

# FEEDBACK FORM:

## West Gunnison Park / Lazy K Property

---

A park designed from your input – for improvements that best benefit the West Gunnison Area!

1. What are your thoughts on the overall design and improvements shown for the site?
  - Is the level of development: too little – too much – or just right
  
  - Do you feel the site is being best used for the resource it provides?
2. A more natural park was desired by most, but are there any park amenities missing you would like to see?
3. Do you agree with the placement of and access to the desired amenities?
4. What is your preference for the east property configuration options?
  - Which housing configuration, if any, is best for Gunnison?
5. Please provide any additional comments on this great new resource for the community!:

Your Comments and Feedback are very important!  
Thank you for your participation!
