of sales tax revenues (30% is required) which equates to \$2,247,817. Within this allocation there is \$1,051,805 for street improvement projects that will be determined prior to 2017 construction. The net of capital improvements and street improvements comply with the sales tax allocation set in 2009.

Electric rates were increased by 5% in 2015 and 2016 and a further 5% rate adjustment is required in 2017. Water and Sewer rates were adjusted in 2017 with a \$3 per meter rate increase included for Water and 5% increase for Sewer. The Refuse account remains healthy and continues to accumulate reserves. The franchise fee remains at five percent in the Electric, Water, and Sewer Departments for 2017.

The Park & Recreation Fund sales tax revenues are projected on the same basis as the General Fund. Excess revenue will accumulate and be dispersed for Park & Recreation projects as determined by City Council based on input from the Parks and Recreation Master Plan, Lazy K Master Plan, Parks and the Recreation Advisory Committee.

Our employees are dedicated to providing a high level of service for our community in very positive ways. They are the heart and soul of this organization and enhance the lives of our citizens on a daily basis. Our management staff works hard to ensure we present a balanced budget that reflects the interests of our citizens. Ben Cowan and the Finance Department crew put their best energy into refining the details presented in this document. This is truly a team effort and Council is congratulated for their leadership in developing this results oriented budget to serve the residents of Gunnison.

Sincerely,

Russell W. Forrest
City Manager

Budget Overview

The City of Gunnison Finance Department is pleased to present the 2017 Budget. This budget is balanced, as required by Colorado law, and conforms to our adopted Accounting Policies.

A public hearing on the proposed budget was held on November 8, 2016. The proposed budget was adopted by the City of Gunnison City Council on December 13, 2016. Copies of the budget documents are available in the City of Gunnison Finance Department, 201 W. Virginia Ave., Gunnison, Colorado and can also be found on our website at <http://GunnisonCO.gov>

This budget includes 16 separate and distinct funds, each with revenues to support the anticipated expenditures. Funds fit into two broad categories, governmental and proprietary. Governmental funds include the General Fund and Special Revenue Funds. Proprietary Funds include Enterprise and Internal Service Funds. Revenue sources for the various services the City of Gunnison provides determine where those services reside in this budget. For example, the Conservation Trust fund is supported by the portion of Lottery proceeds constitutionally mandated to be distributed directly to local governments, based on population, for acquiring and maintaining parks, open space and recreational facilities. Revenues and expenses are reported in the special revenue fund category, Conservation Trust Fund. Enterprise funds are supported by fees charged to users such as Electric, Water, Wastewater, etc. Each is a separate fund with its own set of self-balancing general ledger accounts.

Strategic Direction

Mission Statement

The people of Gunnison have a special responsibility to the uniqueness of the Gunnison Valley. We the City, as representatives of the people, will strive to conduct our affairs and plan our growth in a manner that respects our environment and preserves our community as our home.

Through the ethical, effective and efficient stewardship of our human, natural, and fiscal resources, the City of Gunnison will provide public services and facilities that will enhance the quality of life for our residents, neighbors, and visitors.

The City's elected officials and staff shall create a positive climate in which all people flourish. Freedom of thought, expression, and participation shall be solicited from individuals, employees, the public and visitors.

Adopted by City Council on March 10, 1992

Strategic Plan

A new Strategic Plan was adopted by the City Council of the City of Gunnison on October 25, 2016. The primary purpose of the 2016 Strategic Plan is to identify high priority strategic results for the next six to eight months. With that direction, human and fiscal resources can be aligned to strategic results.

The Gunnison City Council is committed to leading City government into a future characterized by:

- A focus on positive customer results,
- Responsible stewardship of our assets and resources,
- Support for a vibrant local economy and culture consistent with our community values, and
- Sustained community engagement.

The first step in leading the city in this direction is to initiate a results driven management system with the new Manager which focuses on the needs and expectations of the community, i.e. our customer. This Interim Plan is essential in the short term to provide guidance to the 2017 budget process. The next step, will be to create a 5-year City Strategic Plan in the Summer of 2017, developed with ample community engagement.

This plan is based on a management model called on "Managing for Results." Managing for Results has the following benefits:

- Goals, functions, and activities are congruent—they don't contradict
- Funding and people are aligned to fund results
- People share purpose and values of the organization
- People work collectively to achieve organizational goals

Budget Overview

- Roles are defined so that every person's job is designed to help achieve the strategic goals of the organization
- Every person has a clear "line of sight" to the vision and strategic goals of the organization

The following is a strategic framework that includes specific results organized around strategic priorities. **Green text denotes areas in the budget where alignment with the strategic plan is apparent.** Nearly \$1,000,000 has been included in the 2017 budget that is directly related to the below strategic priorities.

Infrastructure - \$846,715

Stewardship of Gunnison's infrastructure, including streets, water, sewer, electricity, parks, City buildings, housing and more, is a core responsibility the City takes seriously. Sound, well maintained infrastructure is essential to the health and safety of our community. Looking forward, the City will use the best information available to take a cohesive, comprehensive, and cost-conscious approach to managing and maintaining the community's infrastructure as evidenced by:

By August 30, 2017 all major (utility infrastructure, roads, buildings, rolling stock) City assets are inventoried and assessed, including a schedule and cost for maintenance and replacement.

Other Facilities Assessment – The budget includes \$50,000 for an assessment of other key City facilities including, but not limited to, City Hall, the Community Center, Jorgensen Event Center, and the City Shop.

By September 30, 2017 consumer rates and funding will be determined to support maintenance and/or replacement of City utilities, where appropriate.

- Electric Assessment - Already underway, the Municipal Energy Agency of Nebraska (MEAN) is conducting an assessment of facilities and preparing a rate analysis for the Electric Fund. The total cost is \$11,500 projected in 2016, supported 50% by membership dues.
- Water Assessment – The 2017 budget includes \$11,500 for an assessment of water facilities and associated recommendations for rate schedules, necessary facility upgrades, and desired fund balances.
- Wastewater Assessment – The 2017 budget includes \$11,500 for an assessment of wastewater facilities and associated recommendations for rate schedules, necessary facility upgrades, and desired fund balances. This is particularly important for the 1980's era treatment facility, which has been very well maintained but likely is overdue for basic facility upgrades to comply with upcoming water quality regulations.

By September 31, 2018 pedestrian safety on Tomichi will be enhanced as evidenced by:

90% Residents and visitors will report they feel mostly safe or very safe when crossing *controlled intersections* on Tomichi Avenue.

Budget Overview

Residents and visitors will experience slower average speed rates on Tomichi Avenue.

Nearly \$600,000 has been included in the budget to support pedestrian safety. This includes construction of crosswalks at Tomichi Avenue and 11th Street, Jorgensen and Legion Park, estimated to cost \$396,805. This project anticipates the receipt of a Transportation Alternatives Program grant to offset costs. Also included is \$160,000 for a gateway design for the west end of town on Highway 50, \$18,000 for a school crossing project, and \$22,000 for a variable message sign board/speed trailer.

By December 31, 2017 the Gunnison community will have a Housing Action Plan and Policy developed by the City and its partners to address housing issues in the City for the next 10 years, based on the 2016 Housing Needs Assessment.

Based on the outcome of the 2016 Housing Needs Assessment, \$25,000 has been loaded to support the implementation of the recommendations as they pertain to the City of Gunnison.

By December 31, 2017, the Gunnison Community will experience abundant and affordable broadband service through the implementation of the Region 10 Broadband Project and cooperation with other entities. Furthermore, a plan will be developed in this time frame to create a plan for redundancy for the valley.

\$40,410 has been loaded in the 2016 projections to support Phase II of the Department of Local Affairs Broadband Project to address capacity and pricing concerns. Additionally, \$100,000 has been loaded to support regional broadband initiatives that address redundancy concerns.

Vibrant Economy and Community Culture - \$30,000

Gunnison's brand – **Basecamp of the Rockies** – is about a sense of place in the Gunnison Valley. For residents and visitors, Gunnison is a walkable, rideable, safe and accessible community set deep in the Rockies. The City will continuously work with the community to support our unique, authentic community culture and a prosperous economic environment. The Council believes that vibrant, relaxed and prosperous commercial areas along Tomichi and Main are essential now and in the future for a healthy, resilient local economy, and in the short term will accomplish the following:

By August 31, 2017, working in partnership with the business community and community stakeholders, the City will create a timely yet strategic set of recommendations to achieve a vital, prosperous Main and Tomichi commercial area consistent with the City's brand.

The Finance Department is working to establish local contact with retailers during the upcoming sales tax license renewal process. This, along with other strategies, will allow the necessary collaborative groups

Budget Overview

to be convened to develop a plan that can be supported by the community to create a unique image and sense of place, celebrate historic events and persons, and inspire, educate, beautify and give character to the downtown area.

By December 31, 2017 residents and visitors will experience branded, wayfinding signage for navigating the community and surrounding areas and an updated trails plan for the City will be completed.

\$30,000 has been included in the 2017 budget to install updated signage as well as wayfinding enhancements for the trail system.

Community Engagement - \$45,000

Gunnison City government will make community engagement a way of doing business as evidenced by:

By May 30, 2017, residents will experience and the City will launch a two-way communications and engagement initiative through multi-pronged strategies, including but not limited to the City's website, social media, local media and in-person meetings.

The 2017 budget includes \$25,000 for the establishment of a city-wide communications plan. The 2016 budget included \$20,000 to redevelop the City's website as a part of overall communications. Further enhancements are planned for the website in 2017 to link the Website with the City's various social media outlets and provide better updates when website content has changed.

Effective and Efficient City Government - \$50,000

With the advent of a new City Manager, the City commits itself to creating an organizational culture focused on customer results. The community will experience City government as listening and engaged, responsive, accountable for resources and performance, and focused on creating positive customer experiences. To create that organizational culture, the City will, in the near term, do the following:

By May 31, 2017 the City will launch the implementation of a system of professional development and accountability in a culture of innovation that is focused on creating positive customer experiences, oriented to solve problems and affirming of good performance.

The 2017 budget includes \$40,000 to implement Managing for Results, an integrated management system that focuses on results for customers while promoting accountability, transparency, and credibility.

Also included is \$10,000 for the development of employees which may include bonuses or team appreciation for top performers and innovators, various leadership development opportunities, or consulting assistance with strategic planning at the department level.

Budget Overview

Revenue Summary

The following chart shows where the money comes from in broad categories and will be detailed further in the pages that follow.

Table I

Where the Money Comes From

The largest revenue area continues to be charges for services. This area consists of electric, wastewater, water, refuse sales, etc. The 2017 budget has a total of \$9,684,933 from these charges. In 2016 that number was \$9,047,892.

Table II, Revenue Sources, details major revenue categories.

Table II

Revenue Sources

Sales Tax

The 2016 projection for City of Gunnison Sales Tax collections estimate that sales tax revenues will show growth at 5% from 2015. Revenues through the October filing period were 7.86% up but the past several months showed a softening to some extent. The 2017 amount is budgeted with a 2% increase over the 2016 projection.

While we hope this is a conservative estimate, various indicators point to a small recession in the next two to three years, with only mild economic growth until then. The economy grew only 1.6% in 2016; the weakest pace of growth since 2011.

The 2017 budget expects City sales tax and use tax revenue to comprise 30% of total revenue, and 59% of General Fund specific revenues. Table III represents the change in this major revenue stream over the last ten years.

Budget Overview

Table III

Sales Tax Revenue

Electric User Fees

The second largest single revenue source for the City of Gunnison is electric user fees, which represents 28% of the City's overall revenue. The 2017 budget includes a 5% electric rate increase to counter the rising costs of purchased power. Power costs are increasing annually from the Municipal Energy Agency of Nebraska (MEAN) as well as minor increases from Western Area Power Administration (WAPA). Reserve cash fund balance has a target of \$1,000,000 and at the end of 2016, the estimated balance will be \$430,000. A cost of service survey is underway to provide the information needed to set rates to cover costs for purchased power and yearly operational costs. According to the Colorado Association of Municipal Utilities, the City of Gunnison's electric rates are currently about half of the national average and among the lowest in the State of Colorado. Table IV represents the change in this major revenue stream over the last ten years.

Table IV

Electric User Fee Revenue

Budget Overview

Wastewater Collection/Treatment Fees

The 2017 Budget includes a rate increase of 5% for sewer user fees. Even so, the use of fund balance is estimated to exceed \$250,000. This includes planned capital replacements of \$274,500. The proposed rate increase is necessary to cover the operational cost and plan for future capital replacements. The estimated fund balance at the end of 2017 is \$851,147, which is \$148,853 below the desired fund balance according to the Fund Balance Policy. The impact of the 5% increase for a residential customer is \$1.25 per month, or \$26.25 - up from \$25.00. Table V represents the change in this major revenue stream over the last ten years.

Table V

Water Sales

The 2017 Budget includes a rate increase of \$3 in the service charge per water meter. Based on the capital needs for the Water Fund over the next five years, the average annual capital needs total \$90,000. This increase should generate the revenue over operational expenditures in an amount sufficient to fund the necessary capital improvements including equipment replacement, well rehabilitation and water tank repainting. This change is different than the typical practice of increasing the usage rates overall. Overall rate changes have encouraged residents to conserve water usage, which has a less than expected increase in the realized revenues and the increase disproportionately affected residents that irrigate using City water because they do not have access to a City ditch. All water users will be affected equally by this increase. Table VI represents the change in this major revenue stream over the last ten years.

Budget Overview

Fund Balances

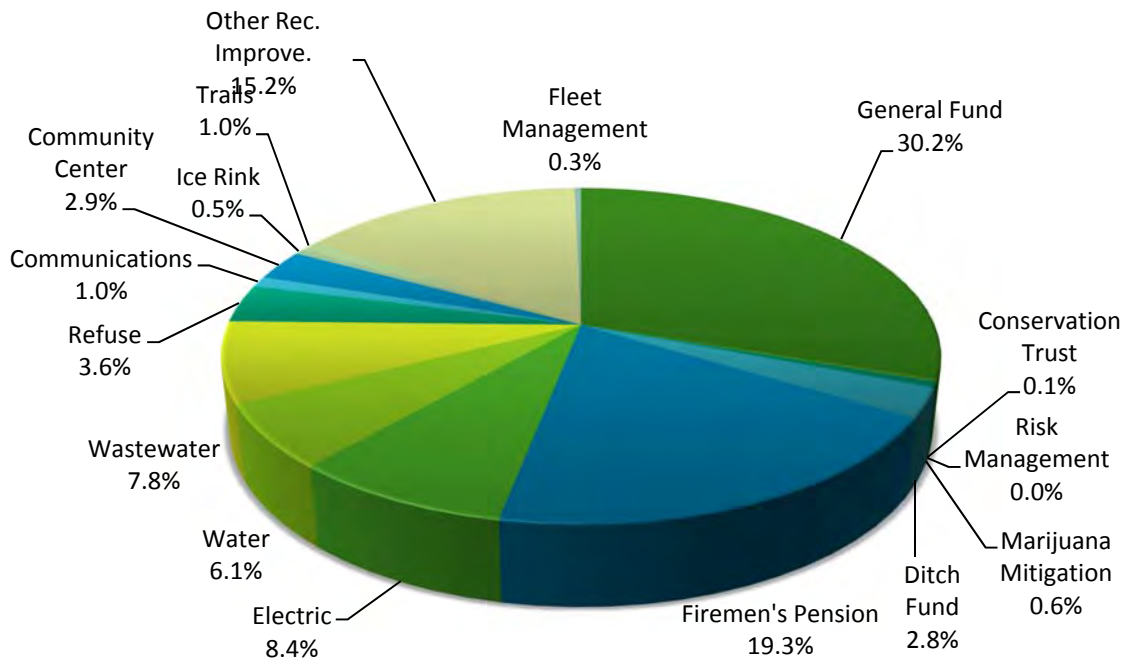

The City Council has established a policy of maintaining between a 33% and 40% ending available resource balance in the General Fund. Other funds require a variety of fund balances, as detailed in the Appendix. However, the overall ending available resources balance is 49%. The term "available resources" is defined as current assets less current liabilities.

The General Fund ending balance is necessary to accommodate additional expenditures in the event of a disaster or an unforeseen opportunity that might arise from time to time.

Budgeted ending fund balances may be found in the Consolidated Budget Summary as well as on each page in the Fund Summaries section. Table X below illustrates the amount each fund comprises of the total fund balance of \$10,979,124.

Table XII

Fund Balance

Budgeted ending fund balances may be found in the Consolidated Budget Summary as well as on each Summary page in the Fund Details section.

Some available resource balances have a 10% or more change from 2016 projections to the 2017 budget. Following is a list of those funds and a detail of the changes.

General Fund – decrease of 18.84%, (\$769,460)

The General Fund has decreased due to a modification of the fund balance policy three years ago. The City Council felt resources should be deployed for use, rather than allowed to build fund balances greater than 40% of expenditures. The estimated ending unreserved fund balance is expected to be 33%. The budgeted revenues will equal budgeted expenditures if there is 5% conservatism built into the budget.

Conservation Trust Fund – decrease of 50.62%, (\$12,320)

While the budget includes a significant decrease by percentage, the actual dollars are not significant.

Ditch Fund – decrease of 22.26%, (\$89,190)

Mineral leasing funds, which are used to support the ditch operations, can be volatile. The budget includes a conservative amount for 2017 revenues that is 53% less than the actual received in 2016. The fund also expects a grant match of \$16,000 to complete a river restoration project.

Wastewater Fund – decrease of 23.25%, (\$258,000)

A significant outlay of \$83,500 for vehicles, \$16,000 for equipment and \$175,000 for slip lining is included in the budget, which are planned uses of fund balance. Tap fees are budgeted conservatively at 32% less (\$44,000) than the actual amount received in 2015 (\$137,000).

Refuse Fund – decrease of 57.44%, (\$540,202)

A significant outlay of \$210,000 for heavy equipment, \$20,000 for equipment, \$50,000 for building demolition, and \$285,000 for building construction is

Budget Overview

included in the budget, which are planned uses of fund balance. Absent those one-time expenses, fund balance would have increased by nearly \$25,000.

Recreation Funds – increase of 15.31%, \$286,286

Excess funds from the Parks and Recreation sales tax are being accumulated in the Other Recreation Improvements Fund. A Master Plan was completed in 2015 and a new Parks and Recreation Advisory Committee has been formed to assist in the identification of the uses for the funds.

Fleet Management Fund – increase of 32.35%, (\$18,075)

While the budget includes a significant decrease by percentage, the actual dollars are not significant.

City Profile

General Information

The City of Gunnison was founded February 28, 1880. The City was named for John W. Gunnison, a United States Army officer and captain in the Army Topographical Engineers, who surveyed for the transcontinental railroad in 1853. The City of Gunnison is the county seat of the "unspoiled heart of Colorado."

The City of Gunnison is the county seat and brands itself as the Base Camp of the Rocky Mountains. The existing city boundary encompasses approximately four and three-quarter square miles, with 5,367

residents. The City provides water, sewer, trash removal and electrical services which are operated as an enterprise fund. The city electrical utility has the lowest residential and commercial rates in the state, and water and sewer service rates are very reasonable. Additionally, the city holds abundant senior water rights to support anticipated future development demands. Sanitary sewer facilities include a waste water treatment plant with ample capacity to accommodate future growth.

City park facilities are superb and offer an incredible 110 acres of park land/1000 people in relation to the national average of 10 acres/1000. Additionally, the City owns a 465 acre working ranch with developed trails. The Park and Recreation Department operates the Community Center which is a 45,000 square foot facility with an indoor aquatics area, climbing wall and other recreation facilities. Jorgensen Park is a multi-use complex with an indoor ice rink, numerous ball field, and skate-board facility. Hartman Rocks, located approximately two miles south of the City, includes base area trail head facilities, and a 8,300 acre recreation area managed by the Bureau of Land Management. Development of a non-motorized urban trail

City Profile

system is underway. The trail system, when complete will link urban places such as the schools, Western State Colorado University campus and retail areas, and an 11 mile outer loop will provide connectivity to Hartman Rocks, the city ranch, and the urban core.

Activities abound within and around the City of Gunnison. Winter activities for Gunnison include skiing at Crested Butte Mountain Resort, skiing at Monarch Ski Area, snowmobiling, cross country skiing, back country skiing, ice fishing Blue Mesa, ice skating, hunting, and snowshoeing. Activities during the summer in Gunnison include fishing on the Gunnison River, Tomichi Creek and Blue Mesa Reservoir. Hiking opportunities are available within a short distance like Curecanti National Recreation Area and variety of state wildlife viewing areas. Biking activities include road biking and mountain biking; Hartman's Rocks has many bike trails for mountain biking as well as motocross and rock climbing. The Cattlemen's Days PCRA rodeo takes place over a 10-day period in July.

Other City services include police, fire, finance, city clerk/municipal court, and building and planning. The City is within the Gunnison Fire Protection District and the City and Gunnison County Fire Districts jointly operate a hazardous materials response team. A City operated dispatch center provides communication services for all critical services in Gunnison and Hinsdale counties.

The City of Gunnison is organized under the Council-Manager form of government. The five-member City Council is responsible for the legislative function of the municipality such as establishing policy, passing ordinances, appropriating funds, and developing an overall vision. The Manager's role is to implement the policies and course that has been established by the Council. The City is also a Colorado home rule municipality, and has adopted a home rule charter that acts as the City's basic governing document over local issues; however, State law continues to prevail over statewide concerns.

City Profile

The above map depicts the city limits of the City of Gunnison.

The City of Gunnison, located in the west-central Rocky Mountains, is approximately 180 miles west of the front-range metropolitan areas and about 140 miles from Grand Junction, Colorado. US Highway 50 traverses across Gunnison County and serves as a primary transportation corridor for the region. Colorado State Highway 135, which is Main Street in the City, is the primary access corridor to Crested Butte. The Colorado Department of Transportation reports 8,600 average daily trips at the intersection of Spencer Street and State Highway 135, in the northern commercial corridor of the City and counts at the intersection of US Highway 50 and State Highway 135 is 10,000 average daily trips. The Gunnison-Crested Butte Regional Airport, located in the City, can accommodate the airlines' largest aircraft, and the airport is often used for training and testing aircraft under high altitude conditions.

Comments:

Revenues for the general fund are typically based on a 2% increase over the prior year end projections. Exceptions are listed below. The City will be applying for various grants throughout the year. Until the grants are awarded, (or in special circumstances there is a high probability in receiving the grant) grant amounts will not be included in the budget. If a grant is awarded, an additional appropriation will be requested to allow for the corresponding expenses.

- 3101 Assessed valuations for property tax reflect a .01% increase over the previous year's valuation. Because the City has "debruced" and is not restricted by the 5.5% statutory limitations, the mill levy will remain the same. 2017 revenue is based on \$72,917,710 preliminary certification of property valuation from County Assessor and 3.868 mill levy.
- 3104 2016 year end projections are based on a 5% estimated increase from the 2015 actual. 2017 revenue is based on a 2.0% increase of 2016 projected year-end revenues.
- 3105 2016 year end projections and 2017 estimate based on the County typically being 15.89% of City revenue in 3104.
- 3106 2016 projected amount is based on actual collections through August "grossed up" by the most conservative percentage collected through August for the last three years. 2017 revenues are budgeted at flat from the 2016 projection due to volatility of this revenue stream.
- 3110 Based on 5% franchise fee of cable franchise services
- 3111 Based on 5% franchise fee of natural gas revenues
- 3112 Based on 5% franchise fee of electric revenues.
- 3113 Based on 5% franchise fee of water revenues.
- 3114 Based on 5% franchise fee of wastewater revenues.
- 3116 15% of the State of Colorado's Special Marijuana Sales Tax of 10% on recreational sales.
- 3117 The Colorado Department of Local Affairs distributes revenue derived from energy and mineral extraction statewide. These revenues come from State Severance Tax receipts.
- 3118 Fee remitted by commercial businesses in the County who are attached to City sewer system at same rate as City sales tax
- 3206 Fees collected for the licensing of animals.
- 3210 2016 - Actual licensing fees collected through time of draft budget; 2017 - assuming 5 license renewals

Comments:

- 4102 This account covers overtime for the Fire Marshal and also covers overtime for City Public works crews when they are called out on a fire to assist. The Fire Marshal comps most of his overtime.
- 4201 This account is also used for replacement of tools, batteries, hose fittings, nozzles, pagers, radios and parts replacement on all portable equipment.
- 4202 This account is used to replace firefighter clothing, including turnout coats, turnout pants, boots, helmets, and gloves. The account is also used to purchase firefighter badges and Class A and B uniforms.
- 4203 This account is used for fuel and lubricant for all City owned fire response vehicles.
- 4213 Motorola Minitor VI Pagers - 3 @ \$550 for a total of \$1,650
Motorola XPR7550 Radios - 4 @ \$900 for a total of \$3,600
Motorola XPR7550 Software - 1/2 @ \$500 for a total of \$250
Gas Detector - 1 @ \$1,300
Road Cones - 32 @ \$31 for a total of \$992
Physical Agility Test Weight Vests - 2 @ \$180 for a total of \$360
- 4301 This account pays for shipping expenses.
- 4302 Account used for larger printing jobs needed by the Fire Department
- 4304 This account is mainly used for firefighter training materials and public fire prevention/educational materials for elementary students as well as any other prevention programs. The account is also used for any needed NFPA and ICC fire codes and standards.
- 4310 This account is used for all Fire Department training including tuition costs; contracting outside instructors; firefighter state certification costs, including certification renewals; and Fire Marshall training and tuition.

01-4022 FIRE DEPARTMENT

- 4320 Cell phone charges for Fire Marshall
- 4330 Debriefing services
- 4340 This account is used for repairs made to City Fire equipment and vehicles not made by the City Fleet Department. Examples include repairs to self-contained breathing apparatus, radios, pagers, air compressor, and some fire vehicle repairs. Included are annual Ladder Truck and SCBA inspections. During the past five years, this line item has been exceeded each year and has averaged over \$8,000. Additional appropriations of \$10,000 and \$12,000 have been made for Ladder Truck repairs in two of those years. Due to the aging fleet (ages of 38 years, 30 years, 26 years, and 23 years) this should not be expected to change any time soon.
- 4351 Fees for dispatch services.
- 4355 This account is used for firehouse maintenance and utilities. District shares this cost with the City.
- 4360 See 4652
- 4370 Account used for firefighter training when they travel (Fire Department Instructor's Conference in Indianapolis -the largest fire training event in the world, Fire Leadership Challenge in Keystone-the annual conference for the Colorado State Fire Chiefs Association, Colorado Fire Fighters Academy - a school put on by the Four Corners Firefighters' Association, National Fire Academy Outreach Weeks, Auto-X in Arvada - the best extrication training around). It is also used when instructors come to Gunnison for training. Account covers the cost of out of town meetings and Fire Marshal training (Colorado Chapter of International Code Council at Denver Tech Center, Fire Investigation, Colorado Fire Training Officer Association Meetings, where state certification rules are established).
- 4401 Fire Department share of property/liability insurance premium.
- 4403 \$250,000 life insurance policy for each of 40 volunteers and life insurance for 10 retirees.
- 4421 Annual allocation of fleet service expenses for fleet rental, repairs, storage and use of the shop facility.
- 4650 Phone costs moved to 4320
- 4652 Account is used for reimbursement for volunteer firefighters.

Comments:

- The City has an Intergovernmental Agreement (IGA) with Gunnison County regarding expenses associated with Haz Mat
- 4102 Practice: If employee assigned to Haz Mat responds to Haz Mat call during regular hours, employee is paid regular wages. If Haz Mat response results in employee working overtime, then employee's overtime (to extent of Haz Mat time) is charged to the Haz Mat Department. Regular time is also charged to the Haz Mat Department.
- 4201 The line item is used to purchase replacement pagers. Pagers are not an eligible grant item under the Homeland Security grants. This account is also used for replacement of tools, batteries, and parts replacement on all portable equipment.
- 4202 Account is used to replace all four levels of hazardous materials suits.
- 4203 Used for fuel and lubricant for the hazardous material vehicle. City pays for fuel and County pays for repair/maintenance.
- 4310 Used to pay tuition for training of all hazardous material team members. Also used for Haz Mat out of town meetings.
- 4340 Covers the cost of repair and maintenance items done by other than fleet.
- 4350 Volunteer reimbursements charged by Gunnison County as a shared cost
- 4351 Fees paid to Gunnison Valley Communications to cover the cost of dispatch service. City pays 1/2 of total cost. Gunnison County pays the other 1/2.
- 4650 Combination of expenditures for subscriptions and literature; and travel/mileage/meals and lodging. These line items have been combined into one line item because of minimal expenditures in the individual line items.

Comments:

- 4101 Recreation program instructor wages only. The program revenue will offset the program personnel and operational costs in their entirety.
- 4201 Includes operation of existing programs, equipment for new programs, reconditioning and/or replacement of various equipment from wear and tear, i.e. football helmets, catcher's gear, balls, jerseys, etc.
- 4202 Instructor and official's shirts, jackets, etc. will be absorbed in the 4201 line item.
- 4203 Fuel costs for City vans used for traveling recreation programs such as baseball, football, climbing, summer adventure camp, gymnastics, softball, etc.
- 4302 Printing of the City of Gunnison 2017 Quarterly Program Offerings and Xerox overages
- 4303 Advertisements in media (newspaper). Each advertisement costs approximately \$100 per media outlet
- 4310 Instructor Certifications: Fitness, Gymnastics, etc. This figure will vary depending on the number of returning instructors.
NRPA background investigations on all instructors comes out of this line item.
The background checks vary depending on where the applicant is from but generally is \$16 per.
- 4350 Sports officials game fees: adult and youth softball, Babe Ruth baseball, youth soccer, OTA baseball, etc. Expense is offset by additional recreation revenue.
- 4360 Credit card fees associated with Rec Programs.
- 4370 Reimbursement to travel league/tournament team coaches: gymnastics, youth football, softball, soccer, 4370 climbing, and baseball.
- 4658 Rec Revenue should be combined with scholarship revenue as all of those expenses come out of the 4050 budget. Increase to \$15,000 for the scholarship line item is based on one free program per quarter for all qualifying participants
** Projected Rec Program revenue for 2016 is \$160,000.

01-4090 GRANTS & CONTRACTS FOR SERVICE

The Challenge Grant program has two categories, one which is open to applications annually on an on going basis. Grant requests are reviewed by a citizen committee and awarded by the City Council. The Continuing Category of this program is earmarked for those Challenge Grants which receive annual contributions based on program updates from the applicants. This distinction has resulted in a more streamlined process for those on-going events which generate strong visitor participation.

8101 Challenge grant requests received throughout year and reviewed by Challenge Grant Committee
8102 Grant program to assist with funding of youth activities throughout the community.

Contracts for Service are those budgeted amounts which are given to organizations within the community which provide services to residents and businesses which the City organization does not. Contracts for Service are decided upon by the City Council.

Comments:

When the 15th officer was hired, the City Council approved funding 42% from marijuana taxes. This position was lost to attrition in 2009 due to the recession and returning to the full staffing level will allow for marijuana enforcement such as random checks on marijuana facilities similar to what is done on liquor establishments at night with multiple officers on duty as well as enhance prevention efforts that the Police Department already performs in the schools.

Comments:

Funding for the irrigation ditch operations is funded by mineral leasing funds, as the City does not charge a fee for using ditch water, even though there is a cost to operate and maintain the ditch system. Because the mineral lease funding distributions are under constant review by the State, and therefore a volatile revenue source, personnel and most operational costs have been moved with a 50/50 split between the water and waste water collection operations.

Colorado River Basin	\$ 45,540

Comments:

Reserved fund balance target of \$1,000,000 cash for contingency funds. Balance will fluctuate up or down from target number. Reserve funds have been utilized in past years to negate or minimize any electric rate increases. Staff is proposing a rate increase of 5% for City of Gunnison Electric rates beginning January 1, 2017. The rate increase is necessary due to rising cost which includes Purchased power cost.

Comments:

The expenditures associated with this cost center have been moved to the operating account for 2016.

- 9202 Regular replacement of computers
- 9550 Overhead/underground transformer stock. Deliveries are scheduled through mid December. Steel, fuel, and other cost increases have caused an increase in pricing. Scheduling in 2014 will allow for an increase in the replacement of older less efficient transformers approaching the end of life expectancy with new and more efficient transformers.
- 9551 Replacement of outdated and failing recloser controls in both sub-stations
- 9552 Replacement of unsupported automatic meter reading equipment and software. This will be an ongoing project.
- 9590 Continue to replace street lights with LED bulbs throughout town and along Hwy 50, reducing energy usage replacing 100w and 150w bulbs with 55w LED's
- 9596 Every five years pole testing is done to check the life expectancy of power poles.
- 9597 Re-stock of power poles
- 9598.R The replacement of underground wire. Existing lines are at end of life.
- 9599.R Replacement of failing and out dated relays for KY2A power transformer
- 9600 Complete reconditioning of existing cable for the WWTP. This process repairs existing cable without excavation and highway crossings. Begin reconditioning of Heatherwood Condos. Existing lines are at end of life.
- 9601 Every five years we have our PCB records checked and updated per EPA requirements though RSC services. This is to stay compliant with any new rules that have been instituted.

Comments:

Fund balance policy recommends \$300,000 cash reserves be maintained for emergency replacement of one refuse truck if needed. \$275,000 is earmarked for replacement of Unit #102 in 2016.

- 3423 Current refuse rates range from \$15/mo for 38 gallons to \$23/mo for a 98 gallon container
- 3620 Tree chipping costs will be paid by the Wastewater Treatment Plant since they utilize all of the chipped material
- 3621 The City accepts electronics for recycled disposal and charges per weight of the item to cover the expenses incurred with recycling

Park and Recreation Sales Tax proceeds are split between pool, rink, trails, and other recreation improvements. Revenues over annual amounts necessary to fund debt service, and operations and maintenance are directed to department 54 "Parks and Recreation Other Improvements" per Ordinance #7, 2007.

3631 Recreation Membership Rate based on season figures for season passes - a 20% increase is proposed for 2016

3636 Advertising based on sale of rights to WEHA

3638 Recreation Daily Fees are proposed to be increased by 20% in 2017

3643 A 20% increase is proposed for 2017, with fees increasing from \$80 to \$100/hr

3999 Transfer from parks based on historical budget for rink facilities.

3999 Refinancing the 2007 bonds will likely save \$13,000 per year in interest expense. Until the bonds are callable in 2017, the anticipated savings will be transferred from the Other Recreation Improvements Fund to support more aggressive maintenance efforts

Comments:

Park and Recreation Sales Tax proceeds are split between pool, rink, trails, and other recreation improvements. Revenues over annual amounts necessary to fund debt service, and operations and maintenance are directed to department 54 "Parks and Recreation Other Improvements" per Ordinance #7, 2007.

In lieu of debt service requirements for trails, \$80,000 will be committed on an annual basis for capital improvements, \$20,000 will be committed for operations and management costs, until \$1,000,000 commitment has been reached. This obligation has been met as of 2015. New projects will compete for Other Recreation Improvements dollars, as priority dictates.

Comments:

Due to potential fluctuations in operating costs for fuel and unexpected repairs, etc., the desired minimum cash reserve level should be eight percent (8%) of operating expenditures and the maximum should not exceed ten percent (10%).

Compensation Philosophy

The City of Gunnison recognizes that employees are critical to the success of our mission and goals. We must attract and retain competent, professional and results-oriented staff. Therefore, our total compensation system matches, within our ability to pay, other comparable governmental employers.

Minimum Wage Increase: The 2017 minimum wage increase for full-time regular employees is \$477. An attempt is made to offset any health insurance cost increases with this minimum increase. Any wage increases for employees who exceed their maximum salary range will be treated as a bonus wage (paid over the full year) and will not be added to their base wage for future wage calculations.

Relevant Labor Market: The City of Gunnison bases its relevant labor market on criteria that includes jurisdiction population, organization size (number of full-time equivalents), and budget size. This ensures the City is able to attract and retain quality employees by maintaining competitiveness with communities with whom the City competes with. For 2017, there are 46 comparable communities based on the above criteria. In addition, Gunnison County and Crested Butte data is utilized due to their proximity to the City of Gunnison. Salary survey data, gathered by the Colorado Municipal League, is used in most positions unless there are too few comparables. In which case, additional data may be gathered such as using all-Colorado data or other entities. All relevant salary data is used to determine the midpoint of the salary range for each position.

Part-Time Wage Adjustments: Part-time wage adjustments will be made annually, based on the overall market adjustment for regular employees (not including step increases based on merit).

Years of Service: Wage increases are determined by targeting the step that correlates to the years of service for the current position. Employees that are hired at steps above entry level are credited for those years of service when calculating the appropriate step. The difference between the minimum step and the maximum step is a 35% spread.

	Hiring Range									

	Minimum			Midpoint				Maximum		
Entry	1	2	3	4	5	6	7	8	9	10
	4.4%	4.2%	4.0%	3.9%	2.5%	2.4%	2.4%	2.3%	2.3%	2.2%

Changes in Staffing Levels

In 2017, the budget includes an overall increase in Full-Time Equivalents (FTEs). The budget includes 0.80 more FTEs than the previous year's budget. The 0.80 FTE increase comes from the following departments in alphabetical order.

Police Department: 0.07

The police department currently runs a Moral Reconciliation Therapy program which is targeted at youth in crisis and works in conjunction with the courts and probation. The program typically runs two hours a week and when fully running, is year-round with kids entering and graduating as they progress through the program. Historically, the program required the officers that instruct the class to take the time off or adjust their schedules to be on duty. Both of those solutions reduced the time available for their primary assignments. Adjusting the hours and scheduling was unsuccessful because the class works best for the youth if done during the week and in the evenings. Two officers are trained to facilitate the program, conducting several programs at the high school and Western State Colorado University. This increase of 150 overtime hours for, to be funded from the Special Marijuana Sales Tax, will allow for better shift coverage. The total cost is \$7,572.

Parks and Recreation: 0.74

The 2017 budget includes an increase of 0.02 FTE to add 50 hours to the allotment for the gardener. At the end of each season, this will allow to prepare the gardens and clean pots for the upcoming season.

The parks tours crew is responsible for cleaning bathrooms, cleaning park facilities, loading dog pickup stations and picking up trash throughout City parks. 1,496 hours have been added to assist with cleaning two additional restrooms, additional trails with trash pickup, and the new dog park.

Capital Expenditures

Capital Improvement Plan (CIP)

Each year, the City of Gunnison updates its Capital Improvement Plan (CIP), which identifies the City's capital needs for the next five years. The capital improvement process provides for the identification, reviewing, planning and budgeting of capital expenditures. The entire plan is available on the City's website at <http://gunnisonco.gov>

For the purposes of the Capital Improvement Plan process, capital is defined as follows: items that have a single acquisition cost of \$10,000 or more and a usable life of five (5) or more years. Project request forms are prepared for those items that can be clearly classified as major improvements, whereas routine maintenance or equipment replacements are included in the plan for resource planning purposes.

The Capital Improvement Plan is presented annually to the City Council. The first year of the package is referred to as the Capital Improvement Budget and is a list of projects for recommended implementation during the next fiscal year, while the subsequent four year period is referred to as the Capital Improvement Plan, which will be approved by the City Council in concept only. By adopting a CIP, the City adopts a statement of intent, not an appropriation of funding for projects contained within the plan. The CIP lists are updated annually as new needs become known and as priorities are changed. Therefore, it is entirely possible that a project with a low priority will remain in the Capital Improvement Plan longer than four years, as more important projects appear and move ahead for quick implementation. On the other hand, a project may be implemented sooner than originally planned due to changing priorities or funding availability.

This section includes the projects from the Capital Improvement Budget or projects from the Capital Improvement Plan that have been moved ahead for quick implementation or have been approved for appropriation in the current budget.

Other Capital Expenditures Budget Requests

During the annual budget process, department directors are also afforded the opportunity to request additional capital expenditures for projects not included in the annual Capital Improvement Plan. These requests are intended for projects that cost more than \$5,000 and have a useful life of greater than one year. Requests for projects under \$10,000 do not need to be examined as thoroughly as those included in the CIP, as they often are for equipment replacement or routine maintenance. These requests may also include projects over \$10,000 that have become necessary since the adoption of the most recent Capital Improvement Plan.

Capital Expenditures

Capital Expenditures Summary

2017 Capital Expenditures - \$2,348,804

Capital Expenditures by Fund

The following section discusses each project included in the current budget. The total cost is included as well as a list of funding sources. The narrative for each project discusses any significant impacts that capital improvements make on the annual operating budget.

General Fund - \$534,979

Information Technology - \$155,130

WIRELESS ACCESS POINTS - \$5,130

01-4007-9970

This project entails replacement of wireless access points with cloud managed access points. The points include 2 – City Hall, 1 – Police department, 1 – Jorgensen Events center, 1 – Community Center, 1 – Public Works. The installation will allow central management of wireless access and better tracking/blocking of devices connecting to networks and more control over the amount of bandwidth devices are allowed to consume, tracking of websites and applications used.

Funding Source(s): General Fund

Impact on Operating Budget: None, these units will replace existing units.

Capital Expenditures

DOCUMENT MANAGEMENT SYSTEM - \$50,000

01-4007-9971

A citywide document management system will help provide offices with software to track communications and documents. This will allow for better access and retrieval and electronic storage (opposed to paper storage). A flexible system will be able to be used by any city office and deployed in a few offices to start the process and then expanded into additional offices as projects, time and resources are available. The Document Management System could add workflows to help with movement of documents and better visibility as to the status of a process. Replacement of intranet site and Clerks indexing with the addition of storing the digital documents, increasing search capabilities to all words within scanned documents (typed good quality scans). One possible use would be to replace the Accounts Payable paper process with a workflow form (replacing the current paper form), and the need to print and copy invoices.

Funding Source(s): General Fund

Impact on Operating Budget: Decreased use of paper and toner supplies as well as filing cabinet space is expected to save approximately \$1,500 in the first full year. Annual software support costs are approximately \$3,000. Productivity and customer service gains are not quantifiable at this time.

REGIONAL BROADBAND SERVICE - \$100,000

01-4007-9999

This city has committed to supported the Department of Local Affairs Phase II broadband project, which addresses capacity and pricing concerns. However, the remaining significant challenge for the regions connectivity is related to redundancy. The city is committed to enhancing redundancy by supporting the most likely solution for construction of a separate hardline connection to the valley.

Funding Source(s): General Fund

Impact on Operating Budget: Unknown until the project details have been determined

Police Department - \$22,000

MESSAGE TRAILER - \$22,000

01-4020-9952

Purchase a programmable message/radar trailer to be used for traffic control and special events. Specific brands, model and options have not been identified pending budget approval. The city currently owns two portable programmable message/radar trailers. The trailers are used on a regular basis for special events, traffic control at road closures and for speed and traffic education. For most road closures we need two to three signs based on traffic flow and detour routes. We have been using signs from the county, when available, to accomplish proper driver notification. Having three signs would insure availability for road closure and safety messages around town.

Funding Source(s): General Fund

Impact on Operating Budget: Annual maintenance is expected to cost \$500.

Capital Expenditures

Public Works (City Shop) - \$157,849

HANDHELD GPS UNIT - \$7,849

01-4032-9952

Existing GPS unit is 12 years old and is not functioning properly and the associated software does not work with current versions of Windows. The existing unit has a sub meter accuracy, the proposed unit has a sub foot accuracy. Upgrading the GPS unit will allow city staff to accurately capture data from the city's trail systems, parks, electric, water, and sewer infrastructure to incorporated into GIS maps.

Funding Source(s): General Fund; expected trade-in of older unit - \$1,000

Impact on Operating Budget: There is no significant impact to the operating budget.

OLD CITY SHOP DEMOLITION - \$150,000

01-4038-9866

The shop — once known as the Gunnison Gas & Water Works building — was constructed in 1882 but has fallen into disrepair in recent times. The old shop structure will be demolished to house refuse trucks and provide electronics recycling cold storage. The City Council has agreed to remain open to proposals to save the building, if a viable option is brought forward from local preservationists.

Funding Source(s): General Fund, \$100,000; Refuse Fund, \$50,000

Impact on Operating Budget: There is no significant impact to the operating budget. The current facility has not been maintained for years.

Public Works (Streets and Alleys) - \$128,000

HI-WAY SANDER - \$12,000

01-4035-9952

This project is the scheduled replacement of Unit 97, a 2007 Hi-Way Sander. The current unit's distribution parts are so rusted that the housing's integrity has been weakened to the point that the components are nearly detached.

Funding Source(s): General Fund

Impact on Operating Budget: None-this request is to replace the equipment for a similar unit that performs a similar function.

Capital Expenditures

108 N. IOWA ST. PARKING LOT - \$116,000 **01-4035-9902**

The City purchased a parcel from the Community Church of Gunnison, located at 108 N. Iowa St., in 2016. A dilapidated residential building was demolished and removed from the property and the 2017 budget includes an amount to convert this parcel to a downtown parking lot to serve the central business district, where parking is difficult to find during the summer months.

Funding Source(s): General Fund

Impact on Operating Budget: Landscaped areas will include an irrigation system and ongoing maintenance will be necessary for the paved surface. These costs will approach \$2,500 per year.

Parks and Recreation (Parks) - \$72,000

S TELLER SOUTH RESTROOMS - \$63,000 **01-4051-9940**

This project entails the installation of a Tioga 2 holer flush toilet to be placed between skate park and South teller baseball/softball field. The price estimate is based on:

Montrose building	\$48,000
¾" water tap	\$2,500
Sewer tap	\$5,000
Utility installation	\$4,000
Electrical hook up	\$2,500
Misc. plumbing	<u>\$1,000</u>
Total	\$63,000

Funding Source(s): General Fund

Impact on Operating Budget: Utilities will approximately reach \$1,000 annually.

There has been increased usage of in the area due to new skate park infrastructure and renovation of South Teller baseball field. Participants in the baseball program on that field are younger and they have a tough time making it to the ice rink or softball field restrooms.

DUMP TRAILER - \$9,000 **01-4051-9952**

This project is the scheduled replacement of Unit#139, a 1999 Performance dump trailer.

Funding Source(s): General Fund

Impact on Operating Budget: None-this request is to replace the equipment for similar equipment that performs a similar function

Capital Expenditures

Fleet Maintenance Fund - \$237,000

DUMP TRUCK - \$133,000 04-4170-9956

This project includes the replacement of Unit 41, a 1992 Chevrolet Dump Truck.

Funding Source(s): General Fund (transfer)

Impact on Operating Budget: None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

TRAVEL VAN - \$37,000 04-4170-9957

Replacement of Unit 44, a 1997 Chevrolet Van

Funding Source(s): General Fund (transfer)

Impact on Operating Budget: None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

TRAVEL SUV - \$33,000 04-4170-9957

Replacement of Unit 98, a 2003 Chevrolet Trailblazer

Funding Source(s): General Fund (transfer)

Impact on Operating Budget: None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

WASTE OIL BURNER - \$10,000 04-4170-9958

Replace the current waste oil burner with an updated efficient unit. The equipment barns current waste oil burner has become dated and unreliable. The city recycles its waste fluids, oils, ATF, hydraulic fluid, etc. in an environmentally friendly way and burns it to heat our equipment barn. This heater is essential in keeping equipment warm in colder months. Since most of our equipment is diesel, this heat source is mandatory to ensure starting and reliability of the equipment.

Funding Source(s): General Fund (transfer)

Impact on Operating Budget: None-this request is to replace the unit for a similar unit that performs a similar function.

Capital Expenditures

WHEEL BALANCER - \$12,000

04-4170-9958

Purchase a new wheel balancer for the city shop. Our current balancer is very old, unstable, and does not work on today's larger diameter wheels. A new balancer would allow us to balance wheels in house instead of outsourcing, and would be much safer for employees than our current setup.

Funding Source(s): *General Fund (transfer)*

Impact on Operating Budget:
None-this request is to replace the unit for a similar unit that performs a similar function.

MANUFACTURER COMMUNICATION SOFTWARE - \$12,000

04-4170-9970

This project includes the purchase of the manufacturer communication software, computer, license, accessories and connection kit.

Funding Source(s): *General Fund (transfer) – Capital Requirement*

Impact on Operating Budget:
The yearly license fee is \$1,480

Electric Fund - \$235,325

SUBSTATION RELAY REPLACEMENT - \$50,000

20-4202-9952

Relay equipment is located within substation controls which coordinates the protection of the substation components. In 2016, we budgeted for the engineering to be done and the replacement is the next step. The relays that are currently installed are out of date and not repairable because of age. Once these old relays fail, the substation will not be protected from high fault current events such as lightning if it would strike the substation. This could possibly damage equipment in substation causing us to experience a much more significant outage.

Funding Source(s):
Electric user fees

Impact on Operating Budget:
There is no significant impact on the annual operating budget.

BREAKER REPLACEMENT - \$30,000

20-4202-9952

The breakers in the substation protect the power transformers from damage. One will be replaced this year and the other one the following year. A contract crew will be hired to set up the new breakers and tie to substation bus work. Power transformers alone are roughly \$800,000 to replace.

Funding Source(s):
Electric user fees

Impact on Operating Budget:
There is no significant impact on the annual operating budget.

Capital Expenditures

BUCKET TRUCK REPLACEMENT - \$113,325

20-4202-9956

Originally appropriated in 2016, this project was not completed. The 2007 Ford F550 Small Bucket Truck (Unit 90) needs to be replaced as it is on a 9-year replacement cycle.

Funding Source(s):

*Sales of Fixed Assets,
\$11,500;
Electric user fees, \$101,825*

Impact on Operating Budget:

*None-this request is to

PICKUP REPLACEMENT - \$42,000

20-4202-9957

Replacement of Unit 140, A 2006 Dodge 1500 4x4 4 door pickup.

Funding Source(s):

Electric user fees

Impact on Operating Budget:

*None-this request is to
replace the vehicle for a
similar vehicle that performs

Water Fund - \$43,500

TRUCK REPLACEMENT - \$19,000

25-4202-9957

Replacement of Unit 100, a 2003 Chevrolet ½ ton pickup.

Funding Source(s):

*50% water user fees
50% sewer user fees*

Impact on Operating Budget:

*None-this request is to
replace the vehicle for a
similar vehicle that performs

Capital Expenditures

TRUCK REPLACEMENT - \$24,500

25-4202-9957

Replacement of Unit 155, a 2002 Service Truck with hydraulics.

Funding Source(s):

50% water user fees

50% sewer user fees

Impact on Operating Budget:

None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

Ditch Fund - \$100,000

SLIP LINING - \$100,000

28-4160-9652

Slip lining is being performed on many collection lines to extend the useful life of the mains and connectors. Tree roots, decay and other damage causes irrigation water, storm water and other sources of infiltration to increase the effluent that has to be treated at the wastewater treatment plant.

Funding Source(s):

Mineral Leasing

Impact on Operating Budget:

There is no significant impact on the annual operating budget.

Wastewater Fund - \$274,500

TRUCK REPLACEMENT - \$19,000

30-4204-9957

Replacement of Unit 100, a 2003 Chevrolet ½ ton pickup.

Funding Source(s):

50% water user fees

50% sewer user fees

Impact on Operating Budget:

None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

Capital Expenditures

TRUCK REPLACEMENT - \$24,500

30-4202-9957

Replacement of Unit 155, a 2002 Service Truck with hydraulics.

Funding Source(s):

50% water user fees

50% sewer user fees

Impact on Operating Budget:

None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

INFLOW/INFILTRATION REDUCTION - \$175,000

30-4204-9751

Slip lining is being performed on many collection lines to extend the useful life of the mains and connectors. Tree roots, decay and other damage causes irrigation water, storm water and other sources of infiltration to increase the effluent that has to be treated at the wastewater treatment plant.

Funding Source(s):

Sewer user fees

Impact on Operating Budget:

There is no significant impact on the annual operating budget.

PHONE SYSTEM - \$16,000

30-4205-9952

The current phone system is very old and a number of phone have failed reducing emergency contact from out buildings. The current system does not support voice mail. Due to the location of the plant; phone, cell and internet services are challenging. Internet is currently provided by satellite, which has extremely low bandwidth - the state is requiring more of the data to be entered into their websites and not transmitted by paper. One solution to these problems is putting up cell phone repeaters. This would allow cell phone coverage on all the grounds, in the main office building, some of the out buildings, and use of cell internet (broadband) to improve internet service. This option is estimated to cost \$14,000 plus the addition of cell phones for staff. This option would allow cell coverage for anyone on the grounds.

Funding Source(s):

Sewer user fees

Impact on Operating Budget:

\$200 annual utility costs

PICKUP - \$40,000

30-4205-9957

Replacement of Unit 68, a 2000 Ford F250 pickup with plow.

Funding Source(s):

Sewer user fees

Impact on Operating Budget:

None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

Capital Expenditures

Refuse Fund - \$515,000

REFUSE STORAGE BUILDING AND GARAGE - \$285,000 **35-4203-9925**

The shop — once known as the Gunnison Gas & Water Works building — was constructed in 1882 but has fallen into disrepair in recent times. The old shop structure will be demolished to house refuse trucks and provide electronics recycling cold storage. The City Council has agreed to remain open to proposals to save the building, if a viable option is brought forward from local preservationists.

RECYCLING TRAILER - \$20,000 **35-4203-9952**

Scheduled replacement of unit 53, a 2005 recycle trailer.

Funding Source(s):

Refuse user fees

Impact on Operating Budget:

There is no significant impact on the annual operating budget.

REFUSE TRUCK - \$210,000

This request is for the purchase of a replacement of the current automated refuse truck, which was purchased in 2001 and is now reaching fifteen years old.

Funding Source(s):

*\$197,500 refuse user fees
\$12,500 sale of fixed assets*

Impact on Operating Budget:

None-this request is to replace the vehicle for a similar vehicle that performs a similar function.

Capital Expenditures

Community Center Fund - \$40,000

ULTRAVIOLET SYSTEM - \$40,000

51-4401-9952

The lap pool is in need of a new ultraviolet sanitization system. This system provides a fast, unique way to disinfect water without heat or chemicals. Using short-wave radiation from germicidal ultraviolet lamps, purifiers destroy all water-borne microorganisms, including bacteria and viruses that cause e-coli, and cryptosporidium. As of right now we have two ultraviolet systems that were put in when the pools were built in 2009. The lap pool has stopped working three and half years ago. After talking to many pool operators the recommendation is to get a new ultraviolet system and keep the old lap pool system for parts for the still functioning leisure pool.

Funding Source(s):

*Transfer from Other
Recreation Improvements*

Impact on Operating Budget:

*UV light bulbs costs about
\$3,500 per year to replace.*

Other Recreation Improvements Fund - \$368,500

CHAR MAR PARK UPGRADES - \$352,500

54-4444-9940

A needed renovation/upgrade of this 1960's park to include but not limited to pickleball courts sand volleyball and Play equipment, picnic pavilion and openings to the ditch on the West side of the park. Convert irrigation from potable to ditch water. Park and Recreation Master Plan, survey and public input indicates strong support for pickleball courts and general park infrastructure improvements. Applying for a \$350,000 grant from Great Outdoors Colorado during the fall of 2016. Pickleball tournaments raised \$3,500 as partner match.

Funding Source(s):

*\$80,500 Parks and Recreation
sales tax*

*\$269,500 Great Outdoors
Colorado Grant*

Impact on Operating Budget:

*Converting irrigation from
potable to pumps will
increase electric costs and
reduce water costs by
approximately \$500 per year.*

DOG PARK IMPROVEMENTS - \$16,000

54-4444-9940

Picnic tables and trash receptacles, a transformer, small wire, electrical outlets, breaker box, potable water, drinking fountain for people and dogs, irrigation, sprinklers, pump, cistern, small pump house, valves, fittings, and wiring etc. Continue the Dog Park build and provide a comfortable place to take a dog off leash.

Funding Source(s):

*Parks and Recreation sales

City Charter

Article VII of the City of Gunnison Municipal Home Rule Charter contains the following policies related to City Finances:

Section 7.1 Fiscal Year: The fiscal year of the City of Gunnison, and all of its agencies, shall begin on the first day of January, and end on the thirty-first day of December of each year.

Section 7.2 Annual Budget: The City Manager shall present a proposed budget for the ensuing fiscal year to the Council, together with a budget message, on or before October fifteenth of each year.

Section 7.3 Budget Hearings: The Council shall hold a public hearing on the proposed budget on or before November fifteenth of each year. Notice of the time and place of such hearing shall be published at least once five days or more prior to such hearings, and a copy of the proposed budget shall be made available for inspection by the public, by depositing it in the office of the Director of Finance.

The Council may at any time before final adoption of the budget, increase, or decrease, add or strike out any item in it.

Section 7.4 Scope of Annual Budget: The budget adopted by the Council shall contain:

- A. An estimate of the anticipated revenue of the city other than the tax levy for the ensuing year;
- B. An estimate of the General Fund cash surplus at the end of the current fiscal year, or of the deficit to be made up by appropriation;
- C. The estimated expenditures necessary for the operation of the several departments, offices, and agencies of the City;
- D. Debt service requirements for the ensuing fiscal year;
- E. The amount to be set aside for the public improvements fund, together with a schedule showing all recommended public improvement expenditures during the ensuing five years.
- F. An estimate of the sum required to be raised by the tax levy for the ensuing fiscal year, and the rate of levy necessary to produce such sum based on the percentage of current levy collection experience during the three preceding fiscal years;
- G. A balance between the total estimated expenditures, including any deficit to be met, and monies set aside for public improvements and total anticipated revenue, plus any surplus. All estimates shall be in detail showing revenues by source, and detailed expenditures by organizational units, activities, character and object.

Section 7.5 Adoption of Budget and Appropriations: Not later than December fifteenth of each year, the Council shall adopt on final reading an ordinance for the budget and an

Financial Policies

ordinance of the annual appropriations. When finally adopted, the budget shall become a public record and sufficient copies shall be deposited with the Director of Finance to insure adequate circulation.

Section 7.6 Certification of Tax Levy: Not later than December fifteenth of each year, or such other date required by law the Council shall fix the amount of tax levy which shall be assessed upon each dollar of assessed valuation of all taxable property within the corporate limits of the City of Gunnison, and shall cause the same to be certified to the Board of County Commissioners of the County of Gunnison as required by law. If the council should fail in any year to make such levy as above provided, the rate last fixed shall be the rate for the ensuing fiscal year, which rate shall be levied as by law provided.

Section 7.7 General Fund: There is hereby established a fund to be known as the General Fund. All revenues not specifically allocated to any other fund shall be placed in the General Fund. All general functions of the City shall be financed by expenditures from the General Fund. The General Fund may contain an item for contingencies. Except in those cases where there is no logical account to which an expenditure can be charged, expenditure shall not be charged directly to contingencies, but instead, the necessary part of the appropriation for contingencies shall be transferred to the logical account and the expenditure charged to such account. No such transfer shall be made without the express approval of the Council, and then only for expenditures which could not be readily foreseen at the time the budget was adopted.

Section 7.8 Public Improvements Fund: There is hereby established a fund to be known as the Public Improvements Fund for the purpose of paying the cost of capital improvements not specifically chargeable to other funds. The Council shall have the power to define the rules and regulations pertaining to such funds by ordinance, and shall have power to transfer from time to time monies from the General Fund to the Public Improvements Fund. Appropriations for construction or other permanent Improvements from the Public Improvements Fund shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned; unencumbered balances from projects accomplished or abandoned shall be deposited in any bond sinking fund wherein the faith and credit of the City was pledged, and the same used for payment of such outstanding bond indebtedness of the City, or if none, to any other fund. Any appropriated or unencumbered balance in the Public Improvements Fund may be transferred by the Council to any fund, or used to pay outstanding bonded indebtedness of the City.

Section 7.9 Special Funds: Additional funds which shall be known as special funds shall be created by ordinance to provide for monies to be held or used for special purposes such as: depreciation and obsolescence, debt service, equipment and building replacement, special services, local improvements, city-owned utilities, trust funds and endowments, and such other purposes as the Council may determine.

Section 7.10 Transfer of Funds: The City Manager may at any time transfer any unencumbered appropriation balance, or portion thereof, from one classification of expenditure to another within the same department, office, or agency. Report of any such transfer shall be made to the Council. The Council may, by resolution, transfer any unencumbered appropriation balance or portion thereof from one department, office, or agency to another. The Council may also by resolution, transfer any excess earnings of any City-owned utility to the General Fund of the City without establishing a liability for the same.

Financial Policies

Section 7.11 Additional Appropriations: The Council may make additional appropriations by ordinance during the fiscal year for unanticipated expenditures required of the City, but such additional appropriations shall not exceed the amount by which actual and anticipated revenues of the year are exceeding the revenues as estimated in the budget, unless the appropriations are necessary to relieve an emergency endangering the public health, peace or safety.

Section 7.12 Departmental Appropriations Revert: Any annual departmental appropriation, or any portion thereof, remaining unexpended and unencumbered at the close of the fiscal year, shall revert to the respective fund.

Section 7.13 Expenditures Forbidden: No expenditures shall be made for any charitable or benevolent purposes to any person, corporation, or organization not under the control of the City, nor to any denominational or sectarian institution or association.

Section 7.14 Audit of Accounts: An independent audit shall be made annually of all financial affairs of the City, and more frequent audits may be made if deemed necessary by the Council. Such audits shall be made by certified public accountants, experienced in municipal accounting, selected by the Council.

Purchasing Policy

Chapter 2.2 of Title 2 of the City of Gunnison Code contains the following policies related to purchasing:

2.20.010 Purpose. The purpose of these policies and procedures is to provide for the fair and impartial treatment of all persons involved in public purchasing by the city of Gunnison. The intent is to maximize the purchasing value of public funds. It is also intended to encourage effective economic competition while providing safeguards for maintaining a purchasing system with quality and integrity. (Ord. 10-1999 § 1; Code 1997 § 2-2-1).

2.20.020 Goals and objectives. The following goals and objectives are intended to be minimum standards which shall apply to the city of Gunnison's purchase of goods and services:

- A. Comply with the State of Colorado Revised Statutes, as amended.
- B. Purchase for the city the best economic advantage, while maintaining the highest quality of services and goods necessary to accomplish the functions of municipal government.
- C. Provide a uniform procedure for the purchase of materials, equipment, and services.
- D. Consolidate purchases to achieve maximum economic benefits, wherever possible.
- E. Purchase goods and services from local vendors, using local preference as stated in GMC 2.20.170, when their goods and services are economically competitive and their quality is comparable to other goods and services.
- F. Require all vendors and other suppliers to fulfill all terms and conditions of contracts and purchase orders.

Financial Policies

G. Secure all applicable federal and state tax exemptions appropriate to purchases or contracts for services.

H. Assure applicability to all city departments, including elected offices. (Ord. 8-2014; Ord. 10-1999 § 1; Code 1997 § 2-2-2).

2.20.030 Responsibility. The city manager shall be the purchasing agent for all departments, offices, and divisions of the city, as specified in the City of Gunnison Municipal Home Rule Charter. The city manager may recommend such further written procedures as are necessary to implement the policies stated herein.

Authority to Purchase. The following personnel will have the authority to purchase for the city of Gunnison:

A. The city manager, in cooperation with the director of finance, are hereby designated as the monitoring agents for the acquisition of goods and services, in accordance with the budget approved by the city council. The city manager may choose to further delegate purchasing authority.

B. City council, the city manager, designated department head or their designee must approve and sign the following types of contracts, regardless of the dollar amount:

1. Multi-year contracts of any nature;
2. Challenge grant and continuing challenge grant contracts;
3. Youth challenge grant contracts;
4. Contracts for service;
5. Real estate purchase contracts;
6. Contracts relating to the sale of bulk utilities, other than normal retail transactions;
7. Purchase of goods or services over \$50,000.

C. Notwithstanding the provisions of Section 7.10 of the City of Gunnison Municipal Home Rule Charter, the city manager shall consult with the city council before making a purchase that is beyond the scope and intent of the budget approved by the city council. (Ord. 8-2014; Ord. 7-2006 § 1; Ord. 10-1999 § 1; Code 1997 § 2-2-3).

2.20.040 Ethical relationships with vendors and suppliers. All city personnel are obligated to establish and maintain ethical relationships with all vendors or suppliers of city goods and services. Acceptance or solicitation of entertainment, loans, gifts, or special consideration from vendors or suppliers for personal benefit by city personnel is prohibited. (See Section 8.12 of the city of Gunnison employee handbook.) The following are examples of unacceptable city employee relationships with vendors or suppliers. The list is not intended to be all-inclusive. City employees must also consider the appearance of fairness and propriety in their relationships with city vendors or suppliers.

Financial Policies

A. Seeking or accepting directly from any persons, partnerships, corporations, or other business entities or representatives which are doing or seeking to do business with the city of Gunnison, services, cash or loans, vacations or pleasure trips, or any gifts exceeding the value of \$50.00.

B. Knowingly over- or underestimating the requirements of this policy and/or bids or failing to disclose the existing requirements in order to avoid doing business with a particular vendor or supplier.

C. Misrepresenting competitors' prices, quality, or services in order to obtain concessions from vendors or suppliers.

D. Having personal investments in any business entity which will create a substantial conflict between private interests and public duties when the city of Gunnison employee is involved in making a particular purchasing decision.

Inexpensive advertising items bearing the name of a vendor, such as pens, pencils, paper weights, cups, caps, candy, calendars, etc., are not considered articles of value or gifts in relation to this policy. (Ord. 8- 2014; Ord. 10-1999 § 1; Code 1997 § 2-2-4).

2.20.050 Petty cash. Shipping charges, postage fees, and laundry expenses for the animal shelter are regular allowable purchase reimbursements through petty cash. All other expenses must be reimbursed through the weekly accounts payable voucher system. Specific exceptions may be made with the approval of the finance director only.

The following accounts are provided in order to reduce the need for petty cash:

A. Courier Services.

1. Available to all city departments for air services including next-day and second-day air. Some preprinted forms are available in the City Hall mail room. Packages may be arranged for pickup or taken to a local drop. A current list of local drops is available in the finance department. Some additional charges may apply.
2. Ground service by some vendors must be paid through petty cash.

B. Food purchase charge accounts are available to all city departments at many food-vending businesses within the city limits. A list of businesses with charge accounts is available in the finance department. City employees should call ahead to businesses to verify charging approval. The accounts payable personnel can verify approval when requested. (Ord. 10-1999 § 1; Code 1997 § 2-2-5).

2.20.060 Purchase orders. A purchase order is a contract to purchase goods or services from a specific vendor, and should be treated as such. The city of Gunnison does not require a purchase order unless specifically requested by a vendor. Procedure:

A. A purchase order is initiated by a purchase requisition. All purchase requisitions must include the following:

1. Requisition date;

Financial Policies

2. Item to be purchased (including item number, quantity, and description);
3. Account number to be charged;
4. Amount – projected cost of purchase;
5. Shipping costs; and
6. Authorized signature.

B. After the purchase requisition is completed, approved and signed by the department head or designee, a purchase order will be prepared by the purchasing agent or designee. The city manager and finance director, or their designees, will check the purchase order and attached purchase requisition for completeness and sign the purchase order. The purchase order copies are then distributed to the appropriate departments. One copy is kept in the purchase order file. It is the responsibility of the department to keep the original purchase order documentation and administer the purchase (mail hard copy to vendor, acknowledge receipt, accept invoice and process interim and final payments). (Ord. 10-1999 § 1; Code 1997 § 2-2-6).

2.20.070 Cooperative purchasing. This is the process of bidding like requirements with other governmental entities to purchase in quantities. This practice may sometimes be beneficial for all entities involved as it may result in lower per-unit costs, while still assuring bid requirements are met. When cooperative bidding is done, each entity shall supply its own requirements; however, one entity shall be chosen to administer the bid process. Bid awards are to be determined either on an individual basis or as a total, whichever is the most cost-effective to all bidders.

In accordance with Section 11.6 of the City of Gunnison Municipal Home Rule Charter, the council may, by resolution or by ordinance, enter into contracts or agreements with other governmental units or special districts for the use of buildings, equipment, or facilities, and for furnishing or receiving commodities or services. (Ord. 10-1999 § 1; Code 1997 § 2-2-7).

2.20.080 State bid awards. State bid awards made by the Purchasing Division of the state of Colorado are available for use by local government agencies to purchase goods and services at a reduced price due to quantity discounts. Using the state bid awards does not require the bidding process by individual entities. (Ord. 10-1999 § 1; Code 1997 § 2-2-8).

2.20.090 Bulk purchasing. Whenever feasible, purchasing shall be done in bulk in order to take full advantage of discounts. Departments shall be responsible for anticipating needs in a timely fashion in order to consolidate and expedite purchasing of the same type of supplies or contracts. (Ord. 10-1999 § 1; Code 1997 § 2-2-9).

2.20.100 Emergency purchasing. The city manager, or designee, subject to review by the city council, shall have the right to make emergency purchases in excess of the limits of this policy and without using the aforementioned procedures when there exists a threat to public health, welfare, or safety under emergency circumstances. The purchasing agent for the city should still secure, by informal bid procedure, at the "best value," any such materials, supplies, equipment or services. Such informal bid procedures shall, to the extent possible, consist of obtaining quotes either by telephone, in writing, or by electronic transmission from at least three suppliers of the product or service to be purchased. A written determination of

Financial Policies

the basis for the emergency shall accompany the purchase order or voucher. (Ord. 10-1999 § 1; Code 1997 § 2-2-10).

2.20.110 Formal purchase procedure. The city manager, or designee, acting as the purchasing officer for the city of Gunnison, shall follow the procedures set forth in this section to call for competitive bids for all formal purchases of tangible goods, services and supplies for the city of Gunnison.

A. The city manager, or designee, shall require a request for bid be published at least one time in a newspaper of legal record in the city of Gunnison. The publication of the invitation to bid shall not be less than 10 days prior to the date set for the official bid opening. The invitation to bid shall contain the following information:

1. A description of the work to be performed or the product to be purchased;
2. The location where copies of plans, specifications, and other bid documents may be examined and/or obtained;
3. The time and place where bids will be received and opened;
4. A statement that the city reserves the right to reject any and all bids that are not in the best interest of the city of Gunnison.

B. Before submitting a bid, an applicant shall be responsible for the following:

1. A thorough examination of the bid documents and requirements;
2. An inspection of the project site in order to be familiar with the local conditions that may in any manner affect cost, progress, or performance of the work;
3. Familiarization with federal, state, and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, or performance of the work.

C. The city reserves the right to reject any and all bids, and the right to disregard all nonconforming, nonresponsive or conditional bids. If conflicts arise between the provisions of the text and any table, illustration, graphic depiction, or number or calculation, the provisions of the text shall apply. In the event that all bids exceed the funds allocated in the city of Gunnison's budget, the city reserves the right to reduce the scope of work or reject all bids. The city may negotiate with the lowest responsible bidder to reduce the scope of work as required to conform to the funds available. Entering into negotiations does not guarantee the subsequent award of the bid.

D. The city shall conduct such investigations as deemed necessary to assist in the evaluation of any bid and to establish the responsibility, qualifications and financial ability of the bidders, proposed subcontractors and other persons and organizations to do the work in accordance with the contract documents to the city's satisfaction within the contract time. The city reserves the right to reject the bid of any bidder who does not pass any such evaluation to the city's satisfaction. If the contract is awarded, it will be awarded to the bidder who, by evaluation, the city determines will best meet the city's interest.

Financial Policies

E. The city may consider the qualifications and experience of the subcontractors and other persons and organizations (including those who are to furnish the principal items of material or equipment) identified for any portion of the work. Operating costs, maintenance considerations, performance data and guarantees of time, materials and equipment may also be considered by the city. (Ord. 8-2014; Ord. 7-2006 §§ 2, 3; Ord. 10-1999 § 1; Code 1997 § 2-2-11).

2.20.120 Disqualification of bids. Failure to complete the bid form or to meet the requirements identified in the bid specifications shall constitute grounds for the rejection or disqualification of a bid. A bid will not be accepted from, nor shall a contract be awarded to, any person, firm, or corporation that is in arrears to the city of Gunnison upon debt or contract, or that is a defaulter on surety or otherwise upon any obligation to the city. Bidders may be required to submit satisfactory evidence that they have a practical knowledge of the project and that they have the necessary financial resources to complete the proposed work. (Ord. 10-1999 § 1; Code 1997 § 2-2-12).

2.20.130 Bid openings. Bids shall be opened in the presence of one or more witnesses and read aloud at the time and place stated in the invitation to bid. All bid openings shall be open to the public. Bidders, their representatives, and other interested parties are encouraged to attend the bid opening. Bids not submitted by the required deadline are ineligible for consideration and will not be opened. (Ord. 10-1999 § 1; Code 1997 § 2-2-13).

2.20.140 Award of contract. The city shall issue a notice of award (verbal or written) to the successful bidder within a reasonable time frame following the bid opening. Failure to enter into a contract with the city within a specified time frame shall be just cause for annulment of the award, and forfeiture of the bid guaranty (if applicable). The award of the contract may then be made to the next higher and qualified bidder in the same manner as previously prescribed. (Ord. 10-1999 § 1; Code 1997 § 2-2-14).

2.20.150 Bids for construction contracts of \$50,000 and over. The bid procedure for construction contracts equal to or greater than \$50,000 shall be the same as set forth for purchase of tangible goods, services, and supplies in this chapter except:

A. When contracting with a consulting or engineering firm for construction projects, said consulting or engineering firm shall be responsible for preparation of the invitation to bid and bid specifications and contracts.

B. All invitations to bid for construction contracts in any amount greater than \$100,000 shall include requirements for bid security. Bid security shall be a bond provided by a surety company authorized to do business in the state of Colorado. Bid security for construction contracts in any amount greater than \$100,000 but less than \$500,000 shall be in an amount that covers 5 percent (5%) of the estimated project cost. Bid security for construction contracts in any amount greater than \$500,000 shall be in an amount that covers 10 percent (10%) of the estimated project cost.

C. Following a sufficient period of time for review and inspection by city staff, all bids for a construction contract of \$50,000 and over shall be awarded by the city council at a regular meeting or at a special meeting called for such approval, authorizing the mayor, mayor pro tem, city manager or designated department head to sign said contract. (Ord. 8-2014; Ord. 7-2006 § 4; Ord. 10-1999 § 1; Code 1997 § 2-2-15).

Financial Policies

2.20.160 Requirements for informal and formal bids per purchase.

Threshold	Bids/Proposal	Notice	Authorization
Up to \$2,000	Buyer's best judgement	None required	Department
\$2,001 - \$25,000	Informal Purchase. A minimum of three informal written bids conforming to bid specifications shall be solicited prior to the purchase of any goods or entering into a contract for services. An informal written bid shall be a firm written price or quote for specific goods or services, which is valid for no less than 30 days.	None required	Department
\$25,001 - \$50,000	Formal Purchase. Formal sealed bids shall be required.	Request for bids shall be advertised in a newspaper of legal record a minimum of 10 days prior to the date set forth for bid opening.	City Manager
\$50,001 and over	Formal Purchase. Formal sealed bids shall be required.	Request for bids shall be advertised in a newspaper of legal record a minimum of 10 days prior to the date set forth for bid opening.	City Council

2.20.170 Local preference. It is the intention of the city of Gunnison whenever possible to use, without significant additional cost to the taxpayers, local businesses for the purchase of goods and supplies and all general services. The city intends to give local businesses an advantage in the bidding process so that funds received from such contracts will be spent by the employees of local businesses in the local economy. For the purposes of this policy, a "local business" shall be defined as any business located or based in Gunnison County. If a purchase is equal to or less than \$250,000, a local business shall be awarded a contract if its bid is within 10 percent of the lowest responsible bidder who does not have the local business designation. If a purchase is more than \$250,000, a local business shall be awarded a contract if its bid is within three percent of the lowest responsible bidder who does not have the local business designation. In the event that the two lowest responsible bidders each have a local business designation, the lowest responsible bidder shall be awarded the contract. The provisions of the local preference shall be suspended if prohibited by an external source including, but not limited to grantors, creditors, contractual agreements, or force of law.

2.20.180 Formal/informal bid exceptions. The following shall be exempt from formal or informal bidding:

- A. Purchases from federal, state or other local government units;
- B. Purchases made through other governmental entities as may be authorized by ordinance or statute;
- C. Single vendor availability;
- D. Equipment repairs; and

Financial Policies

E. Purchases where use of any other than specific vendors would result in incompatible component parts or would otherwise disrupt or impair services being provided. (Ord. 10-1999 § 1; Code 1997 § 2-2- 18).

2.20.190 Authority to debar or suspend. After reasonable notice to the person involved and reasonable opportunity for that person to be heard, the city manager or designee, after the approval of the city council, is authorized to debar a person for cause from consideration for award of contracts. The debarment shall be for a period of not more than three years. After the approval of the city council, the city manager is authorized to suspend a person from consideration for award of contracts if there is probable cause to believe that the person has engaged in any activity which might lead to debarment. The suspension shall be for a period not to exceed three months. The causes for disbarment include:

A. Conviction or commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract or in the performance of such contract or subcontract;

B. Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or any other offense indicating a lack of business integrity or business honesty which currently, seriously and directly affects responsibility as a city contractor;

C. Conviction under state or federal antitrust statutes arising out of the submission of bids or proposals;

D. Violation of contract provisions, as set forth below, of a character which is regarded by the city manager to be so serious as to justify debarment action:

1. Deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract;
2. A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for debarment.

E. After approval of a debarment or suspension by the city council, the city manager shall issue a written order to debar or suspend, which order shall be immediately mailed, by first class mail, or personally delivered to the debarred or suspended person. The order shall state the reasons for the action taken. (Ord. 10-1999 § 1; Code 1997 § 2-2-19).

Fund Balance Policy

The following Fund Balance (Cash Reserve) Policy was adopted by City Council on January 12, 2016:

Purpose

It is essential that the City of Gunnison maintain adequate levels of fund balance to mitigate current and future risks (e.g. revenue shortfalls and unanticipated expenditures), meet emergency obligations, avoid interruptions in cash flow, generate interest income, and maintain a sound bond rating. Fund balance levels are an important consideration in long-

Financial Policies

term financial planning and credit agencies carefully monitor levels of funds to evaluate a government's continued creditworthiness. This policy establishes appropriate levels of reserves, or Fund Balance, for each fund within the City's operations, recognizing the unique needs and differing situations for the various funds.

- Each fund should maintain a fund balance at a level that will provide for a positive cash balance throughout the fiscal year, which will reduce the likelihood of having to enter into short-term debt to pay for current operating expenditures.
- Adequate fund balances will be maintained so major unplanned occurrences will not jeopardize the financial position of the City.
- Fund balance may be used as appropriate (and approved by the City Council) under sound management practices when current revenues are not adequate to cover current expenditures.

Fund Balance

For the purposes of this policy, Fund Balance is defined as accumulated revenues over expenditures that may be appropriated for use by City Council. More specifically, Fund Balance is associated with the current financial measurement focus as measured during budget development. Available resources (current assets minus current liabilities) will be used to calculate adherence to the below policy statement. Within the Fund Balance, specific reserves have been set aside as prescribed by this Reserve Policy. Excluding the TABOR or other reserves imposed by law or otherwise restricted due to contractual obligations, the reserves may be adjusted depending on current city financial conditions. It is the policy of the City Council to ensure the fiscal health of the community against unforeseen circumstances by maintaining reserves at sufficient levels for operations to continue.

GOVERNMENTAL FUNDS

General Fund

- Because of the City's dependence on sales tax revenue in a tourism-based economy, a cautious approach to managing fund balance reserves is warranted.
- **Unrestricted Fund Balance**
Unrestricted fund balance comprises the committed, assigned, and unassigned fund balance categories. Within the unrestricted fund balance, the unassigned reserves should be a minimum of thirty-three percent (33%) of approved General Fund operating expenditures (excludes capital projects and transfers). Within the unrestricted fund balance, unassigned reserves should not exceed forty percent (40%) of approved General Fund operating expenditures. Council may authorize, through long-term financial planning and budget processes, the transfer of excess unassigned reserves to assigned or committed reserves for a designated future capital expense.
- **Exceptions**
The City Council may exempt the following expenditures from the above and foregoing minimum and maximum thresholds for unassigned reserves:
 - *Pass-through Expenditures to Another Entity* – Pass-through expenditures for another entity wherein such expenditures are automatically adjusted depending on fluctuations in a specific revenue stream due to legislation or contract terms.
 - *Transfers to Other Funds* – One-time, non-operational transfers to other budgetary funds within the City of Gunnison.
 - *One-Time Expenditures* – Capital expenditures or specific one-time expenditures as identified by the City Council.

Financial Policies

- **Restricted Fund Balance - TABOR Reserve**

Article X, Section 20 of the Colorado Constitution requires a three percent (3%) reserve for emergencies. The use of this reserve is restricted to the purpose for which it was established and can be used solely for declared emergencies, which excludes financial emergencies.

Special Revenue Funds (Conservation Trust and Ditches)

- In general, no minimum reserve is required.
- The desired minimum reserve should be the subsequent year's annual operating expenditures (unassigned reserves should exceed one-hundred (100%) of approved operating expenditures). This would allow for one budget cycle to determine funding of expenditures if the single revenue source were discontinued.

PROPRIETARY FUNDS

Enterprise Fund

- **Electric Division** – due to the critical equipment in the electric substations, the desired reserve level is \$1,000,000.
- **Water Division** – due to the critical needs of water storage tanks, the desired reserve level is \$1,000,000.
- **Sewer Division** – due to the critical operations of the wastewater treatment plant, the desired reserve level is \$1,000,000.

Financial Policies

Basis of Budgeting and Accounting

The basis of accounting for governmental funds is modified accrual. The basis of budgeting for governmental funds is also modified accrual. The basis of accounting for proprietary funds is full accrual, and the basis of budgeting proprietary funds is full accrual. Revenues are recognized in the accounting period in which they become "available and measurable."

The City budgets on a calendar year, January 1 – December 31 for all funds. Any increase to the adopted budget requires that a supplemental budget and appropriation be approved by second reading of an Ordinance, with prior published notice of the proposed change (C.R.S. 29-1-109). Expenditures must not exceed appropriations approved by the City Council (C.R.S. 29-1-110). The appropriations are established by classification and function.

According to Colorado State Statute (C.R.S. 30-25-202), moneys credited to Capital Funds shall not revert or be transferred to any other fund.

Definition of a Balanced Budget

The recommended budget presented annually to the City Council of the City of Gunnison shall be balanced by fund. According to C.R.S. 29-1-103 no budget adopted shall provide for expenditures in excess of available revenues and beginning fund balances.

Investment Policy

The following Investment Policy was adopted by City Council on January 23, 2014:

POLICY

It is the policy of the City of Gunnison ("the City") to invest public funds in a manner that will provide preservation of capital, meet the daily liquidity needs of the City, diversify the City's investments, conform to all local and state statutes governing the investment of public funds, and generate market rates of return.

This Investment Policy addresses the methods, procedures and practices which must be exercised to ensure effective and judicious fiscal and investment management of the City's funds. It replaces any previous investment policy or investment procedures of the City.

This Investment Policy was adopted by the City Council of the City of Gunnison on January 28th, 2014.

SCOPE

This Investment Policy shall apply to all funds accounted for in the City's Comprehensive Annual Financial Report.

Financial Policies

The City consolidates cash balances from all funds to maximize investment earnings, except for the cash in restricted and special funds. Investment income is allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

INVESTMENT OBJECTIVES

The City's principal investment objectives are:

- Preservation of capital and protection of investment principal.
- Maintenance of sufficient liquidity to meet anticipated cash flows.
- Attainment of a market rate of return.
- Diversification to avoid incurring unreasonable market risks.
- Conformance with all applicable City policies, State statutes and Federal regulations.

INVESTMENT ADVISORY BOARD

An Investment Advisory Board shall be appointed by City Council and shall consist of the City Finance Director, the City Manager, a representative from the City Council and two representatives from the community. The community representatives must either live within the City limits or be primarily employed by a local business within the City limits. The community representatives shall be re-appointed every two years, at the first regular Council meeting in December of odd numbered years. The Investment Advisory Board shall meet semi-annually, during the second and fourth quarters of the year.

DELEGATION OF AUTHORITY

The Finance Director, along with guidance from the Investment Advisory Board, is vested with responsibility for managing the City's investment program and for implementing this Investment Policy. The Finance Director may delegate the authority to conduct investment transactions and to manage the operation of the investment portfolio to other specifically authorized staff members. No person may engage in an investment transaction except as expressly provided under the terms of this Investment Policy.

The Finance Director, along with the Investment Advisory Board, shall establish procedures and internal controls for the operation of the City's investment program, designed to prevent loss of public funds due to fraud, error, misrepresentation and imprudent actions.

The Finance Director, along with the Investment Advisory Board, may engage the support services of outside investment advisors with respect to its investment program, so long as it can be demonstrated that these services produce a net financial advantage or necessary financial protection of the City's financial resources.

PRUDENCE

The standard of prudence to be used for managing the City's investment program is the "prudent investor" standard applicable to a fiduciary, which states that a prudent investor

Financial Policies

"shall exercise the judgment and care, under circumstances then prevailing, which men of prudence, discretion, and intelligence exercise in the management of the property of another, not in regard to speculation but in regard to the permanent disposition of funds, considering the probable income as well as the probable safety of capital." (Colorado Revised Statutes 15-1-304, Standard for Investments.)

The City's overall investment program shall be designed and managed with a degree of professionalism that is worthy of the public trust. The City recognizes that no investment is totally without risk and that its investment activities are a matter of public record. Accordingly, the City recognizes that occasional measured losses may occur in a diversified portfolio and shall be considered within the context of the overall portfolio's return, provided that adequate diversification has been implemented and that the sale of a security is in the best long-term interest of the City.

The Finance Director and other authorized persons acting in accordance with established procedures and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided appropriate action is taken to control adverse developments and any deviations from expectations are reported to the City Council in the next quarterly financial report.

ETHICS AND CONFLICTS OF INTEREST

City employees and Investment Advisory Board members involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the City's investment program or that could impair or create the appearance of an impairment of their ability to make impartial investment decisions. Employees and investment advisory board members shall disclose to the Finance Director any financial interest they have in financial institutions that conduct business with the City, and they shall subordinate their personal investment transactions to those of the City.

AUTHORIZED SECURITIES AND TRANSACTIONS

All investments will be made in accordance with the Colorado Revised Statutes as follows: C.R.S. 11-10.5-101, et seq. Public Deposit Protection Act; C.R.S. 24-75-601, et. seq. Funds - Legal Investments; C.R.S. 24-75-603, Depositories; and C.R.S. 24-75-702, Local governments – authority to pool surplus funds. Any revisions or extensions of these sections of the statutes will be assumed to be part of this Investment Policy immediately upon being enacted.

This Investment Policy further restricts the investment of City funds to the following types of securities and transactions:

1. Direct obligations of the United States with a maximum maturity of five years from the settlement date, unless the governing body authorizes a longer maturity period.
2. Obligations of U.S. Government Agencies with a maximum maturity of five years from the settlement date, unless the governing body authorizes a longer maturity period. Specifically mentioned in the law are securities issued by FNMA (federal national mortgage association) "Fannie Mae"; by GNMA (government national mortgage association) "Ginnie Mae"; by FHLMC (federal home loan mortgage corporation) "Freddie Mac"; by the federal

Financial Policies

farm credit bank; by the federal land bank; by the export-import bank; by the Tennessee valley authority; and by the world bank.

3. Securities of entities or organizations not listed above, but created by, or authorized to be created by legislation of, the U.S. congress where the issuing agency is subject to control by the federal government at least as extensive as that which governs the agencies listed above. The period from the settlement date to its maturity shall be no longer than five years, unless the governing body authorizes a longer maturity period.

4. General obligations of any state of the United States, the District of Columbia, the territorial possessions of the U.S., or political subdivision, institution, department, agency, instrumentality, or authority of any of such governmental entities. These securities must be rated in the highest two rating categories by two or more nationally recognized rating agencies. The period from the settlement date to its maturity shall be no longer than three years, unless the governing body authorizes a longer maturity period.

5. Revenue obligations of any state of the United States, the District of Columbia, the territorial possessions of the U.S., or political subdivision, institution, department, agency, instrumentality, or authority of any of such governmental agencies. These securities must be rated in the highest rating category by two or more nationally recognized rating agencies. The period from the settlement date to its maturity shall be no longer than three years.

6. The investing local government's own securities including certificates of participation and lease obligations.

7. Any interest in a local government investment pool pursuant to CRS § 24-75-701, et seq.

8. Repurchase agreements for any of the U.S. Government and agency securities listed in paragraphs one and two above, under certain conditions, including that the securities must be marketable; that the market value of such securities at all times must be at least equal to the funds invested by the investing public entity; and that the title must be transferred and the securities must actually be delivered versus payment. The securities subject to repurchase agreement may have a maturity in excess of five years, however the period from the settlement date of the repurchase agreement to its maturity shall be no longer than five years unless the governing body authorizes a longer maturity period.

9. Reverse repurchase agreements for any of the U.S. Government and agency securities listed in paragraphs one and two above, subject to several conditions, including that necessary transfer documents must be transferred to the investing public entity; cash must be received by the investing public entity in a delivery versus payment settlement; that the market value of such cash received from such reverse repurchase agreement at all times must be at least equal to the funds invested by the investing public entity; that the repurchase agreement is not greater than ninety days in maturity from the date of settlement unless the governing body authorizes a longer maturity period; that the counter-party meets the credit conditions of an issuer that would qualify under paragraph thirteen below; that the value of all securities does not exceed eighty percent of the total deposits and investments of the investing public entity; and that no securities are purchased with the proceeds of the reverse repurchase agreement that are greater in maturity than the term of the reverse repurchase agreement.

Financial Policies

10. Securities lending agreement, subject to certain conditions, including that necessary transfer documents must be transferred to the investing public entity; securities must be received by the investing public entity in a simultaneous settlement; that the market value of such securities at all times must be at least equal to the securities lent by the investing public entity; that the counter-party meets the credit conditions of an issuer that would qualify under paragraph thirteen below; and that in the case of a local government, the securities lending agreement shall be approved and designated by written resolution adopted by a majority vote of the governing body and recorded in its minutes.

11. Certain money market funds. Statutes impose several conditions including: registration of the fund under the federal "Investment Company Act of 1940"; that the fund seeks to maintain a constant share price; the fund charges no sale or load fees unless the governing body of the public entity authorizes such a fee at the time of purchase; the securities have maximum maturity as specified in rule 2a-7 of the federal "Investment Company Act of 1940"; the fund has assets of a certain amount; or has the highest current rating from at least one nationally recognized rating agency; and the dollar-weighted average portfolio maturity meets requirements of rule 2a-7 with additional limitations.

12. Certain guaranteed investment contracts rated in one of the two highest rating categories by two or more nationally recognized securities ratings agencies that regularly issue such ratings; with a maturity not greater than three years; contracts with a maturity of greater than three years shall only be purchased with debt, certificates of participation, or lease-purchase agreement proceeds, but no refunding proceeds.

13. U.S. dollar denominated corporate or bank security, issued by a corporation or bank organized and operating within the United States; the debt matures within three years; at the time of purchase the debt must carry at least two ratings from any nationally recognized statistical ratings organizations. If the security is a money market instrument such as commercial paper or bankers' acceptance, then it must not be rated below "A1, P1, or F1"; any other type of security must not be rated below "AA- or AA3" by either of the two ratings used to fulfill the two rating requirements. The book value of the local government's investment in this type of debt shall at no time exceed 50% of the government's investment portfolio, or five percent of the book value if the debt is issued by a single corporation or bank unless the governing body authorizes a greater percent. No subordinated security may be purchased. No corporate or bank security that is not organized outside of the U.S. may be purchased unless the governing body authorizes such investment.

The foregoing list of authorized securities and transactions shall be strictly interpreted. Any deviation from this list must be pre-approved by the City Council.

The City may, from time to time, issue bonds, the proceeds of which must be invested to meet specific cash flow requirements. In such circumstances and notwithstanding the paragraph immediately above, the reinvestment of debt issuance or related reserve funds may, upon the advice of Bond Counsel or financial advisors, deviate from the provisions of this Investment Policy with the written approval of the Finance Director.

INVESTMENT DIVERSIFICATION

Financial Policies

The City shall diversify its investments to avoid incurring unreasonable risks inherent in over-investing in specific instruments, individual financial institutions or maturities. Nevertheless, the asset allocation in the investment portfolio should be flexible depending upon the outlook for the economy, the securities markets and the City's anticipated cash flow needs.

INVESTMENT MATURITY AND LIQUIDITY

The investment portfolio shall remain sufficiently liquid to meet all cash requirements that may be reasonably anticipated. To the extent possible, investments shall be matched with anticipated cash flows and known future liabilities. Investments shall be limited to maturities not exceeding five years from the date of trade settlement.

SELECTION OF BROKER/DEALERS

The Finance Director shall maintain a list of broker/dealers approved for investment purposes, and it shall be the policy of the City to purchase securities only from those authorized firms.

To be eligible, a firm must meet at least one of the following criteria:

1. Be recognized as a Primary Dealer by the Federal Reserve Bank of New York or have a Primary Dealer within its holding company structure,
2. Report voluntarily to the Federal Reserve Bank of New York,
3. Qualify under Securities and Exchange Commission (SEC) Rule 15c3-1 (Uniform Net Capital Rule).

The Finance Director, along with the Investment Advisory Board, will select broker/dealers on the basis of their expertise in public cash management and their ability to provide service to the City's account. Each authorized broker/dealer shall be required to submit and annually update a City approved Broker/Dealer Information Request form that includes the firm's most recent financial statements.

The City may purchase commercial paper from direct issuers even though they are not on the approved broker/dealer list as long as they meet the criteria outlined in item 5 of the Authorized Securities and Transactions section of this Investment Policy.

COMPETITIVE TRANSACTIONS

All investment transactions shall be conducted competitively with authorized broker/dealers. At least three broker/dealers shall be contacted for each transaction and their bid or offering prices shall be recorded. If the City is offered a security for which there is no other readily available competitive offering, quotations for comparable or alternative securities will be documented.

SAFEKEEPING AND CUSTODY

The Finance Director, along with the Investment Advisory Board, shall approve one or more banks to provide safekeeping and custodial services for the City. A City approved safekeeping

Financial Policies

agreement shall be executed with each custodian bank. Each financial institution that holds City securities in safekeeping is known as a "custodian" bank. The City's safekeeping banks shall qualify as eligible public depositories as defined in C.R.S. 11-10.5-103.

The purchase and sale of securities and repurchase agreement transactions shall be settled on a delivery versus payment basis. Ownership of all securities shall be perfected in the name of the City. Sufficient evidence to title shall be consistent with modern investment, banking and commercial practices.

All investment securities, except non-negotiable Certificates of Deposit, Local Government Investment Pools and Money Market Mutual Funds, purchased by the City will be delivered by either book entry or physical delivery and will be held in third-party safekeeping by the City approved custodian bank, its correspondent bank or the Depository Trust Company (DTC).

All Federal wireable book entry securities shall be evidenced by a safekeeping receipt or a customer confirmation issued to the City by the custodian bank stating that the securities are held in the Federal Reserve system in a Customer Account for the custodian bank which will name the City as "customer."

All Depository Trust Company (DTC) eligible securities shall be held in the custodian bank's DTC participant account and the custodian bank shall issue a safekeeping receipt evidencing that the securities are held for the City as "customer."

The City's custodian will be required to furnish the City a monthly report of safekeeping activity, including a list of month-end holdings.

PERFORMANCE BENCHMARKS

The investment portfolio shall be designed to attain a market rate of return throughout budgetary and economic cycles, taking into account prevailing market conditions, risk constraints for eligible securities, and cash flow requirements. The performance of the investment portfolio shall be compared to the average yield on the U.S. Treasury security that most closely corresponds to the investment portfolio's weighted average effective maturity. When comparing the performance of the investment portfolio, all fees involved with managing it shall be included in the computation of its rate of return net of fees.

REPORTING

The Finance Director will submit a quarterly report to the City Council and the Investment Advisory Board, listing the investments held by the City, book and market values of the investments and performance results. The report shall include a summary of investment earnings during the period.

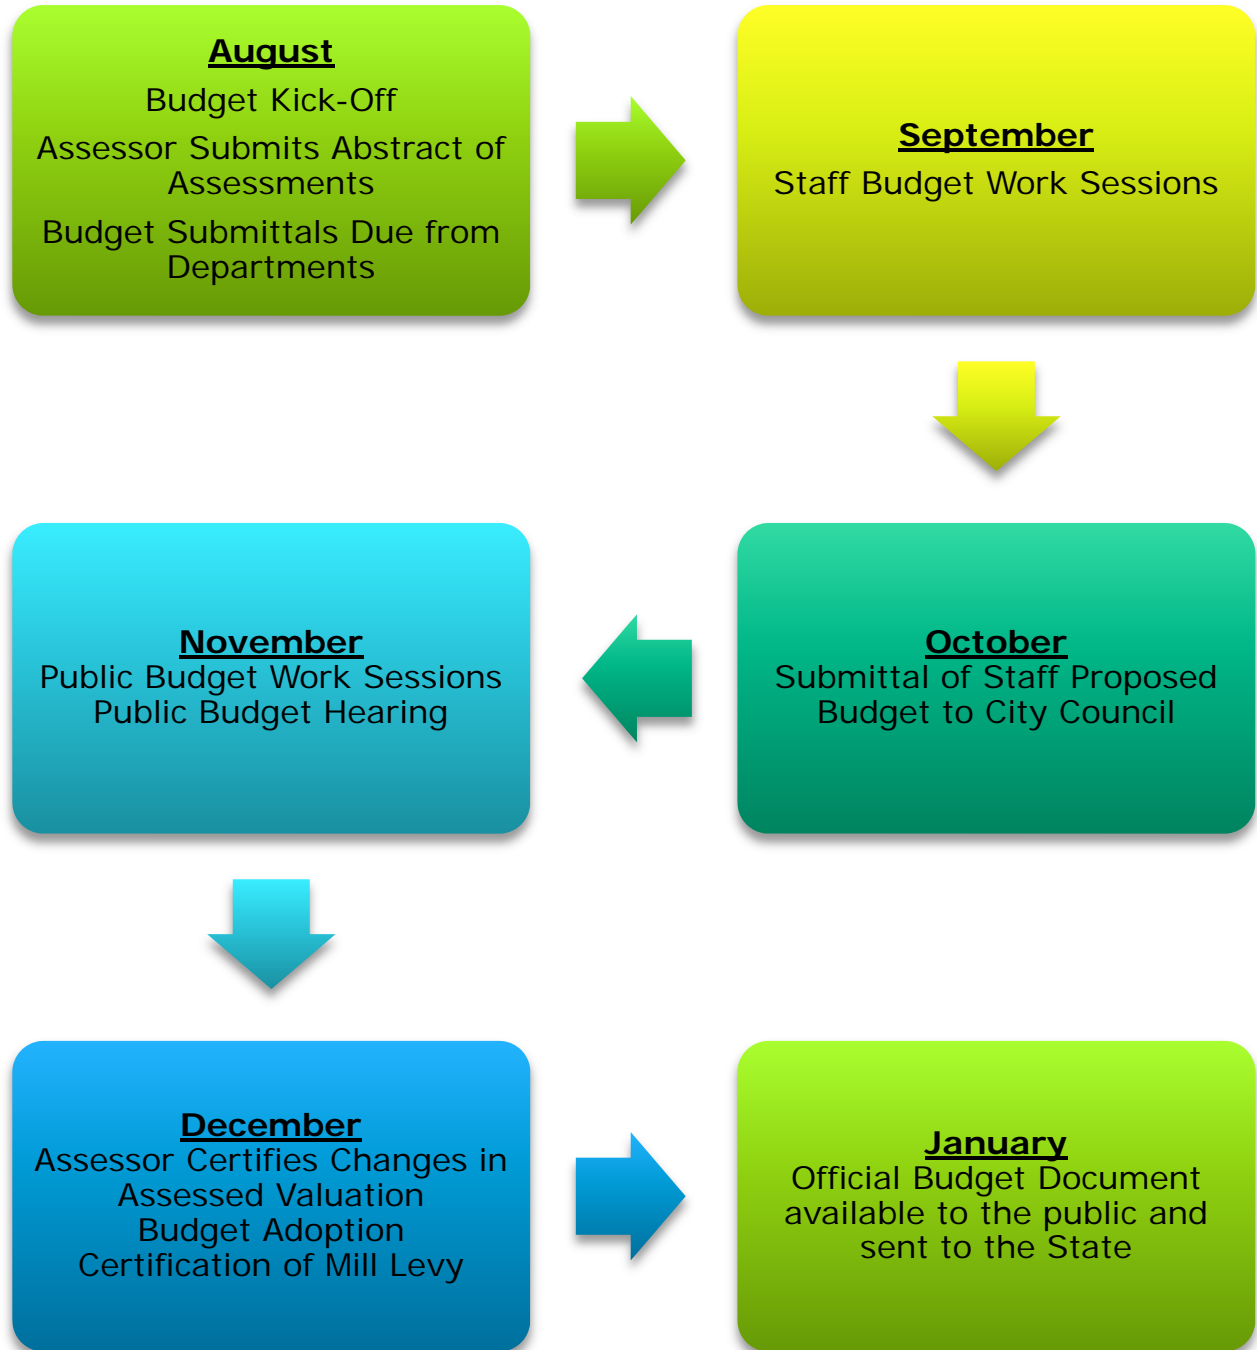

POLICY REVISIONS

This Investment Policy shall be reviewed annually by the Finance Director and the Investment Advisory Board and may be amended by the City Council as conditions warrant.

GREEN TEXT DENOTES CITIZEN INPUT OPPORTUNITIES

It is important to ensure that City Council is getting the public's perspective rather than only that of a small number of highly vocal special interest groups. To this end, the hosts an event called City Fest in July, wherein the City provides informative displays and gathers public input in exchange for a free lunch.

Each August, the City Manager and the Finance Department meet at the budget kick-off to discuss the budget process and key budget priorities. Budget Preparation Manuals are distributed to department directors for use in preparing their budget submittals.

Throughout August and September, the Finance Department conducts several workshops with departments to assist with calculating current year projections; setting user fees; allocating staff costs among departments; and generally completing the various required forms for the budget submittal.

On September 20, each department submits their budget along with any required special requests for staff, capital expenditures, and target enhancements and transfers.

In September, all departments meet with the City Manager and Finance staff to prepare and review the Staff Proposed Budget.

No later than October 15 of each year, the Staff Proposed Budget is presented to the City Council.

Upon receipt of the proposed budget, notice is published within ten days, containing:

1. The date and time of a public hearing at which the adoption of the proposed budget will be considered,
2. The location where the proposed budget may be inspected, and
3. A statement that any interested elector may file objections to the proposed budget at any time prior to the final adoption.

During October and November, the City Council meets to consider input from the public and revises the Staff Proposed Budget with changes they deem necessary. Numerous public work sessions are held to review various aspects of the proposed budget. A final Public Hearing for the budget is scheduled to consider citizen input.

No later than December 10 of each year, the Assessor certifies any changes in the assessed valuation to local jurisdictions and the Colorado Division of Property Taxation.

Final budget adoption is scheduled prior to or on December 15 of each year.

The Official City of Gunnison Budget Document is submitted to the State of Colorado Department of Local Affairs by January 31.

Budget Process and Policies

Budgetary Level of Control

The level of budgetary control is at the fund level. No spending agency may expend, or contract to expend, any money in excess of the amount appropriated in the appropriation resolution.

Administratively, operating budgets are controlled at the department level with departments having the authority to transfer appropriations between line items in their department upon approval by the City Manager. Additional appropriations or transfers outside any department are approved by ordinance.

Budget Amendments

Throughout the year, the budget may be amended from time to time based on unforeseen circumstances. Any department may submit a request to amend their budget due to an increase/decrease in revenues (i.e., receipt of a new grant, change in State or Federal funding, etc.); a request for use of contingency funds; or the transfer of funds between departments. A department is required to submit a budget amendment request form which states why the revision is needed along with the appropriate revenue and/or expenditure account information.

These requests are then reviewed by the City Manager and the Finance Director and submitted for potential approval as a proposed amendment by the City Council.

Proposed Amendments that are approved are then forwarded to the City Council for formal adoption of an ordinance amending the City of Gunnison budget and amending the appropriation ordinance.

Glossary of Budget-Related Terms

Accounting Procedures - All processes which discover, record, classify, and summarize financial information to produce financial reports and to provide internal control.

Accrual Basis - The basis of accounting under which transactions are recognized when they occur, regardless of the timing of related cash flows.

Accrual Expenses - Expenses incurred but not due until a later date.

Allocate - To divide a lump-sum appropriation into parts which are designated for expenditure by specific organizational units and/or for specific purposes, activities, or objects.

Adopted Budget - Required by Colorado Local Government Budget Law. The budget is an annual financial plan for City operations showing all expected revenues and expenditures to be in balance.

Appropriation - Legal authorization granted by the City Council to make expenditures as specified in the appropriating resolution.

Assessed Valuation - Total valuation established by the County Assessor on real and personal property within the City, which is used as a basis for levying taxes.

Available Resources – Current assets minus the current liabilities.

Budget Document - The instrument used by the budget-making authority to present a comprehensive financial program to the appropriating body. The budget document usually consists of three parts. The first part contains a message from the budget-making authority, together with a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the information as to past years' actual revenues, expenditures, and other data used in making the estimates. The third part is composed of drafts of the appropriation, revenue, and borrowing measures necessary to put the budget into effect.

Budget Preparation Manual - The set of instructions and forms sent by the Finance Department to the departments/offices of the City for preparation of their budget requests.

Budgetary Expenditures - Decreases in net current assets. In contrast to conventional expenditures, budgetary expenditures are limited in amount to exclude amounts represented by non-current liabilities. Due to their spending measurement focus, governmental fund types are concerned with the measurement of budgetary expenditures.

Capital Improvements - Public facilities and infrastructure (buildings, bridges, roads) and major share equipment resources (computer systems, telephone systems).

Capital Outlay - Expenditures for equipment, vehicles, or machinery that results in the acquisition or addition to fixed assets.

Charges for Services - Charges to individuals or organizations for a broad array of services. Examples include user fees, reimbursement charges, and sales of documents.

Glossary of Budget-Related Terms

Chart of Accounts - Numbering system used by Gunnison City to designate funds, organizations, revenue sources, and expense objects.

Debt Service - The annual payment of principal and interest on the City's indebtedness.

Enterprise Fund - A fund established to finance and account for the acquisition, operation, and maintenance of governmental facilities and services which are entirely or predominantly self-supporting by user charges.

Estimated Revenue - The amount of projected revenue to be collected during the fiscal year. The amount of revenue appropriated is the amount approved by the Council.

Expenditure - An actual payment made by City check, electronic payment or by inter-fund transfer.

Fees - Any charge levied by government associated with providing a service or imposing a fine or penalty. Major types of fees include user charges, building permits and vehicle registrations.

Fiscal Policy - The City Government's policies with respect to taxes, spending and debt management as these relate to government services, programs and capital investment. Fiscal policy provides a consistent set of principles for planning and programming government budgets.

Fiscal Year - Twelve-month period to which the annual budget applies. The City of Gunnison's fiscal year is the same as the calendar year.

Fringe Benefits - City-funded benefits for employees including social security, retirement, group health, life, unemployment insurance and worker's compensation.

F.T.E. (Full-time Equivalent) - An employee position is converted to decimal equivalent value (equivalent of 2,080 hours or 52 forty-hour weeks).

Fund - Fiscal and accounting entity with self-balancing set of accounts which are segregated usually by financial resources or other special regulations, restrictions, or limitations.

Fund Balance - Difference between the assets and liabilities of a fund. Fund balance is terminology that is applicable to "fund level" reporting of individual governmental funds and is based on the modified accrual basis of accounting. It is used as a measure of the amount available to budget or spend in the future.

GAAFR - (Governmental Accounting, Auditing, and Financial Reporting) - The "blue book" published by the Government Finance Officers Association to provide detailed guidance for the application of accounting principles for governments.

GAAP - (Generally Accepted Accounting Principles) - standards for financial accounting and reporting, which are different for government than for businesses.

Glossary of Budget-Related Terms

General Ledger - Set of accounts, which contain information needed to reflect the financial position and the results of the operations of the City. The debit balances equal the credit balances.

Grant - A contribution by a government or other organization to support a particular function.

Highway User Tax (HUTF) - Revenue that is derived from the state gasoline tax, and restricted for Road and Bridge activities.

Indirect Costs - Costs associated with, but not directly attributable to, the providing of a product or service. These costs are usually incurred by other departments in the support of operating departments.

Interfund Revenues – Revenues derived mainly from charges to other City funds (as well as the occasional outside entity) by Internal Service Funds. Examples include computer service fees, repair and maintenance of vehicles, material sales, telephone fees, and equipment rental.

Interfund Transfer - Amounts transferred from one fund to another.

Intergovernmental Agreement - A concord between two or more governmental units to jointly identify, plan and/or implement a task for their mutual benefit.

Intergovernmental Revenues - Revenue from other governments, primarily Federal and State grants, but also other local governments.

Internal Service Charges - The charges to user departments for internal services provided by another City agency, such as data processing, or for vehicles and heavy equipment.

Internal Service Fund - Funds used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

Mandate - Any responsibility, action or procedure that is imposed by one sphere of government on another through constitutional, legislative, administrative, executive, or judicial action as a direct order or that is required as a condition of aid.

Mill - The property tax rate, which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of property valuation.

Miscellaneous Expenses – This category of expenditures includes classification by objects that don't readily fit into the other reported categories. Generally, these are expenditures that are specific to a particular organization unit that do not correspond to other organizational units within the City government.

Modified Accrual Basis - The accrual basis of accounting adapted to the governmental fund type Spending Measurement Focus. Under it, revenues are recognized when they become both "measurable" and "available to finance expenditures of the current period". Expenditures are recognized when the related fund liability is incurred except for:

Glossary of Budget-Related Terms

- (1) inventories of materials and supplies which may be considered expenditures either when purchased or when used;
- (2) prepaid insurance and similar items which need not be reported;
- (3) accumulated unpaid vacation, sick pay, and other employee benefit amounts which need not be recognized in the current period, but for which larger-than-normal accumulations must be disclosed in the notes to the financial statements;
- (4) interest on special assessment indebtedness which may be recorded when due rather than accrued, if approximately offset by interest earnings on special assessment levies; and
- (5) principal and interest on long-term debt which are generally recognized when due.

Net Assets - Net assets is defined as the difference between assets and liabilities of the governmental entity as an entire unit.

Object - As used in expenditure classification, this term applies to the article purchased or the service obtained (as distinguished from the results obtained from expenditures). Examples are personal services, contractual services, materials, and supplies.

Operating Budget - The grouping of all objects for expenditures that are not personal services (wages and benefits).

Operating Transfer - Routine and/or recurring transfers of assets between funds.

Personnel Costs - This is a basic classification of expenditures by object for services rendered by officers and employees of the government unit, including related salaries, wages, benefits and employer's contributions.

Proposed Budget - Next year budgets that are prepared by each department and submitted to the Finance Department for analysis.

Proprietary Fund - A fund used to account for business-type activities in government. The activities are usually financed with user fees that are directly related to the services received. There are two types of proprietary funds - enterprise and internal service funds.

Purchased Services - This is a basic classification by object for services, other than personal services, which are required by the governmental unit in the administration of its assigned functions. Included are items such as insurance premiums, utilities, auditors, consultants, medical fees, contract labor and professional services.

Recommended Budget - After analysis and negotiation of proposed budgets with each department/office by the City Manager and the Finance Director, a balanced budget is submitted to the Council for their consideration.

Reserve - (1) An account used to earmark a portion of fund balance to indicate that it is not appropriate for expenditure. (2) An account used to earmark a portion of fund equity as legally segregated for a specific future use.

Revenue - Income received by the City Government in support of the government's program of services to the community. It includes such items as property taxes, fees, user charges, grants and fines.

Glossary of Budget-Related Terms

Special Revenue Fund - A fund used to account for revenues legally earmarked for a particular purpose.

Supplemental Appropriation - An act by the City Council to transfer budgeted and appropriated monies from one spending agency to another, whether the agencies are in the same or different funds. Also, if the City receives revenues that were not anticipated or assured at the time of budget adoption, those revenues can be used in the current fiscal year only after being approved for use via supplemental appropriation.

Supplies - This is a basic classification of expenditures by object for articles and commodities, which are purchased for consumption or resale and are materially altered when used. Examples include office and cleaning supplies, gas, oil, materials, tools and parts.

Taxes - Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include user charges rendered only to those paying such charges as, for example, sewer service charges.

User Charges - The amount the government receives for the provision of services and commodities or the performance of specific services benefiting the person charged. Citizens only pay user charges when a specific service is received.
