Re: Street Improvements/Overlays 2015

From: Tex Bradford

The adopted 2015 City budget has \$670,000 budgeted for Street Improvements/Overlays account number 01-4035-9111.

City Public Works Staff has identified the following streets for rebuilding in 2015. Formal action by council is not requested at this time as formal action to award the bid for construction will follow advertisements for proposals if council and manager are comfortable with staffs plan to rebuild the following streets listed in order of staff priority.

- (1) North Blvd. From W. Hwy. 50 to W. Gothic (4 Blocks Both sides of Median)
- (2) Adams From E. Hwy. 50 to Escalante
- (3) San Juan From S. 11<sup>th</sup> to S. Blvd.
- (4) Evans From S. 11<sup>th</sup> to S. 12<sup>th</sup>
- (5) N. Taylor From E. Hwy. 50 to E. Virginia
- (6) S. 12<sup>th</sup> From N. York to W. Hwy 50
- (7) Intersection Of N. Wisconsin and W. Georgia
- (8) S. Pine From W. Hwy. 50 to N. York

Actual streets to be rebuilt will be contingent upon the low qualifying bid and any unknown cost associated with the above listed potential projects. Projects are to be scheduled in accordance with the above listed priorities with lower priority streets to be postponed if necessary.

A map showing the planned street improvements/Overlay streets is attached.
