

PUBLIC INPUT OPPORTUNITIES FOR THE CITY'S STRATEGIC PRIORITIES

Based on feedback the City received through City Fest, a community survey, and focus groups with residents, students, business leaders, and stakeholders, City Council identified four broad strategic priorities with the ultimate goal of making Gunnison the best city in Colorado to live and work. The strategic priorities are Infrastructure and Safety, Community Engagement, Livable and Affordable Housing, and Economic Prosperity. Below is a developing schedule of opportunities where you can share your ideas with City Staff.
