

City of Gunnison

MEMO

To: City Council
From: Joe Doherty/Tex Bradford
Subject: Slip Lining Bid
Date: February 3, 2015

We received four bids for the 2015 slip lining project. We will have approximately 15,740 feet of varying size of sewer pipe and approximately 525 feet of irrigation culvert lined. It is budgeted under Wastewater Capital Outlay account 30-4243-9751, I/I Reduction found on page 90 of the 2015 city budget for the amount of \$350,000, and on page 81 Ditches-Capital Outlay account number 28-4169-9652 for \$25,000.

Staff recommends to councils approval for staff to award the 2015 slip line bid to A-1 Sewer and Drain of Rapid City, SD who is the low qualifying bidder for an amount not to exceed \$375,000 at the next regularly scheduled council meeting on February 24, 2015.

Thank You,

Joe Doherty/Tex
