RE: Consent Agenda

City Council:

You will note the Regular Session agenda contains a Consent Agenda. This type of agenda item allows City Council to approve, by a single motion, second and vote, matters that have already been discussed by the entire Council or matters that are considered routine or non-controversial. A Consent Agenda allows for the meeting to proceed in a more efficient and timely manner. The agenda items will not be separately discussed unless a Councilor, City Staff, or a citizen requests an item be removed be discussed separately. Items removed from the Consent Agenda will then be considered under New Business.

When a motion is made to approve the Consent Agenda, the Councilor making the motion should, for the record, include the list of the Consent Agenda items being considered in the vote. Please let me know if you have any questions regarding the Consent Agenda process.

Thank you, Gail
