To the Gunnison City Council:

I am writing to voice my support of lowering the speed limit in the city. We live on 1104 Vulcan Street and there is already a 25 mph speed limit sign posted. However, we frequently observe faster speeds being driven. There are three blocks without a stop sign or water drainage dip, and I think this contributes to the higher speeds being driven. What is the process for approving speed bumps or other speed deterrents?

Thank you for your help,

Chris, Deborah, Mia, Luke and Jemma
