Cassie;

I'd like to edit my comments to just the below please. Appears parking across sidewalks is already being addressed:

I am writing to express my **STRONG SUPPORT** for lowering speed limits in the city limits. I'd like to see 30 mph go down to 25 in all parts of the central business district and 20 mph on residential. I know 25 is also being considered for residential. I fully support lower limits in town.

Sincerely,  
Roanne R. Houck

**Subject:** Safe Streets: Lower residential speed limits and keeping sidewalks clear to pedestrian traffic

Cassie and the City of Gunnison;

I am writing to express my **STRONG SUPPORT** for lowering speed limits in the city limits. I'd like to see 30 mph go down to 25 in all parts of the central biz district and 20 mph on residential. I know 25 is also being considered for residential. I fully support lower limits in town.

I also support enforcement of keeping our sidewalks clear of vehicles parking across them. Watching people, including young kids and seniors, having to walk into the street to get around vehicles parked across the sidewalk, such as what is happening on the new spruce sidewalk is discouraging.

Thank you,  
Roanne Houck
