Re: 2016 Slip Line Project (Sewer pipe rehabilitation)

Advertisements for bids to perform slip line installations in 2016 were published and we received 6 bids. Four Colorado based Companies submitted proposals, One Texas based company, and one South Dakota based company. The bids ranged from a high of \$807,408 to a low of \$426,565.96. The Bid Tab Sheet is attached for your review.

\$436,905 has been approved by council in the 2016 budget. \$336,905 has been "rolled" over from 2015 as the contractor did not perform the slip lining. No funds were expended as a result. On page 114 of the 2016 budget under 30-4243-9751(I/I Reduction) the 2015 budgeted amount is found. An additional \$100,000 is budgeted for 2016 and can be found on page 112 of the 2016 budget 30-4205-9751. The total budget for 2016 is \$436,905.

The low bid was submitted by Ecomatris of Silt, Colorado for the amount of \$426,565.96. Staff recommends approval to authorize staff to award the 2016 slip line bid to Ecomatris for an amount not to exceed the budgeted amount of \$436,905 at the next regularly scheduled council meeting on April 12, 2016.
