Advertisements were published per the City purchasing policy for the 2016 Slurry Seal Bids.

We received two Bids that meet specifications.

1. Intermountain Slurry Seal, North Fork Salt Lake, Utah (\$1.95 sq. yard)
2. Foothills Paving and Maintenance, Golden Colorado (\$2.13 sq. yard)

Staff recommends council approval to award the 2016 Slurry Seal bid to Intermountain Slurry Seal at the regularly scheduled council meeting June 28<sup>th</sup> 2016 for an amount not to exceed \$150,000. A waiver drafted by the City Attorney and approved by City Council is necessary in order to award the bid to Utah based Intermountain Slurry seal. The waiver will be provided at the June 28<sup>th</sup> regular session and staff will ask the City Attorney to explain the necessary waiver and procedure at the June 28<sup>th</sup> regular session.
